TO-DAY'S GAMES.

Wheeling lost the second game of the Fort Wayne series yesterday because Poole wasn't so effective as Guesse, and because Glasscock's men played a brilliant fielding game, not being charged with an error, while the Stogies repeated their erratic performance of Thursday, five inexcusable errors being chalked up against them.

Fort Wayne got in the game right at the start, scoring twice in the second on Letcher's base on balls, Miller's double and Glasscock's single, all this after two were out.

Two more came in the fourth (again after two were out) on Bergen's single, Guesse's two-bagger, and Babb's costly error.

Wheeling got a single off Guesse in the first, Dobbs', and after that not a hit was made by a Stogie until the seventh, when Lyons worked a single, but was thrown out at second.

The locals rallied at the bat in the eighth and scored their only runs of the game, two. Babb got an infield single on a close margin after a fast sprint down to first, and Wells followed suit with a hit. Poole's infield hit retired Wells at second, but Babb went to third. Dobbs' clean two-bagger to left center scored both Babb and Poole. Lytle singled, and Dobbs should have been held at third, but he was coached to try for the run and was thrown out at the plate by Belden to Bergen.

BASE BALL COMMENT.

In this afternoon's game, Parvin will be on the slab for the Stogies. He goes on at his own request, owing to his desire to pull out a victory to balance the defeat administered the club in the first Fort Wayne game, which he pitched. In that game Fort Wayne got costly three hits off him, while the Stogies made six off Swaim, but costly errors gave the victory to Glasscock's men, together with "Jack's" smooth work in blocking a throw from Twineham. For the Fort Waynes, Reiman will be on the slab this afternoon.

Several new faces will be seen on the Wheeling team this afternoon. "Billy" George is to replace Wells in left garden, a change that will be welcomed by the fans. Wells is a good pitcher, but only an indifferent outfielder. Babb and Lyons have been released, and Bammert, late of the Southern league, will play at short, with Myers, also a Southern leaguer, at first. Myers is a particularly valuable acquisition, as he can catch in an emergency. Bammert arrived yesterday morning, and practiced with the team in the afternoon. Myers arrived last night. He is a strapping big fellow, six feet two. He batted .387 in the Southern.

NATIONAL LEAGUE.

NEW YORK, June 16.—The New Yorks forfeited a game to the Brooklyns this afternoon in the second inning, when the Brooklyns were at the bat, the score at the time being 5 to 1 in favor of Brooklyn. Umpire Burns, who declared the game forfeited, did so after the locals made life miserable for him. The kicking began in the first inning. The trouble came to a head when Casey, the first Brooklyn batter in the second inning, was at the plate. Seymour, who was pitching, sent a straight one over the plate that Burns called a "ball." Seymour and Warner threw up their hands. Warner was immediately removed. Then came Gleason, and this left the home team in a hopeless condition. The game was continued, and Wilson went in to catch. Colcolough, a pitcher, replaced Gleason and Foster went to short. The first ball pitched by Seymour was a strike, but Wilson stepped to one side and the ball came close to Umpire Burns. He promptly removed Wilson from the game for what he claimed was a deliberate move to allow the ball to hit him. This caused another row, and Gleason and Warner were ordered off the grounds. They did not go promptly enough to suit Burns, and he declared the game forfeited.

The forfeiture places the New York club liable to a $1,000 fine, which must be paid to the Brooklyn club.

President Ebbets, of the Brooklyn club, said after the game that he notified President Young, of the League, before the New York-Brooklyn series began, not to assign Burns as umpire. Both teams left for the west to-night.

ANOTHER BOY WONDER

Comes to the Front and Captures the Junior Road Race.

"Ikey" Pearlman, who was recently dubbed the "messenger boy wonder," will now retire as gracefully as he can, for another Western Union messenger boy has come to the front, in the person of Russell Peck, who won the Rough Riders' junior road race last evening in fine style, and took the time prize as well. The race was from McCulloch and Fifteenth streets, East End, to Altenheim and return, a distance of about four and one-half miles. A large crowd witnessed the start and finish.

Young Peck rode from the one-minute mark, and his time, 15:51, is really a remarkable performance for so young a rider. Charley Edge, who took second place, made the next best time performance, 16:22. The summary was as follows:

MINISTER STORER

Received by the Queen Regent—Cordial Phrases Exchanged.

MADRID, June 16.—The newly appointed minister to Spain, Mr. Bellamy Storer, was received in formal audience by the queen regent to-day. There were no speeches. Only a few cordial phrases were exchanged.

Two state carriages from the royal stables conveyed Mr. Storer from the Hotel de Rome to the palace, and took him back to the hotel after the audience. Premier Silvela presented Mr. Storer to her majesty.

There were no crowds about the palace, Mr. Storer's reception being unannounced in order to avoid disagreeable incidents.

