CORNELIUS BARTLY has sold his house and lot on Cherry street, recently occupied by Alonzo Faeck, to J. C. Moser for the sum of $700

THOSE of our subscribers who will change their place of residence on the coming first of April will please inform us to what post-office they wish their paper sent hereafter.

THE April number of the Pennsylvania School Journal contains a fine biographical article on the late Thomas H. Burrows, L. L. D., who died at the Agricultural College, Centre county February 25, 1871.

UP AGAIN.—About a year ago the Cuba Mill, about two miles north of this place, was destroyed by fire. Some time after its destruction Mr. Joseph Musser, of Huntingdon county, purchased the site. Within the past week he put up the frame work of a new mill on the place where the old one stood.

THE way "to minister to a mind diseased" is to take Peruvian Syrup, a protected solution of the *protoxide of iron*, which gives steength and vigor to the whole system and restores the digestive organs to perfect health, thereby restoring the mind to its natural vigor.

CORNELIUS BARTLY has for sale at his store, on Main street, a supply of fresh York Lime for white-washing. Mr. Bartly also intends keeping on hand after the first of April, a stock of flour from each of the following mills: Jericho Mill, McCulloch's Mill and Mexico Mill.

THE Sacrament of the Lord's Supper will be administered in the Lutheran Church of this place, on Sunday, April 9th—Rev. D. M. Blackwelder, pastor. Services on Friday evening previous—Preparatory services on Saturday afternoon at 2 o'clock.

LARGE SALE.—On Friday, March the 31st, inst., W. W. Coleman, Proprietor of the Patterson House, Patterson, will sell at public sale, the entire fixtures of the House, consisting of beds, bedings, sofas, carpets, looking glasses, queensware, glassware, parlor furniture, bar fixtures, &c. Sale to commence at 10 o'clock A. M.

JUNIATA VALLEY VINEYARDS.—The place for good Grape Vines is at the Juniata Valley Vineyards, one mile northeast of Mifflintown. Now is the time for planting vines. Mr. J. Oberholtzer, proprietor, sells low. Give him a call and be convinced. He is busy planting vines and cuttings. Those wishing to have good vines at rates to suit the times, should call and get them at once.

NEW BASES — My present base of operation is now temporarily with Dr. Elder, Bridge street, alongside of the Photograph rooms of J. M Wimer, where I am constructing teeth on a new compound called Whalebone Rubber, which, for strength and adaptation to the mouth, is surpassed by nothing heretofore offered; also on all the various bases now in use. I expect to be in my new office by the 1st of May next, on the old ground on Bridge street, opposite the Court House. In consideration of the scarcity of money I here offer to put up full upper or lower sets from $8.00 per set to $20.00 per set, so as to bring it within the means of all. Teeth filled to last for life, and all work guaranteed to give satisfaction.

HOUSE AND LOT FOR SALE.—Mrs. Sarah J. Lusk offers to sell her House and Lot, situate in Perrysville, this county, on very reasonable terms. HARRISBURG DRIVING PARK.—The undersigned are now prepared to take horses for training on the track. The services of an experienced trainer has been engaged, and the patrons of the track can rely on having their horses properly handled and cared for. The breaking and training of colts a specialty. This trotting course is considered by horsemen one of the very best in the State, and from the soft and springy nature of the ground is especially adapted to the breaking and training of colts, saving all fear and danger of soreness. The Park House is prepared at all times for the accommodation of guests.

D. J. UNGER, Proprietor.

M. GUINN, Superintendent.

ENLARGED.—The Lewistown *Gazette* has been enlarged and changed from a folio to a quarto, and gets its outside printed in New York. Last week its New York publishers perpetrated a joke on Father Frysinger—if he will permit us to say so—by using six columns of the outside of the *Gazette* in the advertising of "Brick Pomeroy's" *Democrat*. Father, we don't doubt your politics, but it looks bad.

The Sunbury *Democrat* has been changed from an eight-column to a nine-column folio. Its politics is of the ugliest kind, like the *Register's*. By the way, we believe Eicholtz took lessons from Bonsall some years ago, and that most likely is the reason. The instructions of the master have not been lost on the pupil.

The *Perry County Freeman* has also been enlarged. Gentlemen, may success attend you all.

A MURDEROUS ASSAULT.—The Perry *Advocate* says. On Friday evening last a deaf and dumb man, named Calvin Morris, living with his uncle Jacob Albright, and his two maiden aunts, near Montgomery's Ferry, made a murderous assult on his uncle, with an axe, inflicting a terrible and perhaps fatal wound on the back part of his uncle's head. We learn that the young man had been drinking for some months to excess, and being reprimanded by his uncle, he threatened to kill him, and had taken a mason hammer and an axe into the house on Friday and informed his aunts by signs what he would do. In the evening, when Mr. A. came home from the river, he was informed of the threats of the nephew, and made him take the hammer and axe out of the house. Soon after he came in with an axe and a whetstone and commenced whetting his axe behind the stove.—While his uncle was busy reading a paper he slipped up behind him and sunk the edge of the axe into the back part of his uncle's head. He was prevented from repeating the attack, and was arrested and brought to our county jail on Saturday. The young man's mind is said to be affected by his intemperate habits. He was an inmate of the Deaf and Dumb Assylum for a number of years, remaining there until he was sixteen years of age. He was a shoemaker by trade and followed the business for some time, until he commenced working his uncle's farm of 50 acres. He is about 20 years of age.

