MEDICAL.

DR. J. E. SMITH,

No. 1404 CHAPLINE STREET,
Near Fourteenth Street.

The best evidence of a physician's success is the testimony of his patients. The increasing demands for my professional services prove that I have dealt honorably and fairly with those who have consulted me. I never use a patient's name without permission, though I have many hundred certificates from those whom I have cured after they had been pronounced incurable. A thorough medical education, with many years hospital experience and familiarity with therapeutic agents, a close observance of temperamental peculiarities and strict attention to hygienic management insures success, cure is possible, and I frankly give the patient my opinion.

TRADE MARK.

CAUTION.

Swift's Specific is entirely a vegetable preparation, and should not be confounded with the various nostrums, institutions, non-secret humbugs, "Success Advertisers," etc., etc., which are now being manufactured by various persons. None of these contain a single article which enters into the composition of S. S. S. There is only one Swift's Specific, and there is nothing in the world like it. To prevent disappointment, be sure to get the genuine.

Swift's Specific is a complete antidote to Blood Taint, Blood Poison, Malarial Poison and Skin Humor. J. DICKSON SMITH, M. D., Atlanta, Ga.

I have had remarkable success with Swift's Specific in the treatment of Blood and Skin Diseases, and in remale Diseases. I took it myself for Carbuncles with happy effect. E. O. C. OSBY, M. D., Atlanta, Ga.

I used Swift's Specific on my little daughter, who was afflicted with some Blood Poison, which had resisted all kinds of treatment. The specific relieved her permanently, and I shall use it in my practice. W. E. BOOTH, M. D., Cypress Bridge, Ark.

In 1880 I came from the North to take charge of the gas works in Rome, as superintendent, and after the overflow, which occurred in the spring following, I was very much exposed to malarial poison, and in consequence my blood became contaminated with the poison that I was forced to give up business. I was treated by the physicians without relief.

My trouble finally determined in an abscess on the liver, and nearly every one (myself included) thought I was doomed to die within a few days. In this condition I was advised by a friend to take Swift's Specific, and I took it just as a drowning man would catch at a straw, but as soon as my system got under the influence of the remedy, the abscess came to a point and burst, passing off with great pain. In fifteen days after this I was up at my work, and I have since enjoyed excellent health.

Every sufferer from malarial poison should take Swift's Specific. G. W. SPENCER, Sup't Rome Gas Light Company.

MEDICAL.

PE-RU-NA

Is a new remedy, originally compounded and introduced to the medical profession, and then to the public at large, by S. B. Hartman, M. D. He has prescribed it to over 40,000 patients with the most gratifying results.

As a tonic it has no equal. Its effect upon the system is entirely unlike that of any other remedy, and is the only medicine needed in almost every disease to which flesh is heir. (In Constipation, Diseases of the Liver and Kidneys, MANALIN should be given with it, PERUNA is composed of purely vegetable ingredients, each one, according to medical authors, a great remedy in itself.

Dr. Hartman has succeeded in extracting and combining the active principles of these ingredients into one simple compound, which perfectly coincides with the Via Medicatrix Naturæ in every disease, and a cure necessarily follows. If there is not an organ it will not reach nor a disease it will not cure.

Ask your druggist for Dr. Hartman's pamphlet on the "Wheel of Life." Dr. S. B. Hartman & Co., Osborn, O., proprietors.

TUTT'S PILLS

TORPID BOWELS, DISORDERED LIVER and MALARIA.

From these sources arise three-fourths the diseases of the human race. The symptoms indicate their existence: Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, A feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Dots before the eyes, highly colored Urine, CONSTIPATION, and demand the use of a remedy that acts directly on the Liver. As a Liver medicine TUTT'S PILLS have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three "scavengers of the system," producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. TUTT'S PILLS cause no nausea or griping nor interfere with daily work and are a perfect

ANTIDOTE TO MALARIA.

To Dyspeptics.

The most common signs of Dyspepsia, or Indigestion, are an oppression at the stomach, nausea, flatulency, water-brash, heart-burn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer untold miseries, bodily and mental. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure.

AYER'S PILLS are sugar-coated and purely vegetable—a pleasant, entirely safe, and reliable medicine for the cure of all disorders of the stomach and bowels. They are the best of all purgatives for family use.

THE LAND OF AULD LANG SYNE.

[On the anniversary of the birthday of Robert Burns, January 25, 1759.]

