P. B. Curtis, Design, Va., writes:

I have been a sufferer from Piles for twenty years, suffering as one only knows who has been similarly afflicted, and have tried many remedies and spent a great deal of money. My last physician was the most prominent surgeon in Richmond and I may say a man of national reputation in his profession, but never have I gotten relief until I began using the Japanese Pile Remedy. The box I bought of you to-day is only the third one I have had and I am almost entirely cured already by the two former boxes. I give this voluntarily with the hope that others suffering with Piles may be induced to try the Japanese Pile Remedy.

We sell the Japanese Pile Cure at 50c. and $1.00 per box, 6 for $5.00, by mail, with written guarantee to refund the money if not cured. Sample free.

TENEMENT HOUSE TRAGEDY.

Children Left Alone Set Fire to the House, One Dead and Another Fatally Burned.

NEW YORK, June 18.—One child burned to death and another so badly burned that he will probably die is the story of a small fire which occurred at 19 Allen street, shortly after 8 o'clock this morning.

Herman Eidelman lived with his wife Rebecca and his family of three boys, in two rooms on the first floor of the tenement. Soon after Eidelman had gone to work his wife left the house to do some marketing. She left her two youngest children, Jacob, aged seven, and Isaac, aged three, who were asleep, in charge of Abraham, nine years old. The latter in playing with matches, set fire to the little one's bed, became frightened and fled without giving an alarm. When the fire was discovered Isaac was dead and Jacob was found lying upon the floor near the bed with his right side burned brown.

SOUTHERN LYNCHINGS

Furnish a Subject for a Spirited Debate in the W. C. T. U. Convention in London.

LONDON, June 18.—There was a large and enthusiastic gathering at the meeting to-day in the city temple of the British Woman's Temperance Association. Miss Florence Balgarnie accused Miss Frances E. Willard president of the Woman's Christian Temperance Union, and the Woman's Christian Temperance Union of America of being apologists for the lynchings in the southern parts of the United States. But, both Miss Willard and the American Woman's Christian Temperance Union, were amply exonerated from the charges. Miss Willard made a spirited defense of herself and of the unions, and was ably seconded by other delegates. A resolution carried unanimously, declaring that the council emphatically believed that the American Woman's Christian Temperance Union maintained towards the lynching question the same attitude as other Christian bodies, namely, that under no circumstances must human life be taken without process of law.

A Peculiar Case.

WASHINGTON, June 18.—Cardinal Gibbons has taken to Rome the documents concerning the Knights of Pythias societies of Fall River, Mass., with a view to having the pope make a ruling on them. The case is a peculiar one, as the Fall River societies are made up largely, if not entirely, of Catholic members. They have built up a beneficial insurance system, the benefits of which would be lost if the members were compelled to obey the decree to abandon the societies. It would be a special hardship on several Catholics who have paid large insurance premiums, and are now sick and dependent on the returns from their investment. A delegation from Fall River laid the exceptional circumstances before Monsignor Satolli, but as the decree made no exceptions, it was determined that Cardinal Gibbons should lay the case before the pope.

Silver Knights of America.

ALEXANDRIA, VA., June 18.—Judge Norton to-day granted a charter to a stock company to be called the Supreme Temple of the Silver Knights of America. The general objects are stated to be to establish a secret society for the purpose of seeking to secure in a legal way the free coinage of silver in the United States, and to make silver a legal tender for all debts, and to collect and expend money for that purpose. The capital stock is $100,000, and the shares $100 each. M. B. Harlow is the local agent; W. M. Stewart, of Carson City, Nev., is president; James L. Pait, vice president; Oliver C. Sabine, secretary; James A. H. Richard, treasurer, and S. S. Yoder, director general.

Grady-Gould Nuptials.

OCONOMOWOC, WIS., June 18.—The wedding to-day of Miss Grace Gould, daughter of Mr. and Mrs. David B. Gould, of St. Louis, Mo., and Henry W. Grady, of the Atlanta, Ga., Constitution, was an event that will long be remembered by sojourners at this popular lake resort. The ceremony took place at 9 o'clock at Zion Episcopal church, the Rev. Fred. Jewell officiating. A reception followed at the superb new granite and redwood cottage of Mr. Gould on Lac La Belle. Fifteen hundred invitations had been issued, and the assemblage was an exceedingly brilliant one.

Killed For a Chicken.

LOUISVILLE, June 18.—A special to the Evening Post from Bowling Green, Ky., says: W. H. Caldwell shot and instantly killed Ditto Jones about 6 o'clock this morning at Aberdeen, one mile from Morgantown, in cold blood. The trouble came up over a chicken that was recently killed by one of them, and on meeting this morning at Aberdeen they began quarreling, and after a few words had been exchanged Caldwell drew his pistol and fired two shots into Jones' body, killing him instantly. Jones lived on a shanty boat with his family at Rockport and Caldwell resides at Aberdeen.

Declined the Honor.

WHOLESALE PRICES.

Weekly Report of the Local Wholesale Markets in all Lines.

OFFICE OF THE INTELLIGENCER, WHEELING, Tuesday, June 18.

The situation in the wholesale market this week is rather quiet. Wheat remains at the same quotation 80 cents, and no material change is anticipated soon. Home hay is very scarce and the prospect is that the crop will be almost a total failure. The western crop is very heavy, and local consumption will be of that article. Wool, as usual, remains at unchanged quotations. The grocery market shows no changes of any importance. The hot weather has caused another advance in lemons. Raspberries are now in at 14 cents; strawberries nearly out of market.

Wool.

Boston—There is a healthier tone to the wool market this week. While there has been a fairly active market, prices have remained firm and in several instances an advance of one cent has been noted, but no particular advance in prices. The situation here is still strongly against the dealer, and as the market is operating he is obliged to take all the chances or else not get the wool. Manufacturers are still quoting 30 cents and the scoured basis they are willing to pay. Business, however, is being done on the old basis, dealers selling on the scoured basis of 50 cents. The following are the prices quoted for leading descriptions:
