hey start a pyrimidal stand
With bottles of Johann Hoff's brand.
A balancing feat they next will do,
These men know a thing or two---
Of the of Johann Hoff's Malt Extract.

One dozen bottles give as much strength and nourishment as a cask of ale, without being intoxicating.

Insist upon the GENUINE, which must have the signature of "Johann Hoff" on the neck label of every bottle.

None other is "as good."

### GLINTS FROM THE DIAMOND.

Quinn, of Pottsville, has been released.

Humphreys, of Pottsville, is still in the hospital.

Smith is the champion long-distance batter of the league.

Captain Hazen has given notice that he will not play again on the Hazleton field unless it is improved.

First Baseman John Tighe, of Pottsville, will not be able to work for some time, as he suffers a great deal with his shoulder.

Good accounts have arrived straight along since the season opened, of the work of Rothermel, the clever little short stop of the Hazletons. This is certainly gratifying in the Critic office, as Mr. Rothermel, who is a printer, worked with us at the case all winter.—Allentown Critic.

Clipped from Canada "Presbyterian," under signature of C. Blackett Robinson, Prop'r: I was cured of oft-recurring bilious headaches by Burdock Blood Bitters. **

### FISCATORIAL PARAGRAPHS.

Since May 1 it has been unlawful to catch carp. However, this doesn't matter much. Few persons care to catch them, notwithstanding the following eloquent defence by a Pottstown angler: "When you hear a man say there is no sport in fishing for carp, make up your mind he has never tried it. When you hook a good-sized specimen of this tribe of fish, settle yourself for about ten minutes' work; you'll have it gratis. The fun only begins when you make a grasp for the fish with your hand. If you miss it the first time get your bait ready for your hook again. If you succeed in your effort you will find you have landed a pretty fish, not wholesome until you have scalded, skinned, given a salt-water bath for twenty-four hours and then prepared."

* * *

Reports of illegal fishing for trout are received from Carbondale. It is said that one night last week two men are known to have driven to the creek between Clifford and Elkdale and to have exploded small sticks of dynamite. Next day many dead fish were found along the creek with their bladders burst by the concussion. An exemplary arrest would dampen this illegal ardor.

### GENERAL NEWS OF INDUSTRIES.

The circular prices of anthracite coal are being rigidly maintained, although there is very little business doing in the market. It is said that about all the current production is going into consumptive channels, the principal outlet being the west. Restriction continues as per agreement. Anthracite interests have not noted any pronounced influence on the trade due to the soft coal strike. Pea and buckwheat coals are in somewhat better demand at bigger prices, but this, in a measure, is attributed to the great scarcity of these sizes. Should the soft coal strike continue a week or ten days longer and present no prospect of an early termination, anthracite producers expect a good demand for broken and egg for steam purposes.

The Lehigh Valley Railroad company will make no default in its June interest payments. It has money enough already in hand to meet every accruing obligation promptly and fully.

* * *

Reading locomotives which recently abandoned anthracite fuel for bituminous have been forced to change back again on account of the bituminous miners' strike.

There is nothing like Dr. Thomas Eclectric Oil to quickly cure or relieve hoarseness. Written by Mrs. M. J. Fellows, Burr Oak, St. Joseph Co., Mich. **

### The Upholstered Mitten.

In the good old days when hearty boys
played ball
With rustic pleasure on the village lot;
They scorned to use a padded glove or
mask,
These rugged lads, with strong bare hands
they caught.
But now, a wonderous change behold!
Each urchin wears a padded glove; Then
all
With masks and pads and bolsters, they
make bold,
To play the game our fathers called base
ball. —*Wilkes-Barre Times.*

### DUNMORE DOINGS.

#### Happenings of a Day Reported in Crisp, Readable Paragraphs.

*Special to the Scranton Tribune.*

DUNMORE, PA., May 13.—A postponed meeting of the borough council was held Saturday night and bills, time sheets, etc., approved for the month of April and other matters of minor importance were transacted. The secretary was instructed to give residents on Willow, Walnut and Elm streets five days' notice to examine and approve of the profile for a new grade. A petition was presented by the residents on Jefferson avenue to grade said avenue between New York and Larch streets. On motion the petition was tabled indefinitely. An appropriation of $100 was made to abate the stagnant water nuisance on Prescott avenue. Another appropriation of $150 was made to place Oak street in a safe and passable condition. In grading Butler street it was found that the Paine property extended four and one-half feet farther front than the surrounding lots and the borough engineer was instructed to survey the property and examine deed and in doing so found the property extended four and one-half feet front and five and one-half rear farther than the dead called for. Mrs. Paine will be notified to move back her front fence within thirty days. An ordinance was presented by a proposed corporation called the Citizens Gas company for a franchise to furnish the borough with gas. Referred to the committee on ordinances. It was decided that the assistant borough engineer should receive $1 50 per day for services, notwithstanding Mr. Payton's argument that $2 25 per day was none too much for such labor. The electric light committee recommended that lights be placed at the corners of the following streets: Church and Drinker, Donegal and Galway, Third and William, Spring and Green. The recommendations were adopted and the light company instructed to erect the lights at once.

Miss Lizzie Heffers, of Forest City, called at Mrs. P. J. McHale's yesterday.

Mr. and Mrs. J. Farnham, of Brooklyn, are the guests of Mr. and Mrs. J. E. Swift.

The social to be held under the auspices of Young Men's Institute, No. 219, promises to be a highly enjoyable affair and several hundred invitations have been issued. The event will occur at the Odd Fellow's hall on Tuesday evening, May 29.

"A Trip Through Ireland" will be the subject of S. G. Kerr's lecture, which is to be delivered at the Temperance hall on Friday evening, May 18.

A lively tilt between Tax Collector Boland and Councilman Payton occurred at the council meeting Saturday night. The cause of the disagreement was Mr. Payton's suggestion that Mr. Boland make a settlement for the years of 1892 and 1893, and that Secretary Savage hold the duplicate until such settlement was made. Mr. Boland took exception to Mr. Payton's remarks and a wordy war was the result.

Misses Lizzie and Prue Easterline, of Wilkes-Barre, visited at the home of Mr. and Mr. Jacob Easterline last week.

Mrs. Connelly and Mrs. Faulkenbury, of Hyde Park, visited at the home of L. Tyler Connelly on Saturday.

Rev. J. W. Williams spent Sunday at Binghamton.

## FINANCIAL AND COMMERCIAL.

### Stocks and Bonds.

NEW YORK, May 12.—The market at the Stock exchange today was a tame affair. Chicago Gas was the only feature among the prominent issues and rose 1%. The next active stock, American Sugar, figured very lightly, only 7,900 shares changing hands. Sugar first advanced ⅞ to 106⅞, then declined to 105⅝ and closed at 106⅜. The other Industrials were quiet and firm.

In the railway list St. Paul moved up to 61⅝, Rock Island to 69¾ and Burlington to 79⅛. Trading was of the usual half holiday character, and only 69,500 shares changed hands. Net changes show gains of ½ to 1 per cent.

MRS. LEWIS.

*Gentlemen*—I cannot tell you how my wife has improved since she began the use of your "Favorite Prescription," coupled with "G. M. D." She has no more trouble with falling of the womb, and she never feels any pain unless she stands too long. She has no bearing-down pains since she begun the use of your remedies. She does nearly all of her own housework now, but before she commenced taking your remedies, she could hardly walk across the room.

I do not know how to thank you for all the good your remedies have done her, for the best doctors had given her case up as incurable.

Yours truly,
ALFRED LEWIS.