LOQUITUR—*An old Scottish Soldier, at Darjeeling, India.*

Gude faith, my lads, I wadna gie a bawbee for a sang
That wadna tak' me ower the sea wheur I may niver gang,
And gie me back the bluid o' youth, the heart, and hopefu' mind,
Amid the wild enchantments o' the land of Auld Lang Syne!

When a' the warl' before me lay a straight and open road,
And I could rin and trip and dance, beneath a sark mon's load:
Fame's fiery cup I did quaff—the dewy cress was brighter i' the ditch,
And wi' a haggis i' the pat I was aboon the rich!

When light o' foot and lang o' limb, amang the mountain rocks,
I bounded wi' the antlered stag, and skeipit wi' the fox;
Or, perched upon Ben Lomond's height, I lilted lang and loud,
To cheer the upward soarin' lark beneath me i' the cloud!

When strong o' heart and fu' o' faith, wi' Jeanie by my side,
I warkit free the dawn till dusk, wi' pleasure and wi' pride;
I was a king and she a queen aboon our happy hearth,
Until—the Lord forgie my tears!—Heaven went wi' her frae earth!

Hout, mon! this wett across my brow—it is a sabre scar;
And this ana' stump—I tint my leg i' the Crimean war:
But thee were wounds o' little weight that couldna sink within;
The saurest cuts and stabs are thae that niver break the skin!

Noo, gie me lads, a cantie sang o' Scotland's rugged charms,
And let me close my bluidshot een and sink in Jeanie's arms;
And what I hae o' this warl's gear that I can title mine
I'll share wi' ye as brithers i' the Land of Auld Lang Syne!

A THRIVING VILLAGE.

Interesting Notes from an Interior Town. A Successful Festival.

To the Editor of the Intelligencer.

SIR:—Situated twelve miles from Fairmont, the county seat of Marion, six miles from Farmington, the nearest point to the railroad, and on the waters of Paw-Paw is the beautiful little village of Fairview. Surrounded by a fine farming and grazing country, with a good class of go-ahead citizens and withal most ever facility for a manufacturing town, she has for nearly three quarters of a century been as a hidden treasure from the world.

The Yonsts were the first pioneers. The McMasters, Barkers, Conaways and Connellys were among the first to locate and to advance civilization in this fertile valley. There are others who came later who go a great ways to make up the enterprising portion of our village. We have three first class general merchants, one boot and shoe store, one grocery, two first class flouring mills, steam power, each having three run of burrs, two stationary sawmills, one planing mill, one tannery, one furniture and undertaker shop, two daguerreotype rooms, one silversmith, one smith shop, one wagon shop, carpenter shop, two licensed hotels, one barber shop, one two-story school building, employing two teachers, two church buildings, one Methodist and one Baptist, and one physician. You can comprehend by this last that we have a healthy climate and a vigorous progeny.

The hills are underlaid with vast coal fields, easy to mine, and therefore a cheap fuel. Land is reasonably cheap. Real estate, both in farms and town lots, can be had at such low figures that no industrious person need be without a home of his own. We have good markets and good roads. We have a clay pike to the county seat. We are, through the enterprise of the citizens of this place, Fairmont and along the route, about in complete and direct communication with the outside world by a telephone line from this place to Fairmont.

In speaking of the generosity of our citizens, I make mention of an incident that occurred at this place on Christmas eve. Two weeks preceding that time the Baptist Church Sunday School announced that they would give a free, public Christmas tree entertainment, and in order to pay expenses, a contest was given to three merchants of the place for a gold-headed cane, at 25 cents a vote, and a contest between three young misses for a picture album. The first three candidates returned $288 75; the three young ladies secured $33 54, making a total of $322 29. After the expenses and past indebtedness were paid there was left in the school fund $263. The entertainment was well conducted, and long to be remembered by those present, and in behalf of the Sunday School we extend to one and all who assisted in the work our grateful thanks. In looking over the names of the voters I find a number of Wheelingites who contributed liberally, and also, some of the first citizens of our neighboring towns. J. N. CONELY, Sup't Baptist Sunday School.

A Family Reunion.

To the Editor of the Intelligencer.

