CASES OF GOODS RECEIVED AT

DURING LAST WEEK WILL BE OFFERED AT THEIR HOUSE MONDAY.

It is needless to say that buying such an extensive stock in time of such financial crisis there must be great inducements. Those who will call during the coming week can have an illustration of the ravages a panic can produce. The loss at this time to the manufacturers and the importers is simply immense. Confidence in the sale of goods at some price prompted the purchase, and on MONDAY we shall be ready to place them on sale. The special purchases consist of

THEN AND NOW.

Twenty years since the war. Wounds are healed, animosity subdued, foes reconciled and things throughout the land are under command of General Prosperity. "Tramp, tramp, tramp, the boys are marching," no longer meets the ear (except when marching to the Misfit Store), but the marching veterans quicken the pulses that remind them that gentle spring is here, and New, Fashionable Clothing for Men, Boys, and Children are being sold at the
MISFIT STORE, 912 MAIN STREET,
for less money than any other house in this city. We would take the reader of this advertisement in our confidence. Some clothiers say they are busy and have been doing a large spring trade. Some clothiers fib. Trade has been dull, not only in this city, but all over the country. We have a large stock of goods on hand which we want to turn into cash by June 1st. If extreme low prices are any inducement for fine goods, call on us for the next sixteen days and we will astonish the natives.
