Suburban Property.
For Sale.

Why Should You Get a Home Now
(1) Each year it costs more to build. (2) Lots are getting scarcer. (3) To save rent. (4) To profit by increasing values.
WITH MY PLAN YOU RUN NO RISK.
For example: My sample, 6-room slate roof house is reduced to $2,425. Now you pay down only $100, then $22 each month to cover principal and ALL interest. If you are ill there is nothing to pay; if you can pay more you can do so at any time and save interest.
I have a few houses just being completed that I can dispose of, with very large lots, within ONE car fare on these extraordinary terms.
