Richmond Dispatch.

SUNDAY.....NOVEMBER 4, 1883.

THE CIRCULATION OF THE DISPATCH IS LARGER THAN THE COMBINED CIRCULATION OF ALL THE OTHER DAILY NEWSPAPERS OF THE CITY.

[Entered at the Post-office at Richmond, Va., as second-class matter.]

THERMOMETER YESTERDAY: 6 A. M., 44; 9 A. M., 50; noon, 60; 3 P. M., 58; 6 P. M., 52; midnight, 50.

Mean temperature, 50 4-6.

LOCAL MATTERS.

Remember that the educational and charitable institutions you are taxed to support are being turned into political machines for the perpetuation of one-man power.

Briefs and Personals.

An inexplicable fire, by which the curtains of a window at the residence of Dr. Withers, First and Cary streets, were burnt, took place night before last. Neighbors discovered the flames and alarmed the family, and but little damage was done. There had been, as far as known, no fire nor any person in the room.

Rev. William E. Hatcher, D. D., has returned to the city, and will preach this morning and to-night at Grace-Street Baptist church.

Joseph Harding, an alleged forger and fugitive from justice in New York, who was arrested here and committed to jail by the Police Justice to await a requisition from the proper authorities, was brought up before Judge Atkins yesterday under a writ of *habeas corpus*. After due consideration the Judge thought that the applicant had better go back to jail.

Jefferson Ward Club meets to-morrow night.

Dr. Monteiro, Senator Atkinson, and Colonel Gilman made effective speeches at "Clark's Store," in Henrico, last night. The Democracy are alive for Brauer.

Young Walters A. Holland, who was shot in the row at Danville yesterday, was a student at Richmond College a few years ago.

At the Natural Bridge at 5 o'clock yesterday morning the thermometer was at 28°, and there was a heavy frost.

Bishop Whittle and wife and daughter returned to the city Friday night from Europe, and are stopping at the St. Claire Hotel for the present. The many friends of the Bishop will be glad to learn that his health is considerably improved by his trip.

Captain Philip W. Haxall has been presented with a sword by the members of his new company, the Stuart Light Cavalry. The sword once belonged to Colonel Hill Carter, and was by him presented to Lieutenant Peyton Johnston, who was killed at the battle of Cold Harbor.

Your best friend is politically your enemy if his name is on the Coalition ticket.

Police Court.

The following cases were disposed of yesterday:

Lizzie Gleason, Ellen Thompson, and Ella Lee *alias* Vance, charged with stealing $27 from George G. Gibson, a citizen of Halifax county. In consequence of the absence of witnesses the case was continued till next Saturday.

Daniel McCullough and William Clarkson, charged with being drunk and disorderly at the Fair-Grounds. Case continued till Monday.

Charles Clarkson, charged with assault and battery. Case continued till Monday.

James Smith, charged with obtaining money under false pretences from W. J. Penton, and also charged with deserting from the schooner W. H. Knight after having signed articles. The evidence was not sufficient to convict; but being a suspicious character, he was committed for six months in default of security for his good behavior.

Sandy Harris and Albert Harris (both colored) were fined $5 each for obstructing the track of the Richmond, Fredericksburg and Potomac railroad with their wagons and threatening to assault T. L. Courtney.

Coalition supremacy will sound the death-knell of the public-school system.

The Hanover Homicide.

A well-known citizen of Hanover county writes as follows concerning the Hanover homicide:

"On the 1st of November, about twilight, near Old Church, Robert Robinson (colored) was killed, and on the 2d the coroner's jury rendered a verdict that he came to his death at the hands of Charles Lewis (colored), a spade being used to dispatch him. The two men had long been at variance, it is reported, and Robinson had caused the separation of Lewis and his wife some time since.

"The evidence showed that the act was probably unpremeditated, as it was done in the open public road and within a hundred yards of an occupied house, and there seems to have been no attempt to conceal the body.

"Lewis is still at large."

