NEWS NOTES.

The son of Mr. and Mrs. John Bosshard, of 729 Myrtle avenue, died yesterday.

Mr. John Weber wishes it known that he is not a candidate for councilman of the Sixth ward.

There will be a meeting of the Thirty-second precinct Democratic club on Tuesday evening, at Illinois hall.

A meeting of the Jackson Democratic club will take place this evening at 8 o'clock in the Alliance hall, Downey block. All members are earnestly invited to be present.

The Sixth ward Democratic delegation will meet this evening at the twenty-fourth precinct clubrooms to nominate the councilman and member of the board of education.

William H. Wescott, a well-known stenographer, died yesterday at his residence on the Bonnie Brae tract. As he was not attended by a physician, an inquest on his remains will be held today.

The delegates from the Second ward to the Democratic city convention are requested to meet at 7 o'clock tonight (Monday) at the rooms of the city central committee for the purpose of making ward nominations.

Ah Con, a miserable heathen from China, who has for the last two months been in the habit of sleeping among some weeds on Macy street, was arrested yesterday by Officer Valencia and locked up on the charge of vagrancy.

Word was received here yesterday from Phœnix, Ariz., of the death at that place of J. G. Fleishmann, a former well known resident of Los Angeles. His remains will be brought here for interment, and will arrive tonight.

The members of Y. M. I. No. 14 will celebrate their fifth anniversary on the evening of Thanksgiving day by a grand literary and social entertainment to be held at Illinois hall, and it is expected that this will eclipse all former efforts of this popular society. Tickets can be had of any of the members.

At Turn Verein hall last night a German play in three acts was given for the benefit of the dramatic section of the Turn Verein Germania. The play, which is entitled "Endlich hat er's doch fiut gemacht," or "Finally he fixed it all right," was followed by a ball. After 8 o'clock the hall was so full that only standing room was obtainable.

The Morris Vineyard Loyal Temperance Legion gave an entertainment on Friday evening, the 21st inst., consisting of songs, recitations, etc., at the Main-street M. E. church. The house was full, and the little folks did remarkably well, and succeeded in entertaining the large audience for over an hour to everybodys' satisfaction. The proceeds to go for the benefit of the legion in its temperance work.

Miss Lena Booty and Miss Hazel Booty, of 156 West Seventeenth street, gave a dance on Saturday evening, attended by Carrie Miller, Josie Hill, Mary Whomes, Nellie Geybard, Lena Booty, Fanny Kingery, Echa Allen, Bessie Allen, Hazel Booty, Theodore Hill, Joe Rhodes, John Holmes, Jessica Rhodes, Mary Holmes, Adolphus Griffin, Mr. Booty, Mrs. Poland, Mr. Burns and Mrs. Burns.

The following plan of election day organization has been perfected by the campaign committee of the Young Men's Progress and Improvement party: The executive committee will personally supervise the work from their central committee rooms. There will be one member in charge of each ward, who will overlook the work of the two carriages in each precinct, and also the tablemen, challengers and ticket peddlers. Reports will be sent to the headquarters every hour during the day, and special pains will be taken to bring out the full vote of the party. The campaign committee desire to call special attention to the platform and manner of selecting candidates, which will be announced tomorrow morning, through the columns of this paper.

A suit with an artistic cut and fit, first-class workmanship and linings, can be had at H. A. Getz', 125 W. Third st.

MEDICAL.

CATARRH,

Throat Diseases, Asthma, Bronchitis and Consumption

Successfully treated by

M. HILTON WILLIAMS, M. D.
M. C., P. S. O.,

By his Aerean system of practice, which consists of proper Medicated Inhalations and COMPOUND OXYGEN TREATMENT.

Probably no system of practice ever employed has been so universally successful as the Aerean system of practice as introduced by Dr. Williams for the cure of Catarrh, Throat Diseases, Asthma and Consumption.

CATARRH.

Catarrh is often regarded by the patient as a cold in the head, and he often expresses his astonishment at his remarkable tendency to contract fresh cold. Indeed he declares that he is scarcely free from one cold before he takes another, and he is always exceedingly careful; it is also a matter of surprise to him that the cold always seems to settle in the head and throat.

At times many of the symptoms of catarrh seem to abate, and the patient is led to hope that the disease is about to wear off; but another class of symptoms soon appear and he learns to his horror, that instead of recovery from the disease, it is somewhat changed in its character and has extended to the throat. A sense of weariness is sometimes felt in reading, speaking or singing; hoarseness at times occurs, a sensation of dryness is felt in the throat, or it appears that some foreign substance, as, for instance, a hair, obstructed the throat; there becomes a sense of languor and fatigue; the breath lessens on a little exertion, a short, hacking cough, a peculiar sound in clearing the throat, a feeling as though there was not room enough in the chest to breathe; these and other symptoms occur after the disease has made considerable progress. Then it is a time when consumption is about to begin its dreadful work. Up to this time the progress of the disease may have been slow and the patient may, in expressing his confident hope that it will "wear off," declare that he has had the catarrh for years and has not seemed to become much worse, and trusts that he will "by and by" recover. But this delusion is the grand error which has peopled our cemeteries with consumptive forms, as all forms of catarrh end finally in consumption.

WONDERFUL CURES.

Made by Dr. Woh, During His Eight Years Residence in Los Angeles.

I hereby testify that I have been under treatment of Dr. Woh and partner, of this city, the past five weeks, for a complication of diseases of long standing, and can gladly and sincerely say that he has entirely cured me.
PAUL VALIN.
Los Angeles, Oct. 20, '90. Santa Fe Hotel.

For eleven years I was afflicted with a disease of the stomach that baffled the best doctors, and at last they told me that they didn't know what was the matter with me, and refused to give me any more medicine. A year ago when I had got so feeble that I could scarcely move, Dr. Woh's medicine relieved me and gave excellent health in two months time.
MISS IDA BROWN.
Harrisville, Mich., Sept. 8, '90.

This is to certify that Dr. Woh, the eminent Chinese Physician, has cured my girl and boy of long standing consumption. The doctors of this city had given up my little boy and said that he could not live, but I was tempted to try, as a last resort, Dr. Woh, and in the short space of a month and a half he cured him entirely. Our gratitude and happiness impel us to use this means of recommending the capabilities of Dr. Woh to the public.
MRS. J. A. WELLS.
Santa Barbara, Cal., Nov. 5, 1890.

Dr. Woh has cured over 2000 people who were afflicted with nearly every form of the various diseases the human flesh is heir to. Fully 97 per cent. of these cures were made of wrecks that could not find relief in the other systems of medicine as practiced in America and Europe. In Dr. Woh's system of medicine there are 400 different diseases and he cures 386 of them. There are also over 3000 kinds of medicine (all herbs, no poisons), which he imports directly, and have been used in China 5000 to 6000 years. Dr. Woh locates all diseases by the pulse, without asking a question. Consultation free. Office, 323 First st., 2 doors from Times office, corner First and Broadway. Open daily at 9 a. m. 11-16-1m
