The Juniata Sentinel.

WEDNESDAY MORNING, OCT. 26, 1864.

"BE JUST AND FEAR NOT."

TOWN AND COUNTRY.

"SENTINEL, Guard well your Post!"

"Eternal Vigilance is the Price of Liberty."

☞ The President has appointed the last Thursday of November, as a day of Thanksgiving and Praise.

☞ Poor Black Cow Miller has some consolation—he falls, but has company. The "failure" men failed, and the "mourners go about the streets."

☞ The Democrats boast of electing their county ticket. Well, it is nothing more than usual. And in regard to the men, for those who like such officers they are just the kind of officers that such men do like.

☞ The next time ould Kristy writes an address we commend this theme: "*Sheridan on Failures.*" Go it old Jake.

☞ Mr. Stephens, the rebel Vice President, greets the platform in the following poetic strain of ekstatic joy—"*Hail holy, offspring of Heaven.*" Naturally enough for a rebel chief thus to go wild with delight over the work of Clement C. Vallandigham.

☞ Friday last was the day selected for the meeting of the School Directors of the county, at the Court House in this borough, for the purpose of raising the salary of the County Superintendent. There were but twenty six Directors present. The proposition to increase the salary was voted down and, therefore, the salary remains as heretofore, viz: $500. per annum.

The following little fable contains a great deal of truth, and is peculiarly adapted to the present time:

A skunk once challenged a lion to single combat. The lion promptly declined the honor of such a meeting. "How" said the skunk, "are you afraid?" "Not much so," quoth the lion "for you would only gain fame by having the honor to fight a lion, while every one who met me for a month to come would know that I had been in company with a skunk."

Gen. Stoneman has been exchanged.... Col. J. P. Sanderson, of this State died at St. Louis.....A party of armed men from Canada robbed three Banks in St. Albans, Vt. on the 19th.....The Rebels recruited about 8,000 McClellan Democrats for their army in Misouri.....There are no news from Grant.....Sheridan's victory at Cedar Creek has been most complete. Fifty cannon (including 20 recaptured) 2,000 prisoners, wagons, ambulances, 10 battle flags, a great quantity of small arms, &c. are among the results. They were driven 14 miles and utterly demoralized.

The bad Effects of Mixing Things

For once the Richmond editors have promptly admitted a defeat. Had there been a shadow of a chance for denying EARLY's last overthrow, they would have held out until the crack of doom, but it came upon them with such overwhelming conclusiveness that they were forced into an unconditional confession of defeat. They are now at work accounting for it. The prevailing opinion is, that this disaster, like all others they have suffered in the Valley during the present campaign, is the result of EARLY's attachment to "apple whisky." This opinion, however, is not unanimous. Another paper accounts for the disaster by saying that after EARLY's victory he tried to get his captured guns through the streets of Strasburg, but in consequence of the extreme narrowness of said streets, the captured artillery got mixed up with EARLY's own artillery, and he had to abandon "the whole."

"There's wisdom for you." But why did JUBAL abandon any of the artillery, captured or otherwise? Ah, why, indeed! *Inquirer.*

☞ One of the darkest and most damning tricks of the Copperhead Democracy has just come to light. Thousands of votes of New York soldiers have been opened and changed for McClellan. Whole boxes of fraudulent votes have been discovered. Truly they are the Demon-ocracy.

Some startling developments have also just come to light concerning the conspiracy of the K. G. C's. to resist the draft in Columbia County. Of course it was a Democratic arrangement altogether.

They tried to decieve then—Are they any Better now?

After the President gave notice that he would issue his Emancipation Proclamation, the Democrats all declared that if he did the North would be overrun with negroes, white men could get no work, &c. &c. They lied then—are they any more truthful now?

Before the election on the 2nd of August last the Democrats all declared that if the first Amendment was adopted the negroes in the Army would vote. The Amendment was adopted and the negroes and minors can not vote. The Copperheads tried to decieve by falsehood then—are they any better now?

