NEW ERA IS HERE, ASSERTS DOLLIVER

"There will never be another Aldrich. The end of the old regime of individual domination is here."

This was the epigramic comment today of Senator J. P. Dolliver of Iowa, one of the leading Republican progressives, on the passing of Senators Aldrich and Hale from the upper legislative body of the country.

"There will never be another 'Senate leader,'" he continued. "The plan is obsolite. It is the time for individualities; the epoch of one man leadership is passed. It is a hint that the definition uttered by a very distinguished person some months ago, that the progressive movement was an internicine squabble in the Mississippi valley, has gone wide of the truth."