PROMISSORY NOTES.—The late decision of the Supreme Court in this State, in reference to the liabilities of the maker of a promissory note, is one to which the attention of every one doing business should be specially directed.—An ordinary promissory note was filled up for the payment of one hundred dollars After the note was made, the payee, it is asserted, added the words "and fifty," thus making it a promisory note for one hundred and fifty dollars. This note was passed into the hands of an innocent third party, who claimed the full sum named in the note. On an appeal to the Supreme Court it was decided that the drawer was liable, he having invited the fraud by his own negligence. It is well known that there is a blank space on all printed promissory notes where the amount of money to be paid is written, and that at the end of this blank space the words "dollars" is printed. The Supreme Court declared that it was negligence on the part of the drawer in not drawing a line between the written word "hundred" and the printed words "dollars," and that where such negligence existed, and there was nothing on the face of the note that showed any alteration, the drawer was liable. The Chief Justice added that the Supreme Court deemed such a rule necessary to facilitate the circulation of commercial paper, at the same time to increase the care of drawers. This rule is only to apply, however where an alteration is not apparent on the face of the paper

Clarion is about the only county seat in Western Pennsylvania without a railroad.

HIGHWAY ROBBERY.—This week we have to record one of the most daring highway robberies that has occured in Huntingdon county for many years.—Friday last James A Colabine, U. S. mail carrier, started for Huntingdon with the mail; at McAlavy's Fort, Messrs. Robt. McBurney, Samuel W. Myton and John M. Smith & Son, gave him packages containing money, checks and their bank books and requested him to take them to bank for them. With theses extra trusts Mr C. mounted on a horse, started for Huntingdon, but when about three quarters of a mile this side of Warm Springs, two men walking along the road suddenly seized his hands and demanded his money. Mr. C. called for help, whereupon the robbers seized him by the throat and after tearing his clothing considerably, succeeded in capturing the packages above mentioned together with $60.00 State and County tax and $15 00 from Mr C. own private purse. After securing their booty the highwaymen deliberately walked into the woods and disappeared. Mr. Colabine, upon reaching town bore unmistakable evidences of rough handling, his throat being quite blue and his clothing much torn The robbers were strangers, but as they were not masked or disguised, Mr. C. feels confident that he could recognize them upon sight.—*Huntingdon Monitor, 22nd inst.*

GOLDEN FOUNTAIN PEN.

Something new and novel. Be sure and read the advertisement in our paper, headed "Greatest Invention of the Age." We believe the Golden Fountain Pen is unsurpassed. A good pen is a necessity to every man, woman and child. Agents, here is a chance to make money in introducing a good and saleable article.

CORNS.—How, they sting, throb, ache, smart and burn, upon our feet. In vain we beg, and threaten, we curse, we flourish the sharpest knives above their heads, we burn, we cut, hack, hew and fell, and still the pesky corns remain a thing of misery.—Useless are entreaties, tears, curses, groans; nothing can remove our corns but Brigg's Alleviator and Curative, a sure cure for Corns, Bunions, Ingrowing Nails, and all ailments of the feet.

PILES!—Internal, External, Bleeding or Itching. This distressing and harrowing disease is alarming on the increase. More so, perhaps, from the fact that those who are afflicted with it are, from a false notion of delicacy, afraid to ask for a remedy, thereby making their condition known. How wrong and fatal is this neglect. At the first intimation of the appearance of this complaint they should procure Briggs' Unrivaled Pile Remedy, and, using it according to directions, immediately check it and permanently cure it. It is easy of application, and thorough in its effects.

HEADACHE, Neuralgia and Nervous Diseases.—The wonderful effects of Dr. Briggs' Allevantor, for the speedy cure of the above very prevalent and painful afflictions, is known to many thousands who have used it with the most unqualified success. In every case of the complaint above enumerated it has never failed to give immediate relief. Its effect is magical beyond precedent. One trial will convince the most skeptical. Each bottle making two quarts when diluted for use.

CONSUMPTION.—This fatal and dreaded disease can, and has been cured. Dr. J. Briggs' Throat and Lung Healer is a pleasent, agreeable and sure remedy for Coughs, Whooping Cough, Croup, Hoarseness, Bronchitis, Laryngitis, Sore Throat, Asthma, Consumption, and all diseases of the Throat, Lungs and Chest.

The above medicines are sold by BANKS & HAMLIN, Mifflintown, and by druggists generally.

DIED.

BARNARD—On the 16th inst., in Tuscarora township, Joseph Barnard, in the 63rd year of his age.

MUMMA—On the 23rd inst., near Mechanicsburg, Cumberland county, Pa., Mrs. Elizabeth, wife of Martin Mumma, and daughter of Enos Bergey, of Fermanagh township, this county, aged 21 years, 6 months and 12 days.

