THE AFTERNOON ASSOCIATED PRESS BULLETINS; PRESIDENT YIELDS TO SENATE VIEW OF THE CAUSE OF ACTION

MEXICO CITY, APRIL 21.—CHARGE O'SHAUGHNESSY THIS AFTERNOON, ON INSTRUCTIONS FROM THE STATE DEPARTMENT AT WASHINGTON, ADVISED DIPLOMATS IN MEXICO TO HAVE THEIR NATIONAL REPRESENTATIVES LEAVE MEXICO. THIS ADVICE WAS EXTENDED AT A CONFERENCE OF THE DIPLOMATS IN THIS CITY IMMEDIATELY FOLLOWING THE RECEIPT OF THE WASHINGTON INSTRUCTIONS.

WASHINGTON, APRIL 21.—SECRETARY BRYAN THIS AFTERNOON SUMMONED THE FOREIGN AMBASSADORS TO A CONFERENCE. THERE WAS QUICK RESPONSE. THE CONFERENCE IS STILL CONTINUING AT 3 O'CLOCK. IT IS UNDERSTOOD THAT IT IS GOING INTO THE MEXICAN SITUATION IN FULL, TOGETHER WITH THE PLANS THE UNITED STATES IS NOW PREPARED TO AND EXPECTING TO CARRY OUT.

WASHINGTON, April 21.—Secretary Daniels said at 4.30 that Admiral Mayo, with the flagship Connecticut and most of the other vessels under his command had been ordered to proceed immediately from Tampico to Vera Cruz.

Badger, with the Atlantic fleet, has also been ordered to go direct to Vera Cruz.

It is wondered whether this signafies preparation to advance immediately upon Mexico City. Officials refuse to confirm or deny this speculation.

WASHINGTON, April 21.—While the Senate debated the resolution authorizing the use of force in Mexico, the President ordered Admiral Fletcher to seize the Vera Cruz customs house and prevent enormous quantities of war munitions from reaching Huerta. The debate hinged on the substitute preamble by Senator Lodge predicting intervention on the ground of the murder of Americans. But the applause was so great on the Democratic attacks on this that the vice president ordered the spectators' galleries cleared. Senator Works offered a resolution to accept Huerta's apology without insisting on a salute.

The seizure of Vera Cruz is ordered to prevent the landing of munitions of war for the Huerta forces.

AMMUNITION FOR HUERTA.

Several million rounds of ammunition are on the way to Vera Cruz for the Huerta besieged customs house. If Congress delays action on the resolution it is understood the President will order the seizure of the customs house anyway.

PRESIDENT AGREEABLE TO SENATE.

WASHINGTON, April 21.—Although the President's close advisers let it be known that he is not opposed to the Senate amendment to the resolution on Mexico which eliminated the name of Huerta, the Republicans centered their efforts in favor of the Lodge substitute, subordinating the Tampico incident and making the cause for action the murders of Americans in Mexico and a State of anarchy which prevents redress through diplomatic channels.

"One hundred and fifty Americans have been slain in Mexico," said Lodge. "I cannot be put in a position of choosing among factions in Mexico. I will not join in any resolution which puts the United States in a position of preferring one murderer and cut-throat against another murderer and cut-throat. Nothing will put me behind General Villa, who began as a hired assassin and whose path is marked with bloodshed, rapine, plunder and unnameable crimes. For this reason the minority prepared a substitute for the preamble and resolution. If we are to intervene in Mexico, I want to lift it from the level of personal hostilities and place it on the broad ground of great national action for the protection of American lives in a foreign country."

Senator Shively, chairman of the foreign affairs committee, declared the Lodge resolution could "have no result but war."

EXODUS OF AMERICANS.

VERA CRUZ, April 21.—There is a general exodus of Americans from the capital and this city. They are taking refuge on board the steamers Mexico and Esperanza.

been put to work on the Maryland so as to complete her repairs by Thursday. The cruiser Cleveland is under orders to sail for Mexican waters Sunday.