So we might go on and show that every petition and howling cry which the Democrats have taken since the war began was *false* and only gotten up to decieve. After four years of failure to break up the Union Party by the experiment of lying, justice, humanity, liberty and public weal demand an immediate cessation of hostilities with a view to a return to common truth and common decency.

Ould Kristy and the Figures,

"Elected the entire Democratic county ticket by increased majorities over former years"

At the last election for Congress Black Cow Miller had 755 majority in Juniata—this year he has only 358. Copperhead increase backward, 397.

At the same election, Kirk Haines was beaten 414—this year only 349. Copperhead increase backward 65.

The soldiers vote will add a little to this *democratic increase.*

And so on throughout the ticket they have had larger majorities. This proves that Elder Kristy is a man vastly given to telling the truth? Better try yer hand on *Lincoln* than at figures.

The Home Vote.

As another evidence of deacon Kristy's veracity we publish the real figures on the home vote. He says they have carried the State:

For the Union Congressmen	197,892
For the Copperhead Congressmen	197,501
Union majority	391

The soldiers' vote will increase the Union majority in the State to over 15,000. Glory enough for one day.

Sherman and Hood:

Hood has tried to put Gen. Sherman in a tight place—but failed. The railroads have been torn up by the rebels. Sherman instantly repaired them. The towns of Dalton and Resaca have been taken by the rebels. Sherman retook them. Hood showed fight; Sherman marched out in full force to meet him, and Hood ran away. At last accounts the rebel army was moving rapidly toward the Montgomery railroad, and Sherman was at his heels.

Beauregard has taken command of Hood's army.

These be Great Truths!

☞ *The conspiracy is now known—armies have been raised, war levied to accomplish it. There are only two sides to the question. Every man must be for the United States, or against it. There can be no neutrals in this war—only patriots or traitors.*—STEPHEN A. DOUGLAS, at Chicago, April 11, 1861.

☞ *What right has the North assailed? What justice has been denied? And what claim, founded in justice and right, has been withheld? Can either of you to-day name one single act of wrong, deliberately and purposely done by the Government at Washington, of which the South has a right to complain? I challenge the answer.*—ALEX. H. STEPHENS, 1861.

UNION MEN of Juniata, but a few days remain to prepare for the Great National Struggle with those who pronounce the war a "failure," and demand that our victorious armies should be arrested to give a "cessation of hostilities" to exhausted traitors. The time is short, the moments golden, the issue vital. Work! Work!

CANNOT BE DISCREDITED.

The Rev. Jacob Sechler,

Well known and much respected among the German population in this country, makes the following statement for the benefit of the afflicted:

HANOVER, Pa., Feb. 16, 1859.

Dear Sirs:—Having realized in my family important benefits from the use of your valuable preparation—WISTER'S BALSAM OF WILD CHERRY—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have also been benefited by it.

JACOB SECHLER.

From Jessie Smith, Esq.,

President of the Morris County Bank, Morristown, New Jersey.

"Having used DR. WISTER'S BALSAM OF WILD CHERRY for about fifteen years, and having realized its beneficial results in my family, it affords me great pleasure in recommending it to the public as a valuable remedy in cases of weak lungs, colds, coughs, &c., and a remedy which I consider entirely innocent, and may be taken with perfect safety by the most delicate in health."

From Hon. John E. Smith,

distinguished lawyer in Westminster, Md. Al have on several occasions used DR. WISTAR'S BALSAM OF WILD CHERRY for severe colds, and always with decided benefit. I know of no preparation that is more efficacious or more deserving of general use.

The Balsam has also been used with excellent effect by J. B. Elliot, Merchants, Hall's Cross Roads, Md.

Dyspepsia, Dyspepsia, Dyspepsia.