NEW 7-30 GOLD LOAN

OF THE

NORTHERN PACIFIC RAILROAD CO.

Secured by First Mortgage on Railroad and Land Grant.

SAFE! PROFITABLE! PERMANENT!

JAY COOKE & CO.

Offer for sale at par and accrued interest the First Mortgage Land Grant Gold Bonds of the Northern Pacific Railroad Company. They are free from United States Tax, and are issued of the following denominations: Coupons $100, $500, and $1,000; Registered $100, $500, $1,000, $5,000 and $10,000.

With the same entire confidence with which we commended Government bonds to Capitalists and people, we now, after the fullest investigation, recommend these Northern Pacific Railroad bonds to our friends and the general public.

GOLD PAYMENT.—Both principal and interest are payable in American gold coin, at the office of Jay Cooke & Co., New York City—the principal at the end of 30 years, and the interest (at the rate of seven and three-tenths per cent. per annum) half-yearly first of January and July

PERFECT SAFETY.—The bonds we are now selling, are secured by a first and only mortgage on all the property and rights of the Northern Pacific Railroad Company, which will embrace on the completion of the work:

1. Over Two Thousand Miles of Road, with rolling stock, buildings, and all other equipments.

2. Over Twenty-two Thousand Acres of Land to every mile of finished road. This agricultural, timbered and mineral, amounting in all to more than Fifty Million Acres, consists of alternate sections, reaching twenty to forty miles on each side of the track, and extending in a broad fertile belt from Wisconsin through the richest portion of Minnesota, Montana, Idaho, Oregon and Washington, to Puget Sound.

While the Government does not directly guarantee the bonds of the Road, it thus amply provides for their full and prompt payment by an unreserved grant of land, the most valuable ever conferred upon a great national improvement.

THE MORTGAGE.—The Trustees under the Mortgage, are Messrs. Jay Cooke of Philadelphia, and J. Edgar Thomson, President of the Pennsylvania Central Railroad Company. They will directly and permanently represent the interests of the First Mortgage bond holders, and are required to see that the *proceeds of land sales* are used in *purchasing and cancelling the bonds of the Company* if they can be bought before maturity at not more than 10 per cent. premium; otherwise the Trustees are to invest the proceeds of land sales in United States Bonds or Real Estate Mortgages for the further security of Northern Pacific bondholders. Also, that they have at all times in their control, as security, at leat 500 acres of average land to every $1,000 of outstanding first mortgage bonds, besides the railroad itself and all its equipments and franchise.

PROFITABLENESS.—Of course nothing can be safer than the bonds of the United States, but as the Government is no longer a borrower, and as the Nation's present work is not that of preserving its existence, but that of DEVELOPING A CONTINENT, we remind those who desire to increase their income and obtain a more permanent investment, while still having a perfectly reliable security, that:

United States 5-20's at their average premium yield the present purchaser less than 3½ per cent. gold interest. Should they be redeemed in five years, and specie payments be resumed, they would pay only 4½ per cent or if in three years only 3½ per cent. as the present premium would meanwhile be sunk.

Northern Pacific 7-30's selling at par in currency yield the investor 7 3-10 per cent. gold interest absolutely for thirty years, *free from all United States tax.* $1,100 currency invested now in United States 5-20's yield per year in gold, say 62,00. $1,100 currency invested now in the Northern Pacific 7-30's yield per year in gold, $80,30. Here is a difference *in annual income* of nearly *one-third*, besidias a difference of 7 to 10 per cent, in principles, when both classes of bonds are redeemed.

THE ROAD NOW BUILDING.—Work was begun in July last on the eastern portion of the line, and the money provied, by the sale to stockholders of some six millions of the Company's bonds, to build and equip the road from Lake Superior across Minnesota to the Red River of the North—233 miles.—The grading on this division is now well advanced, the iron is rapidly laid; several thousand men are at work on the line, and about the first of August next this important section of the road will be in full operation.—In the meantime orders have been sent to the Pacific coast for the commencement of the work on the western end in early Spring, and thereafter the work will be pushed, both eastward and westward, with as much speed as may be consistent with solidity and a wise economy.

RECEIVABLE FOR LANDS.—These bonds will be at all times, before maturity, receivable, at 110, in payment for the company's lands, at their lowest cash price.

BONDS EXCHANGEABLE.—The registered bonds can be exchanged at any time for coupons, the coupons for registered, and both these can be exchanged for others payable, principal and interest, at any of the principal financial centres of Europe, in the coin of the various European countries.

HOW TO GET THEM.—Your nearest Bank or Banker will supply these bonds in any desired amount, and of any needed denomination. Persons whishing to exchange stocks or other bonds for these, can do so with any of our agents, who will allow the highest current price for all marketable securities.

Those living in localities remote from banks, may send money, or other bonds, directly to us by express, and we wil send back Northern Pacific bonds at our own risk, and without cost to the investor. For further information, pamphlets, maps, etc., call on or address the undersigned, or any of the Banks or Bankers employed to sell this loan.