MAKING UP NEW REGIMENT.

PHILADELPHIA, April 21.—The marines ordered to assemble at the Philadelphia navy yard for Mexican service will be known as the twentieth regiment. It will be made up of men from Norfolk, Portsmouth, Boston and Brooklyn navy yards. They will begin arriving tomorrow. It is expected they will leave Thursday on the transport Moro Castle. The Philadelphia navy yard is depleated of marines, as nearly all the men available had been sent to the Gulf of Mexico before the Tampico affair occurred.

VOLUNTEERS TENDER SERVICE.

WASHINGTON, April 21.—Offers of volunteers for service in Mexico are being received by nearly every representative in congress. Representative Ferris of Oklahoma, forwarded to the President a telegram tendering in behalf a mass meeting of citizens of two counties a company of 100 picked men, all native Americans, "To help place the Stars and Stripes above the hall of Montezuma." Representative Igoe of Missouri, submitted a telegram announcing readiness of the army and navy club of St. Louis to furnish a regiment of seasoned Spanish war veterans.

ARMING IN IMPERIAL VALLEY.

EL CENTRO, April 21.—A troop of 74 cavalrymen who reached Calexico on the border, will be insufficient to protect that place against the Mexican Federal garrison of 400 regulars at Mexicali, just across the line, is the opinion of Captain Poillon, commander of the troops. As a result a call for 250 volunteers to meet at El Centro at noon Wednesday was issued, meetings were held in every town in Imperial valley tonight to provide and arm the number ragured.

NINTH CAVALRY READY.

DOUGLAS, April 21.—The Ninth Cavalry was called into camp and is held for any emergency. Troop I. has been placed on border patrol, between Douglas and the line.

CARRANZA SILENT.

EL PASO, April 21.—General Carranza has kept informed of the news of Vera Cruz by telephone, but has refused persistent requests for a statement.

ALL QUIET IN TMPICO.

WASHINGTON, April 21.—At 2 o'clock this morning the Navy Department announced that relayed messages said, "All quiet in Tampico. The message was picked up by the Arkansas hurrying to Tampico from Vera Cruz.

TO STOP HUERTA GUNS.

VERA CRUZ, April 21.—While no blockade will be ordered to keep foreign vessels out of Mexican ports without declaration of war, seizure of the customs houses will occur to prevent any munitions of war being dispatched to Huerta. Millions of rounds of ammunition are on the way in German vessels.

* Rear Admiral Fletcher has warned the Mexicans at Vera Cruz that the big guns of the American fleet will be used unless they stop firing on men. *

VERA CRUZ, April 21.—The chief seaport of the Republic of Mexico, having the only good docking facilities in the country, and the main point of entry through the Gulf of Mexico, fell into the hands of American marines and bluejackets yesterday afternoon.

Telegraph lines have been cut between City of Mexico and Vera Cruz.

A WARNING TO MANY

Some Interesting Facts About Kidney Troubles

Few people realize to what extent their health depends upon the condition of the kidneys.

The physician in nearly all cases of serious illness, makes a chemical analysis of the patient's urine. He knows that unless the kidneys are doing their work properly, the other organs cannot readily be brought back to health and strength.

When the kidneys are neglected or abused in any way, serious results are sure to follow. According to health statistics, Bright's disease which is really an advanced form of kidney trouble, caused nearly ten thousand deaths in 1912, in the state of New York alone. Therefore, it behooves us to pay more attention to the health of these most importan organs.

An ideal herbal compound that has had remarkable success as a kidney remedy is Dr. Kilmer's Swamp-Root, the great Kidney, Liver and Bladder Remedy.

The mild and healing influence of this preparation, in most cases, is soon realized, according to sworn statements and verified testimony of those who have used the remedy.

If you feel that your kidneys require attention, and wish a sample bottle, write to Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper, enclose ten cents and they will gladly forward it to you by Parcels Post.

Swamp-Root is sold by every druggist in bottles of two sizes—50c and $1.00—Adv.