SIR: On Friday, January 18, at the residence of B. L. Rodgers, West Liberty, there was a reunion of brothers and sisters and intimate friends of the family. The day was pleasant and the sleighing fine. About 10 o'clock the sleighs began to arrive laden with guests, and soon all were seated about a big, blazing fire. The smiling faces told that the occasion was an enjoyable one. Among the invited guests were James Rodgers and wife, John Rodgers and wife, Samuel Rodgers and wife, and James McCammon and wife, all of Potomac; Wm Rodgers and wife, of West Alexander; Nicholas Rodgers and wife, of Warren county, Illinois; Isaac Rodgers and wife, Miss Jennie Rodgers, and John Goudy, all of Marshall county; Mrs. M. F. McAdoo, of Dunsford, Washington county, Pa; John G. Sayres and wife, Miss Eliza Bowman, Rev. J. J. Graham and wife, and Rev. M. F. Dryden and wife, all of West Liberty.

The family was well represented. There are nine children living, and eight of them were present. The mother has been dead about twelve years and the father died about a year ago.

At 1 o'clock the dining room doors were brown open, and the guests gathered about the table, which was laden with everything good, served up in the best style.

After dinner the company was conducted to the parlor and entertained by music, after which Rev. Graham addressed the company in appropriate remarks, at the conclusion of which they were led in prayer by Rev. Dryden. Remarks were then made Mr. Isaac Rodgers and Mr. Wm Rodgers. The parting hymn was sung, the good-bye was given, and the guests departed for their respective homes.

Pierpont for Governor.

To the Editor of the Intelligencer.

SIR:—Ex Gov. F. H. Pierpont should be the man to head our State ticket in 1884. With the old war Governor at the helm the boys in blue will come to the front as they did in '61. He ought to be honored above all the men of West Virginia, for he is the father of the State. How can the young men of our State, who have been educated under our free school system of which Governor F. H. Pierpont is the father, vote for moesback Democrats and use their influence in still fanning the flames of slavery? We believe with such a man as the ex Governor at the head of the ticket the moesbacks will have to go, and West Virginia will be redeemed from bad laws and tyrannical rule. Something must be done or the farmers will be sold body and breches for taxes. A FARMER.

The Electric Light in State Politics.

Hancock County Courier.

In the "Whispering Gallery" of the INTELLIGENCER we find the following: "Has anybody told you that State Senator Done hoo will make a bold jump for the Attorney Generalship?" Yes, sir. And he'll jump right into it, so you needn't bring out any of your electric-light-headed candidates.

Afterwards.

After a patient has been dosed with corrosive sublimate until his teeth are loose, his mouth sore, his hair all gone, his limbs all drawn with rheumatism, he is put on Iodide of Potash, one of the strongest mineral preparations in the whole list. This soon takes away the little appetite left him by the mercury—disorders his stomach, causes pain in the bowels, nauseas, dries up the gastric juices, and food is rejected, wastes him away to a skeleton, and he is soon a subject for the undertaker. To all such Swift's Specific is a boon—worth more than its weight in diamonds. It builds up the waste, roots out these mineral poisons, and brings health and happiness. DR. C. McLANE'S
Celebrated Liver Pills

In offering to the public Dr. C. McLane's Celebrated Liver Pills, as a remedy for Liver and Bilious Complaints, we presume no apology will be needed. The great prevalence of Liver Complaint and Bilious Disease of all kinds throughout the United States, and particularly in the West and South, where, in the majority of cases, the patient is not within the reach of a regular physician, requires that some remedy should be provided that would not in the least impair the constitution, and yet be safe and effectual. That such is the character of Dr. C. McLane's Liver Pills, there can be no doubt. The great success which has invariably attended their use, will, we think, be sufficient to convince the most incredulous. It has been our sincere wish that these Pills should be fairly tested, and stand or fail by the effects produced. That they have been so tested and that the result has been in every respect favorable, we call tens of thousands to witness who have experienced their beneficial effects.

DR. C. McLANE'S LIVER PILLS are not held forth or recommended, (like most of the popular medicines of the day), as universal cure-alls, but simply as a specific for Liver Complaints, and those symptoms connected with a deranged state of that organ.

MEDICAL.

The Doctor's Mistake.

One of the old mistakes of the profession was to think that there were no other ways of curing disease except those which had been handed down from former times.

It is not to be denied that the Doctors have done great things for the world. But when it comes right down to the real curing of disease, it must be admitted that Brown's Iron Bitters has done enough to earn the generous gratitude of this whole present generation, including the medical profession. There are no mysteries or secrets about the compounding of Brown's Iron Bitters. This preparation of iron is the only preparation which will not injure teeth or stomach. In this it is beyond comparison better than the other preparations, which are mischievous and injurious.

You need not fear a mistake in trying Brown's Iron Bitters. Your druggist has it. It gives vigor to the feeble, and new life to the dyspeptic. Children take it, not only with safety, but with great advantage. 6