Dissipate the "malign influence" by rousing Democratic majorities.

The World.

To-morrow night, at the Richmond Theatre, the fine spectacular play "The World" will be presented. The company begins a three-nights' engagement, and it is said the play, in scenic effect and otherwise, affords real pleasure.

The Coalitionists will stuff the ballot-boxes if they can. Democratic vigilance is the only preventive.

Manchester.

The Democrats of the Third Ward will hold a ward-meeting at Lyceum Hall to-morrow night at 7 o'clock. A full attendance of the members is desired by the president.

[FOR OTHER LOCAL SEE FIRST PAGE.]

Keep a sharp lookout for the importation of voters from one precinct to another.

STARTING TO RUN TO THE FIRE.—It was in Lowell, Mass. An alarm of fire was sounded, and the engine was rapidly driven out of the engine-house. One of the horses took fright, pranced wildly about, and ran the engine against the brick door-frame. Chief-Engineer Hosmer was severely bruised and two of his ribs were broken. For three weeks the physicians doctored him. Then a friend brought him some Perry Davis's Pain-Killer. On being rubbed with this he was soon well. Best liniment in the world.

The tissue-ballot is already in circulation.

TAXES.

TREASURER'S OFFICE OF HENRICO COUNTY, VA., RICHMOND, November 1, 1883.

HENRICO-COUNTY TAX BILLS FOR THE YEAR 1883 will be ready for payment on and after the 10TH INSTANT.

All tax bills remaining unpaid on the first day of December next the LAW PROVIDES that 5 per cent. be added, and bills put in the hands of collectors for collection. WILLIAM TAYLOR,

no 1 2w Treasurer Henrico county.

ITCHING AND BURNING!

ITCHING AND BURNING!

ECZEMA, OR SALT-RHEUM,

with its agonizing itching and burning, instantly relieved by a warm bath with CUTICURA SOAP, and a single application of CUTICURA, the great Skin Cure. This repeated daily, with two or three doses of CUTICURA RESOLVENT, the new Blood-Purifier, Diuretic, and Aperient, to keep the blood cool, the perspiration pure and unirritating, the bowels open, the liver and kidneys active, will speedily cure Eczema, Tetter, Ringworm, Psoriasis, Lichen Pruritus, Scald Head, Dandruff, and every species of Itching, Scaly, and Pimply Humors of the Scalp and Skin, when the best physicians and all known remedies fail.

ITCHING HUMORS,

Baker's, Barber's, Grocer's, and Washerwomen's Itch, Itching Piles, and Delicate Itching Humors, peculiar to both sexes, which are particularly distressing at this season, are instantly relieved and speedily and permanently cured by the above treatment. Now is the time, when the pores are open and the perspiration abundant, to cleanse the blood of impurities, and the skin of torturing and disfiguring humors.

THOUSANDS OF LETTERS

in our possession repeat this story: I have been a terrible sufferer for years with blood- and skin-humors; have been obliged to shun public places by reason of my disfiguring humors; have had the best physicians; have spent hundreds of dollars and got no real relief until I used the CUTICURA REMEDIES, which have cured me, and left my skin and blood as pure as a child's.

CUTICURA REMEDIES

are the greatest medicines on earth.

J. W. ADAMS, Newark, O.

The half has not been told as to their curative powers. C. A. WILLIAMS, Providence.

They cure in every case.

H. W. BROCKWAY, M. D., Franklin, N. H.

My friends know how I suffered from Salt-Rheum until cured by them. MRS. A. R. BROWN, Malden.

Cured me of a Scrofulous Humor of thirteen years' duration. J. E. RICHARDSON, C. H., New Orleans.

SCRATCHED THE BLOOD.

I certify that I only used them about six weeks until I was entirely well; but before I commenced using them my face, breast, and back were almost a solid scab, and I often scratched the blood from my body. I am now entirely well, and think your CUTICURA REMEDIES are the best for skin-diseases that ever was brought before the public.

