# SPORT.

The seventh day of the Wheeling Jockey club's running meeting at the State fair grounds was the occasion of a large increase in the attendance, about 1,800 being on the grounds. The weather was prime for outdoor sports, but the track was a little heavy in front of the stand, and good time was looked for. The officials, Mr. Douglass and R. S. Tester, of the first ten-day meeting, which expired Saturday, have withdrew and Mr. F. H. Malden, jr., will continue and hold the office of president for the remainder of the meeting, with the track officials remaining the same.

The two books had all the business they could attend to, though the speculators got the best of them during the day, as four favorites won. The feature of the day was the wonderful race of Heck, Jr., carrying the top weight of 129 pounds and winning in a common canter in the fast time of 0:58.

First race—The talent fell over one another to get even money against Chas. Wells, which sent his price to 1 to 3 at post time. To a good start the favorite jumped out in the lead and led all the way, with Frank R. Harf second. The latter improved his position in the stretch, caught Chas. Wells and got the verdict on the last jump by a nose. Gallatin, third, finished strong.

Second race—Governor Griggs, at 4 to 5 in the second race, laid in a good position throughout the race and got the decision by a half length from Beloved, who should have won. The latter turned wide in the stretch and lost the race.

Third race—Even money against Prompt was like peaches and cream, as he got away in front at flag-fall and never giving his supporters any anxiety as he remained in front all the way, winning easily from Arion. The latter was overhauling the leader at every jump.

Fourth race—The sprinter, Heck, Jr., with 129 pounds in the saddle, just played with his field from start to finish, winning in a canter by three lengths.

Fifth race—Bonnieville opened first choice at 3 to 1, was backed to 3 to 2, and a select few played G. W. Harding at fours. At post time the pressure of Harding money sent him to the post favorite at even money. The latter occupied a good position through the race to the stretch, when he improved his position and won handily from Bonnieville.

# Liver Trouble

When the yellow flag of quarantine is hoisted over a dwelling it means disease and danger. So when the yellow flag flies in the face—when the cheek is sallow and the clear white of the eye is dyed saffron—there is danger. *It is liver trouble.* The liver is one of the most important organs of the body. On the proper discharge of its functions depend human health and happiness. When the liver fails of its duty, poisons at once begin to generate, and other organs of the body become involved. Never neglect the liver if you value health. If you are suffering from liver trouble, begin at once the use of AYER'S PILLS and you will find prompt relief and permanent cure.

*"I was so weakened by liver trouble that I could scarcely lift my head. While in this condition I began the use of Ayer's Pills, and finding almost immediate benefit, continued their use until I was cured of my complaint."*

*H. R. W. BENTLEY,*
*Towner, N. D.*

A FEW SHORT LINERS.

Buck Ewing's Reds scared their Wheeling admirers last week by their surprisingly poor showing against the Giants, but since then the Cincinnatis have won the best played game of the season from Boston, and on Sunday won decisively from the crack Baltimores. They look like likely pennant winners.

Louisville lasted just twenty-four hours in ninth place. Brooklyn smote the Colonels twice yesterday, and now there is sadness and sorrow in the Bourbon metropolis—and in the City of Churches they are singing songs of praise for the Trolley Dodgers.

New York's two victories over the Browns and Pittsburgh's win over the Chicagos contributed to an exchange of positions in the big league race on the part of Chicago and New York, the latter advancing into fifth place and becoming a factor in the race.

Cleveland has tied Boston for second position and of the two is the more dangerous rival of Cincinnati. With Cuppy in form Tebeau's team needs watching.

Pittsburgh has always been Chicago's "hoodoo" and kept it up yesterday by knocking the Orphans out of fifth place.

Hoffer is to pitch against his old team this afternoon. If the Pirates win, Ned Hanlon's reputation for base ball sagacity will be sadly tattered and torn.

Dammann, Hawley, Dwyer and Breitenstein are all pitching great ball for the leaders these days.

Baltimore in fourth place now doesn't inspire opposing teams with the terror that was felt last season when the Orioles were doing a rushing business in "straights."

Bowerman's fine work behind the bat for the Smoky City crew does not surprise his old Inter-State admirers. Like Hoffer, he has given Hanlon's "good eye" a black eye.

Bowlers will be out in force next Wednesday evening, the occasion being the big handicap bowling contest at Mozart Park. The entries are all in and Secretary Handian has completed the handicapping, which is shown below. The "rooting" will surely be of a superior quality, as some "professional" rooters are saving up for that evening. "Stevey," of the C. C. C., will be the scratch man and will have to give some good bowlers quite a handicap. "Charley" Henning will endeavor to carry the Bowlers' banner to victory and has a good chance to win, if he doesn't "lose" his head. Below is the list of entries and handicaps:

## BOXING.

It is very likely that a number of Wheeling sports will take in the Oscar Gardner-Danny McMahon twenty round contest at Toledo, August 17. An attempt will be made to-day to get a $5 rate from the Wheeling & Lake Erie, and there are prospects for a successful realization. This rate, it is thought, can be secured for a party of fifteen, and there is little doubt this number could be increased if the rate was granted. Those who want to form the party can get further information at the Parlor cafe. Danny McMahon is a warm member, and looked upon in Detroit, his home, and elsewhere, as a comer in the featherweight class. He is a stockily-built and clever young fellow, and a brother of Tommy McMahon, the wrestler. One of his recent achievements was the defeat of Johnny Lavack, whom McMahon knocked out in eight rounds. Gardner got the decision over Lavack in ten rounds, but couldn't knock the Cleveland boy out.

Prof. "Jim" Gordon, the Little Washington veteran, is highly impressed with Jack Kinlow's work, and is quoted as saying that he will wager $500 to $250 that Kinlow can defeat Eddie Gardner. Gordon stipulates, though, that Kinlow must be under his eye for three weeks previous to the contest. Also, Gordon is willing to back Kinlow against Yock Henniger.

MICHAEL OVERREACHED HIMSELF.

PHILADELPHIA, August 7.—The twenty-five-mile paced race between Eddie McDuffee and Jimmy Michael, which was rode yesterday at Willow Grove bicycle track, was to-night awarded to McDuffee by Referee Upler. Michael led at the end of the twenty-five miles, but the referee withheld his decision, McDuffee's manager having lodged a protest at the end of the third mile that Michael had more pacemakers than were specified in the contract. The contract called for thirty-two pacemakers to a side, and after an investigation it was found that Michael had thirty-nine. Under these circumstances McDuffee was given the race.
