The Wimborsboro Drug Store is out to-day with a new advertisement. This firm believes in the free use of printer's ink, and are meeting with deserved success.

We read an article in one of Scribner's Magazines on the "building of a railway" by Thomas Curtis Clark in which he states that statistics show "that every dollar spent in the building of railroads adds ten to the value of land and other property."

THE PRIZE WINNER.—At the beginning of last spring we offered a prize of one year's subscription to THE NEWS and HERALD to the person bringing us the largest watermelon.

There was a large crowd in town on Monday (yesterday). Neither the Clerk or Sheriff had any land to sell. One tract of land in the New Hope section of the county sold to settle an estate, brought \$12 per acre at public outcry.

When she was sick, we gave her Castoria. When she was a child, she cried for Castoria. When she became a Miss, she clung to Castoria. When she had children, she gave them Castoria.

DEATH OF MISS BELLE H. DAVIS.

Miss Belle H. Davis, daughter of the late Col. Henry C. Davis and Mrs. Belle H. Davis, of Ridgeway, S. C., died on Thursday evening the 29th instant in Columbia of gastric fever.

One of the most important items in estimating the probable success of an enterprise like the one proposed is a supply of the vegetables to be canned.

Miss Davis was a member of the Episcopal Church and adorned her profession with the graces of a Christian life; the cultivation and refinement that such a life gives clothed her in the beautiful robes of loveliness and charity.

The above ideas are published for the purpose of directing attention to the subject matter now while it is early in the season.

We hope our people will think about the matter and let the suggestion materialize into a successful enterprise.

A spring medicine is needed by everyone. Winter food, largely consisting of salt meat and animal fats, causes the liver to become disordered and the blood impure.

FEASTERTVILLE ITEMS. Messrs. Editors: We have had a quantity of rain recently, which has tended to impede the progress of field work among the farmers.

DEVELOPING THE SOUTH. The Work of a Great Combination of Southern Developers. We are indebted to the Abbeville Press and Banner for the following:

Attention has recently been directed to the South on account of the Southern Inter-State Immigration Convention which convened in the city of Asheville, N. C., on the 17th of last December.

That convention was composed of more than eight hundred prominent Southern business men. An important part of the business of the convention was the unanimous adoption of a resolution asking for five hundred thousand dollars to come South during the next twelve months, and make their homes with the native people.

What Does It Mean? "100 Doses One Dollar" means simply that Hood's Sarsaparilla is the most economical medicine to buy, because it gives more for the money than any other preparation.

THE SOUTH CAROLINA LAND DEVELOPMENT SYNDICATE, LIMITED. A syndicate of English capitalists have organized themselves into a company, under the above name and style, registered with limited liability under the laws of Great Britain for the purpose of acquiring and developing the well known water power privileges of the middle Catawba falls situate at the junction of Fishing Creek with the Catawba River.

A Graduate of Medicine. Being a graduate of a Medical College, I am of course prejudiced against all secret proprietary medicines, but I am compelled to say, after being cured of a violent case of inflammatory Rheumatism, that S. S. S. is the remedy for that disease.

For Over Fifty Years. Mrs. Winslow's SOOTHING SYRUP has been used for fifty years for the relief of children of all ages suffering with colic, whooping cough, and all the ailments of infancy.

Walter Bridges, Adams, Tenn., writes: "For six years I had been afflicted with running sores and an enlargement of the bones in my leg. I tried everything I heard of without any permanent benefit until I obtained Blood Balm, was recommended to me. After using six bottles the sores healed, and I am now in better health than I have ever been. I send this testimonial unsolicited, because I want others to be benefited."

CASTORIA for Infants and Children. Castoria cures Croup, Constipation, Whooping Cough, Sore Throat, Teething Troubles, Kills Worms, gives sleep, and promotes digestion. Without injurious medication.

"Castoria is so well adapted to children that I recommend it as a substitute for any prescription known to me." A. A. A. M. D., 111 So. Oxford St., Brooklyn, N. Y.
