WOMEN DIRECTORS' PLAYGROUND PLANS

Forms of Children's Games and Types of Apparatus Discussed at Meeting.

The women directors of the public playgrounds of the city met yesterday afternoon in the rooms of the public playgrounds committee, in the Ouray building, and discussed matters of administration, connected with their work for the summer months. The padegogic aspects of the situation were gone into at length.

A special effort will be made to secure the co-operation of the children using the playgrounds to the end that the best of feeling may be maintained and the best results secured. It was determined to issue various types of footballs to the playgrounds and to study the results of play with each. Supplies of worsteds and raffia for the industrial work were issued to the directors.

TIMELY BATTING WINS FOR THE METCALFITES

Timely batting and fast fielding at the crucial stages enabled Commerce and Labor to nose out a victory over the Postoffice team yesterday afternoon by 6 to 5. Kinney's slab work and Torney's clever work at short provided the features. The score:

NOTES OF THE GAME.

The Postoffice outfit, to its disadvantage, was somewhat crippled. Several changes in the team's make-up were made during the game.

Bacon fattened his batting average considerably, making three clean hits off Kinney.

Besides his fast work at short, Torney stole three bases on Stevenson.

At the close of the game Adams relinquished his captaincy of the Postoffice team. Bacon was elected to succeed him.

HEAVY BATTING WINS AGAIN FOR CALVARY

The leaders in the Church League race had little trouble defeating Metropolitan yesterday by 10 to 5, in an old time slugging bee.

Taylor and Clear as usual knocked the ball all over the lot, the former landing for three singles and a double and the latter for a triplet of singles. In the third, with the score 5 to 1, the Mets pounded Koehler hard and after the result stood even he was retired in favor of Symanoski, who held his rivals safe for the remainder of the game. ST. STEPHEN'S SHOWS REVERSAL OF FORM

St. Stephen's Institute showed some of its last season's form yesterday when the champions defeated Arlington by 6 to 1 in a fast and interesting game. Wall, who was on the firing line for the winners, did the remarkable stunt of allowing but one hit. Errors were free on both sides. The score:

ACCEPT GLOVER'S OFFER TO DEDICATE 11 ACRES

In order to carry out the extension of Massachusetts avenue from Wisconsin avenue to Nebraska avenue, for which $25,000 was appropriated at the last session of Congress, the District Commissioners will accept Charles C. Glover's offer to dedicate eleven acres of land, through which the extension must run.

The gift of the land, which is estimated to be worth $1,000 an acre, will relieve the Commissioners of the necessity of entering condemnation proceedings as far as that part of the avenue extension is concerned, but to complete the extension an appropriation in addition to the one of $25,000 will be required. This will be asked, Engineer Commissioner Biddle states, at the next session of Congress.

It is not likely that the condemnation proceedings will be undertaken until early next fall.

HOLY NAME DEFEATED BY ST. PATRICK CROWD

St. Patrick defeated Holy Name yesterday afternoon in the Marquette League by 5 to 3, because of the poor support given Daly, who held his opponents down to six hits. Cook and Cassassa were there with the ready willow with two hits apiece. The score:

REGULAR FAMILY DAY AT RIVER VIEW RESORT

The first of the regular family day trips of the season to River View will be made tomorrow, and many parents will give their little ones a day's outing where they can run about and play to their heart's content and no one will stop them if they make a noise. The grass is green at River View, and the big trees make a thick, cool shade; the breeze from over the river is most pleasant on a hot day, and River View is an ideal place to take the children for a day's outing.

Music and dancing all day and evening will be a feature of the day, and the caroussel, and all the other amusements of the resort will be ready to give pleasure. The new steamer Queen Anne is a roomy and comfortable craft on which to take an excursion on the river.

On the family day trips, at 10 a. m. and 2:30 p. m. Saturdays, the fare is but 10 cents for the round trip. The steamer Queen Anne will make another of those pleasant Indian Head trips tonight. Those who wish can go to the View at 10 a. m. or 2:30 p. m., spend several hours pleasantly at the View, and when the steamer comes down on the evening trip, leaving this city at 6:45, they can board the steamer when she stops at River View and enjoy the sail down the river. On these trips the steamer reaches home about 11:30 p. m. The Queen Anne stops at River View both going down the river and returning from these Indian Head trips. Indian Head trips will also be made Sunday evening.
