## Right Arm Paralyzed!

### Saved from St. Vitus Dance.

"Our daughter, Blanche, now fifteen years of age, had been terribly afflicted with nervousness, and had lost the entire use of her right arm. We feared St. Vitus dance, and tried the best physicians, with no benefit. She has taken three bottles of Dr. Miles' Nervine and has gained 31 pounds. Her nervousness and symptoms of St. Vitus dance are entirely gone, she attends school regularly, and has recovered complete use of her arm, her appetite is splendid."

## THURSTON WILL LEAVE.

### The Hawaiian Minister Has Decided to Depart for Home.

WASHINGTON, D. C., March 26.—Minister Thurston has decided to leave this country without waiting for any formal notice from his government to return. Mr. Thurston reached this conclusion somewhat suddenly, and announced his intention to friends while making farewell visits yesterday. He declined to discuss his case in any manner and merely said he would start for San Francisco to-day and take the steamer sailing next week for Honolulu. Asked as to whether he had received official notice that a request had been sent to his government for his recall, Mr. Thurston replied that he had nothing to say on the subject. He was equally reticent as to whether or not he had been informed through the state department of any charges pending or preferred in his case which might bring about the severance of his diplomatic relations at Washington.

None of the attaches of the legation would discuss the reasons on which Mr. Thurston had decided to return home. For the present Mr. Hastings will be in charge of the legation. Rumors are current to the effect that he may be appointed minister. It is also reported that Mr. Thurston will become the Hawaiian secretary of foreign affairs, and that Mr. Hatch will represent his government at Washington.

Notwithstanding the reference of Mr. Thurston and members of the Hawaiian legation, it is definitely learned that the retiring minister has not been informed by Secretary Gresham or anyone representing him that a request for his recall has been sent to President Dole's government. Consistent with the past treatment of Hawaii's diplomatic representative, the state department has let its acts leak out through the medium of the newspapers.

Mr. Thurston, in conversation with a friend, yesterday, admitted that his only source of information as to the course of the state department in his case has been obtained from the newspapers. He has received no communication from Secretary Gresham, he said, and expected none. He accepted the press statement as accurate, and his intention to return home was based on what the newspapers say.

## THE CUBAN REBELLION.

### The Government Reports Victories at Several Points.

HAVANA, CUBA, March 26.—The Spanish warship Alfonso XII has arrived with 150 men. The army officers were entertained at a grand banquet at the Spanish Club. Most of the streets were decorated with flags. Col. Santosildes reports that on March 22 he had an encounter at San Rowan with the insurgent forces. The government losses were Lieutenant Montyoa killed and three soldiers wounded. The insurgent losses were one killed and five wounded. Many of the insurgents were taken prisoners. In another fight 300 men, commanded by Lieutenant Colonel Araoz, attacked and dispersed 500 insurgents, commanded by Amador. There was an engagement at Sabana Juraguamas, and Cumacho. Of the insurgents many were wounded, fifteen were killed and many were taken prisoners. On the government side Lieutenant Montevalde was killed.

It is reported that a party of insurgents, about three hundred, have taken the field under Masso Meiro and Manana, and are well equipped with arms and ammunition.

La Discussion, of Havana, says that on last Tuesday, at Santiago, de Cuba, an English steamer, the Lorentia, was fired on by the Spanish coast guard for failure to heave, when ordered, but no official report has been made regarding the affair.

Captain General Calleja and the governors of Havana, Pinar, Del Rue Puerto, Principe and Santiago de Cuba have sent in their resignations, but no news has been received that the Spanish government has accepted them

## FINANCE AND TRADE.

### The Features of the Money and Stock Markets.

NEW YORK, March 26.—Money on call fairly active at 2½a3 per cent; last loan 2½ per cent; closed at 2½ per cent. Prime mercantile paper 4a5½ per cent. Sterling exchange strong at $4 89¾a4 89½. Silver certificates 65c.

Speculation on the stock exchange to-day was somewhat unsettled in tone and prices moved with great irregularity. There was a large decrease in the volume of business compared with yesterday, and in a majority of instances the closing figures are below the last sales of Monday. The market opened active, with fractional changes, both up and down, in the shares dealt in. The trading, however, soon became heavy and prices moved downward for half an hour, the losses ranging from ¼ to 2 per cent. After mid-day the coalers came into good buying, and the list moved up during the last hour. The active stocks fluctuated within a narrow range, but some of the specialties made some wide changes, Edison Electric selling down 1½ per cent. Reading was the feature of the declines during the day, closing at 11, the top figure, and recording an improvement of 2¼ per cent from yesterday's final quotations. The principal declines on the day are Susquehanna & Western preferred 1½, and Cotton Oil preferred 1¼ per cent. Advances were established of 1 per cent each in Mobile & Ohio and Edison Electric of New York. The foreign trading in the market was light. Speculation at the close was fairly firm.

The Reading issues were the feature of the bond market to-day, and the combined sales of these securities aggregated $716,000. The aggregate sales of the day were $2,187,000.

The total sales of stocks to-day were 211,780 shares, including: American Sugar, 32,100; American Tobacco, 3,500; Atchison, 6,100; Burlington, 3,500; Chesapeake & Ohio, 4,300; Chicago Gas, 4,100; Columbus, Hocking Valley & Toledo, 8,800; Distilling and Cattle Feeding certificates, 3,500; General Electric 13,100; Louisville & Nashville, 6,100; Missouri Pacific, 3,100; New Jersey Central, 9,000; New York & New England and Third Assessment paid, 3,900; New York, Susquehanna & Western preferred, 5,300; Northwest, 4,600; Reading, 39,600; Rock Island, 3,800; St. Paul, 8,900; Silver Certificates, 40,000; Southern Railroad, 5,100; Western Union, 4,000; Wheeling & Lake Erie, 6,500.
