ARE you prepared for the spring chick time? You should know just what to do to raise every chick that is hatched. Start the baby chick on STAR-CHIC-A, and you will put them on their feet and keep them there. STAR-CHIC-A is an insurance for your baby chicks. The STAR-LICE POWDER is fine for keeping hens and baby chicks free from lice. If your chicks have the diarrhoea, give them the STAR WHITE DIARRHOEA TABLETS and you will prevent and cure them. When chicks have the gapes, use the STAR-GAPE POWDER. A handy preparation to have around is STAREOLA, the STAR disinfectant and deodorant. These goods are for sale by all dealers.
