June 11th, Children's Day exercise.

Stolen Goods Recovered.

More or less thieving has been done around Waynesboro, Pa., for some time past, the last haul being made from the Morganthal Garage of that place last week. By knowing the number of a certain auto license, the thieves were located at Eldenburg, Md., 13 miles west of Baltimore. The property taken from the garage and considerable other material was recovered but the thieves made good their escape. John and Sam Toms, old criminals of Waynesboro section, are said to be the guilty parties.

Paramount Pictures at Town Hall.

SATURDAY, MAY 13TH,

Jesse L Lasky presents Edgar Selwyn in

"THE ARAB."

"The Arab," in the picturization of which Edgar Selwyn makes his first photodramatic appearance under the management of the Jesse L. Lasky Feature Play Co., is founded on the play of the same name by Mr. Selwyn himself in which this distinguished star-author-manager made one of his greatest New York personal hits.

"The Arab" has its scenes laid in Syria and is the extraordinary love story of Jamil, the daring son of a desert Sheik, and Mary Hilbert, the daughter of an American missionary, who is loved not only by the bold desert Prince but by the evil Turkish Governor of the district. The main events of the drama centre around a wholesale Christian massacre which has been ordered by the Sultan and from which Jamil saves Mary and her father as well as the pupils of their school. Even though he is suspected by Mary, he invades the very palace of the Covernor and saves her from a fate worse to a Western woman than death itself.

WEDNESDAY, MAY 17TH,

Famous Players–Charles Frohman Co. presents John Barrymore in

"THE DICTATOR."

Continuing its policy, so amply established in the past, of producing only the more noted dramatic and literary successes of the day, the Famous Players Film Co. presents as the latest Paramount release John Barrymore, the most refined comedian on the screen, in a photo-adaption of the celebrated adventurous romance, "The Dictator," by Richard Harding Davis.

The central character of the famous comedy-drama is Brooke Travers, a young American who is forced by existing and exciting circumstances to become temporarily the Dictator of a small republic in South America, and who in doing so becomes the hero of many momentous situations, some comic and some very serious indeed, from all of which he emerges the victor, through the aid of his clever wit and never-failing audacity, and is finally rescued by a kinely fate in the substantial guise of an American battleship.

A Symbol of Health.

The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets, and still fulfils its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford. Obtainable everywhere.

Advertisement.

Water Main Breaks.

Escaping Water Forms Beautiful Fountain.

Last Saturday morning a break occurred in the pipe line which brings water from High Run reservoir to Thurmont.

The break, however, was not serious enough to stop the flow of water through the entire system, but the water forced through the crevice formed a sort of a fountain, it rising in the air about 20 feet, and in falling came down on the bridge and in the stream at the edge of town.

The water main broke about a foot from the wingwall on the southeast corner of the State Road bridge, and it is thought was caused by the setting of the wingwall through which it passes, the concrete being poured solid around the pipe.

All day Saturday and Sunday the water gushed high in the air and attracted the attention of many citizens of the town and also of hundred of autoists who traveled the State Road. Early Monday morning Mr. James T. Waesche, superintendent of the Water Company, and a number of men began repairing the break. While the repair work was being done Thurmont was without water.

To Guard Key Anthem.

An ordinance emanating from the Society of the Sons of the American Revolution and which provides for the paying of the deference due to "The Star-Spangled Banner" was introduced in the Second Branch of the City Council, Baltimore, Monday afternoon by Duke Bond, of the Third district. The ordinance makes it a misdemeanor for any band, orchestra or individual to play "The Star-Spangled Banner," except as an entire number and without variations or embellishment of any kind. If the ordinance is adopted, it will be unlawful to play the anthem as a part of a medley of patriotic or other airs or for dancing or as an exit march.

It will also be required that wherever practicable musicians, performers or other persons shall stand while "The Star-Spangled Banner" is being played, sung or rendered the penalty for the violation of the ordinance being fixed at not more than $100. The ordinance was referred to the Committee on Police and Jail, of which John J. Mahon is the Second Branch chairman.

Stepped On Rake.

Shoes to the small boy at this time of year is sort of a nuisance and the sooner Ma says "take em off," the better pleased is the boy. Last Monday little Henry Foreman's shoes became quite a burden but he was cautioned not to go barefooted. Down by the creek where the water main was being repaired Henry wandered. The temptation to wade was too strong for him and off came the shoes. Soon thereafter he accidentally fell in the water and then stepped on a rake which was being used by the workmen, one tooth passing almost through the right foot just back of the toes.

Comic Opera.

On May 18th and 19th there will be given in the Opera House in Frederick a comic opera entitled "Papa's Daughters." The performance is for the benefit of the Frederick County Free Library, and the object merits the support of all interested in the Library, which is for the use of everyone in the county. Local talent is being trained by a professional stage manager and promises to be very well presented. Tickets for sale in Thurmont by Mrs. C. C. Waters and Mrs. J. P. T. Mathias. The 10.10 car on the H. & F. railroad will be held until after the performance.

Personal.

Mrs. E. B. Sefton and children, Donald and Elizabeth, are visiting in Reading, Pa., this week. They were taken as far as Columbia, Sunday, by Dr. Sefton. Next Saturday Dr. Sefton will motor to Reading and bring his family home.

Mrs. Carl Cassell and daughter, Julia, of York, Pa., visited in Thurmont the past week.

Mrs. John Greer, of Baltimore, spent Sunday with Senator and Mrs. John P. T. Mathias.

Hear Splendid Sermon.