F. M. FOX, Caddo, Indian Territory.

Sold by all druggists. CUTICURA, 50c.; RESOLVENT, $1; SOAP, 25c.

PULLING WOOL OVER PEOPLE'S EYES.

THE DIFFERENCE BETWEEN COMMERCIAL STORIES AND REAL FACTS.

It is perhaps not putting it too strongly to say that the majority of people do not believe more than one half of the tales told by advertisers. There is a vast difference between real facts and commercial talk. About one half of the all-wool cloth in the market is only all wool commercially; that it is called all wool when in reality there is more or less cotton in it. To obtain the GENUINE ALL WOOL, try the

FOR SALE PRIVATELY, UPON LIBERAL TERMS, THAT LARGE AND VALUABLE MANUFACTURING PROPERTY, SITUATED AT THE NORTHWEST CORNER OF ELEVENTH AND CARY STREETS, KNOWN AS "POWER HALL," WITH A LARGE AMOUNT OF MACHINERY, VALUABLE PATTERNS, &c., &c.—By request of the owners, who cannot possibly engage in manufacturing themselves, we offer for sale that LARGE, WELL-BUILT, AND ADMIRABLY-CONSTRUCTED PROPERTY. The lot has a front of 150 feet on the north line of Cary street, and runs back along Eleventh street 150 feet to an alley 30 feet wide. The buildings thereon consist of a LARGE BRICK BUILDING 60x150 feet, three stories, cellar, and attic, covered with slate, known as "POWER HALL," built of the best material, and especially for the purpose now used, affording unusual advantages as to light, being detached on all sides.

Attached to this building is a LARGE ENGINE- and BOILER-ROOM and BLACKSMITH-SHOP; also, a BRICK SLATE-ROOF FOUNDRY BUILDING, 40x80 feet within walls; also, one BRICK TWO-STORY TIN-ROOFED OFFICE BUILDING, 26x60 feet, fronting on Cary street. Yard paved with granite blocks, 66x43 feet, containing a LARGE WOODEN SHED, with WAGON PLATFORM SCALES, Buffalo make, of 8,500 pounds capacity. Attached to the Foundry are THREE VAULTS FOR COAL AND SAND, and ONE LARGE DRYING OVEN, with CARRIAGE CORE BARS, &c. The office building is lathed and plastered in four rooms, and the entire premises are fitted out with steam heaters, gas, and water. There is also on the premises a large well which supplies water for the boilers, which thereby saves a considerable water rent—at least $300.

This property occupies one fourth of one of the most valuable squares in the entire city, and also the most centrally located—within half a square of the post-office, the main streets, street railway, and the Richmond and Alleghany Railroad depot, also in a few blocks of all railroad depots, rendering egress and ingress of all material and manufactures to and from the premises of the easiest and most economical kind.

Will be sold with the property the following MACHINERY:

On the first floor of Power Hall—
5 DRILL PRESSES,
2 LARGE IRON LATHES,
1 WOOD LATHE, 1 PLANER,
1 CIRCULAR SAW and STAND,
1 JIG SAW and STAND,
1 STEAM ELEVATOR, 12 tons capacity;
1 BOLT-CUTTING MACHINE, VISES,
1 FORTY-HORSE-POWER ENGINE and SIXTY-HORSE-POWER BOILER,
150 FEET OF MAIN SHAFTING and PULLEYS, and
2 EMERY WHEELS and STANDS.

The principal improvements to the Foundry are
1 FIVE-TON CUPOLA (McKenzie),
1 STURDEVANT FAN, No. 6;
2 LARGE CRANES,
A large selection of FLASKS and PATTERNS, and
1 LARGE TUMBLING MILL and SHED.

It is seldom that such a complete establishment is offered for sale, and it should command the attention of those seeking such property. It is needless to state that the iron industry of Richmond is largely increasing, and that this city is now approximately related to the iron- and coal-mines in this country, and may be almost considered a central market of these interests.

TERMS: Terms will be extremely liberal and accommodating. Apply to