I, ELIZABETH BRANSON, of Brandywine, Del. formerly of Old Chester, Del., do certify that, for one year and a half I suffered everything but death from that awful disease called Dyspepsia. My whole system was prostrate with weakness and nervous debility. I could not digest my food; if I ate even a cracker or the smallest amount of food, it would return just as I swallowed it; I became so costive in my bowels that I would not have a passage in less than from four and often eight days; under this immense suffering, my mind seemed entirely to give way. I had dreadful horror and evil forbodings. I thought everybody hated me, and I hated everybody; I could not bear my husband nor my own children, everything appeared to be horror stricken to me; I had no ambition to do anything; I lost all my love of family and home; I would ramble and wander from place to place, but could not be content; I felt that I was doomed to hell, and that there was no heaven for me, and was often tempted to commit suicide, so near was my whole nervous system destroyed, and also my mind, from that awful complaint, Dyspepsia, that my friends thought best to have me placed in Dr. Kirkbride's Hospital, West Philadelphia; I remained there nine weeks, and thought I was a little better, but in a few days my dreadful complaint was raging as bad as ever. Hearing of the wonderful cures performed by Dr. Wishart's Great American Dyspepsia Pills and his treatment for Dyspepsia, my husband called on Dr. Wishart and stated my case to him. He said he had no doubt he could cure me. So in three days after I called and placed myself under the Doctor's treatment, and in two weeks I began to digest my food, and felt that my disease was giving way, and continued to recover for about three months, and at the present time I enjoy perfect health of body and mind, and I most sincerely return my thanks to a merciful God and Dr. Wishart, and to his great American Dyspepsia Pills and Pine Tree Tar Cordial that saved me from an Insane Asylum and a premature grave. All persons suffering with Dyspepsia are at liberty to call on me or to write, as I am willing to do all the good I can for suffering humanity. ELIZABETH BRANSON.

Dyspepsia! Dyspepsia!

DR. WISHART.—I have been a constant sufferer with Dyspepsia for the last eighteen years, during which time I cannot say that I ever enjoyed a perfectly well day. There were times when the symptoms were more aggravated than at others, and then it seemed would be a great relief to die. I had at all times an unpleasant feeling in my head, but lately, my sufferings so much increased that I became almost unfit for business of any kind; my mind was continually filled with gloomy thoughts and forbodings, and if I attempted to change their current by reading, at once a sensation of icy coldness in connection with a dead weight, as it were, resisted upon my brain; also, a feeling of sickness would occur at the stomach, and great pain to my eyes, accompanied with which was the continual fear of losing my reason. I also experienced great lassitude, debility and nervousness, which made it difficult to walk by day or sleep at night. I became averse to society, and disposed only to seclusion, and having tried the skill of a number of eminent physicians of various schools, finally came to the the conclusion that, for this disease at my present age (45 years) there was no cure in existence. But, through the ministerfence of Divine Providence, to whom I devoutly offer my thanks, I at last found a sovereign remedy in your Dyspepsia Pills and Tar Cordial, which seem to have effectually removed almost the last trace of my long list of ailments and bad feelings, and in their place health, pleasure and contentment are my everyday companions.

JAMES M. SAXBURN,

Formerly of Woodbury N. J.

Dr. Wishart's Great American Dyspepsia Pills.

This is to certify that I have suffered for ten years that dreadful complaint called dyspepsia. I suffered much pain and distress, with gloom and depression of spirits; I was treated by eight different physicians for my complaints and at times was much better, but then the old disease, dyspepsia, would return with all its dreadful realities, and my whole system was fast wasting away. In this sick and debilitated state, I was handed a circular of Wishart's great American Dyspepsia Pills, and Pine Tree Tar Cordial, which gave a correct description of my sufferings, and I determined to place myself under the Doctor's care, and take his medicines.

As soon as I commenced the use of the medicine, I began to get better, and so I continued three months, at which time I was perfectly restored to health. I am to-day a well man. Dr. Wishart, I give you this certificate with a grateful heart for the benefit I have received from the use of your truly wonderful medicines. May God bless you and preserve your truly useful life for many years. I would say to every sick person who is suffering as I was, that my residence is No. 139 Richmond street, Philadelphia, where I will take great delight in giving testimony to the great power of Dr. Wishart's medicines to cure.

F. H. ALLEN.

The above are a few among the thousands which this great remedy has saved from an untimely grave.

We have thousands of letters from physicians and druggists, who have prescribed and sold these medicine, saying that they have never used or sold a medicine which gave such universal satisfaction.