On Sunday afternoon last about ninety members of Good Samaritan Lodge, I. O. O. F., attended services at the United Brethren church, Rev. Paul E. Holdcraft, a member of the lodge and pastor of the church, preaching an elegant sermon, his text being, "Quit You Like Men." Rev. W. C. Waltemyer, pastor of St. John's Lutheran church, and a member of Butler, Pa., lodge of Odd Fellows assisted in the service.

FORD'S GRAND OPERA HOUSE.

Week of May 15th, the Aborn English Grand Opera Company. May 15th, 16th and 17th, Flotow's melodious

MARTHA.

May 18th, 19th and 20th, Gounod's impressive

FAUST.

The Aborn English Grand Opera Company will mark their third brilliant week at Ford's by a delightful rendering of two nothble Grand Operas—Flotow's melodious and sparkling "Martha," which will be sung the first half of the week with superb presentation, and Gounod's "Faust" during the latter half.

The fascinating melody of "Martha," with its vivacity and spirited action, is fortunate in its book with its romantic plot and charm of dramatic situations.

Gounod's masterpiece of melodic magnetism, "Faust" will finish a delightful week of charming music. The story of "Faust" is founded on Goethe's widely read and familiar poem. The characterization of "Faust" will include leading members of the great Aborn Company selected with great care.

Prices—Evenings and Saturday matinee, 25c, 50c, 75c and $1.00. Wednesday matinee, 25c, 50c, 75c.

County High School Commencements.

Large Number of Boys and Girls Will Receive Diplomas.

The largest number of graduates to be turned out in a single year, will be graduated from six Frederick county high schools in June, School officials Monday afternoon estimated that approximately 93 girls and boys would receive diplomas during the early part of June.

From the two Frederick schools it is expected that about 60 students will be graduated, one less than was turned out last June. The membership of the two classes of the Boys' and Girls' high school is 64, but it was announced Monday that it was undecided as to whom would be the graduates from the Bops' high school.

Frederick county last year graduated a total of 76 students. This year's roster shows an increase of about 17.

Of the above 93 the Thurmont High School claims eight, four of whom have taken the Academic and four the Commercial courses.

Commencement exercises will begin at Thurmont Sunday, June 4th, Dr. P E. Heimer, pastor of the Reformed church, preaching the baccalaureate sermon on that date. Class day exercises will be held on Monday, June 5th; Alumni banquet June 7th; Commencement June 9th, and the Senior Class play June 10th.

Commencement exercises of the Frederick High Schools will be held in the City Opera House Wednesday, June 7th, and Middletown and Brunswick ou the same date. New Market has but one graduate. A literary entertainment will be held at that place June 2nd.

T. H. S. Wins Two.

Lively Games Played Here The Past Week.

The Thurmont High School baseball team, composed entirely of students of the school, struck a winning streak the past week and pulled in two victories.

Wednesday of last week a very good game was played here, the Middletown High School club being the visitors and also the victim.

On Tuesday afternoon a team composed of players from Emmitsburg and Mt. St. Mary's crossed bats with the local school boys. For a time it looked as though the game was taking flight homeward with the mountain boys, but the locals rallied and after tying the score the second time won out in the ninth, the score being 9–11.

The yongsters composing the Thurmont Club, with one exception, are all new at the game, but play very well for beginners. The score is as follows:

T. H. S .....0 2 0 1 0 0 2 2 4—11
Emmitsburg .....4 0 0 0 2 0 1 0 2— 9

Batteries—T.H.S.—Rice, Freeze and Freeze; Emmitsburg, Scott, Rosensteel, Warthen, Donohue, and Walters and Kreitz.

Summer Courses For Teachers.

The Summer Courses for teachers which have been given for the past five years by the Johns Hopkins University will be continued this summer. The session opens on Wednesday, July 5, and closes Tuesday, August 15th.

This work was begun at the urgent request of the school superintendents of our State, and has been developed under their cooperation in order to provide at home ample opportunities for special study by Maryland school officers and teachers.

Teachers who are desirous of working for the new degree of Bachelor of Science which is open to men and women, will have an opportunity to utilize the Summer Courses towards the realization of this purpose.

Big Meet at Tome.

The Tome School will hold its Tenth Annual Track and Field Meet this year on Saturday, May 20th. This Meet which has been called the "Southern Interscholastics" is without a doubt the most important Meet of its kind held in Maryland and the change of date to the 20th provides a fitting occasion for the Maryland boys to close their athletic senson. Tome has every facility for the stageing of a Meet of this kind. The track is one of the fastest in the country, there is ample seating capacity for several thousand and the whole campus lends a fitting background for a gala day of this kind.

Mountain Lake Park Bible Conference.

The Bible conference at Mountain Lake Park, Maryland, will again this year be conducted by the Moody Bible Institute of Chicago under the able leadership of the Rev. James M. Gray, D. D. The dates are August 13–20. Because of the unusual success of the conference last year, the request was unanimous that the Institute again have charge of it. The program which will be announced later will offer many of the best known Bible teachers and preachers of the country.

Observe The Sabbath Day.

The Union Meeting scheduled to be held in St. John's Lutheran church Sunday was somewhat marred by rain which fell from early morning until about nine o'clock. However, the church was well filled with people who wished to hear Drs. W. W. Davis and Howard Kelly discuss matters pertaining to the Proper Observance of the Sabbath Day.

These gentlemen are representatives of the Lord's Day Alliance, an organization that has done much in the way of cleaning up Baltimore so far as vice is concerned. Owing to the rain the speakers arrived about 15 minutes late.

The gentlemen were introduced by Senator John P. T. Mathias.
