GETTING RID OF TRAMPS.

An All Night Patrol Is the Method Tried at Taylor.

Special to the Scranton Tribune.

TAYLOR, Pa., Jan. 8.—An all night patrol of borough policemen was tried Saturday night as an antidote against the tramp nuisance. The idea originated with Chief Jermyn

For the past fortnight about forty tramps have been in nightly session near Minooka junction. It is supposed they are the ones guilty of breaking into the St. Joseph's church of Minooka and also Avoca's St. Mary's church and robbing each of its poor box. They were kept under close watch all day Sunday and today dispersed voluntarily.

Mr. Thos. Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results of which these are examples, that prove the wonderful efficacy of this medicine in Coughs and Colds. Free trial bottles at Matthews Bros., Drug store. LAWRENCE M'DONALD ARRESTED.

Talks Incoherently and His Clothes Contain Numerous Blood-stains.

Special to the Scranton Tribune.

HONESDALE, Jan. 8.—Lawrence McDonald was arrested by the Honesdale constable soon after 5 o'clock tonight, in an intoxicated condition. He was brought to Honesdale and locked up, charged with drunkenness, no one as yet daring to swear out a warrant charging him with murder. When interviewed by THE TRIBUNE reporter in jail he said he was 57 years old, had been born in Ireland, and that five years ago he brought his father to this country. His father has been out of his mind for six or seven years.

On Saturday night he was alone up stairs in the house with his father. His father fell down stairs and received injuries from which he died. He went out after a neighbor, Hollenback by name, who refused to go with him Returned to house alone; afterward went away after some cider and did not return until 9 o'clock the next morning. When questioned about his father, Lawrence seems nervous, glaring in the reporter's face, afterward dropping his head and mumbling an answer. When questioned about his father at one time he trembled like a leaf and answered almost fiercely. His outer flannel shirt and under shirt had been removed and an examination showed blood spots on his shirt, his right cuff being saturated on the under side. Clots on left shoulder had dropped or had been rubbed off, leaving the stain. The bosom of the shirt was smeared with blood on either side. The case looks bad against the prisoner, who must be released tomorrow unless more serious charges are preferred.

The coroner's jury met at Justice Snow's residence at 10 o'clock today. Drs. Burns and Peterson gave sworn testimony. Jury adjourned and met at 1 o'clock p. m., District Attorney Treadwell being present. The jury not coming to an agreement, adjourned to meet tomorrow morning at 10 o'clock.

Good and Reliable

Hood's Cured Malaria and Loss of Appetite.

The following letter is from a gentleman widely known in the section of Philadelphia where he lives, being a member of the I. O. O. F., Red Men, Order of Tonti, and the Republican Club, and a popular speaker in public meetings:

"I dare say that I am more glad in taking Hood's Sarsaparilla than its proprietors are in selling it. I took it for malaria and loss of appetite, and the fact that we have continued to use it in our family is sufficient evidence of our confidence in its efficacy. My food tastes better and relishes more naturally. My wife and daughter say Hood's Sarsaparilla has also very much improved my complexion. We regard it good and reliable, and recommend it to all of our friends." JAMES JOHNSON, 551 E. Indiana Ave., Philadelphia, Pa.