The fact that there were no speeches is not surprising, as this is the practice when ministers are received. Speeches are only made in case of ambassadors.

Nevertheless, the queen regent was very amiable and complimentary towards Mr. Storer, and enquired cordially concerning the health of President McKinley.

BELLAIRE HAPPENINGS.

Matters of Interest in the Metropolis of Belmont County

Representative Rutan, of the Carroll-Harrison counties district, who served one term in the state legislature, and bolted the election of Senator M. A. Hanna, secured seven and claims nine delegates in his own county, while William Love secured twelve and may have fourteen from that county. In Harrison county Rutan got only two votes at the primaries there, but that county selected a candidate, a Mr. Palmer. The joint convention has not yet been held to make the nomination, but there will be forty-seven votes in the convention, and it looks now as though the candidate would be Mr. Palmer or Mr. Love.

The firemen did not revolt against the increase of pay from $100 to $200 allowed each company by the city council, notwithstanding it is short of what was asked for. The good work of the department is appreciated by the people of Bellaire, and the increase of 100 per cent in the allowance is not criticised, while the firemen seem to understand that they probably can get more by and by.

There was a slight fire in a frame house on Thirty-first street yesterday morning, and the alarm was given. The chemical engnie company did all the work necessary very promptly, and the balance of the department was not called out. The fire caught from a defective flue, and the damage was trifling.

The lawn fete at the home of Mrs. Lizzie Woodbridge and Miss Lucy Anderson by the ladies of the First Presbyterian church was a delightfully pleasant affair, and all who attended had a god time. The grounds were hung with Chinese lanterns, and presented a very attractive appearance.

Charles Spragg, who was with the "Immunes" at Manzanillo, made quite a collection of relics and kodak pictures while there, and brought them home with him. These are now displayed in the window of Heatherington & Archer's store.

The yachts running between Bellaire and Wheeling are doing a good business these days. They are lively little craft, and handy to handle, though they draw as much water as a steamboat.

Kirkwood township seems to have held a mass convention and selected its own delegates to the senatorial convention, to be held next week. There seems to be no objection to this.

Rev. W. A. Williams had a portion of four ribs removed by an operation at the Columbus hospital, and he is in good spirits, and feels that it was in every way successful.

There will be services at all of the churches to-morrow. At the Catholic church special services will be held to dedicate the parish to the League of the Sacred Heart.

The Miller property, on Gravel Hill, was sold by Deputy Sheriff Majors yesterday, for $467. John McGraw and C. W. Dickens were the purchasers.

Edward C. Bion, mail carrier, has resumed his trips in the Fifth ward, after a two weeks' vacation, and Joe Kelly is now taking his outing.

The funeral of Mrs. Theobald Schramm took place yesterday afternoon. Rev. L. M. Weiss performed the last rites.

Sexauer Brothers, who moved from here to Columbus, have again moved, this time to Lancaster, a thriving interior town.

Martin Cowen is in the city after quite an extended trip in the interest of the pure food department.

Bellaire Chapter, R. A. M., conferred the Royal Arch Degree upon three candidates last night.

Most of the wheat in the eastern portion of this county will be harvested this month.

WELLSBURG.

Doings of People in the Brooke County Metropolis.

Ex-Postmaster Emory Jacobs has leased the store room of T. J. Reid, and will take possession July 1. Mr. Reid will devote his attention to the oil business, having in company with others secured leases on a large amount of territory throughout Brooke county. The field will be thoroughly developed, and it will be demonstrated beyond question whether or not oil is to be found here in paying quantities. The late George Given had faith in this field, and had made arrangements to give another test when he was stricken with his last illness.

To-morrow will be observed as K. of P. Memorial Day. Wellsburg Lodge No. 30 will attend the morning services at Christ Protestant Episcopal church in a body, and listen to a sermon by the pastor, Rev. T. E. Swan. In the afternoon a committee from the lodge will visit Brooke cemetery, and decorate with flowers the graves of deceased brothers. All members of the lodge and also visiting brothers are requested to meet at the castle hall at 10 o'clock a. m.

The Catholic fair, under the auspices of the Knights of St. John, held in city hall on Wednesday and Thursday evenings, was a great success, the receipts aggregating nearly $50). A very large crowd was out Thursday evening to see the Knights of St. George, who came up from Wheeling, accompanied by a number of friends.

It is believed here that the North Wheeling Glass Company will operate the Brooke plant here as well as the Wheeling works after the summer shut down. It is confidently predicted that the coming fall will see the Brooke plant in full operation.

Provines & West have the contract for the improvements to the old school house building, at their bid of $1,620. Anderson Dare will do the painting and papering for $199. Architect M. L. Wells is at work on plans for the new school building in the fair grounds.

The Fair will case will come up for trial in the circuit court on Monday. Many witnesses have been summoned.
