THE reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass: thus undergoing disagreeable fermentation, consuming mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease.—Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood.—Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight and the flush of youth and health will again return, and the prospect of a long and happy life will cherish and brighten your days

Beware of Counterfeits of these Pills, signed A. B. Moore. Price 25 cents per box.

COAL! COAL!!

Montgomery's Patch, in Brookfield, is the place to get coal, the cheapest and best quality in the county. Have on hand a lot of the lump that has stood the test for the last six years, I will now sell it until the hard times are all over, for 10 cents a single article. Marshall's Uterine Cathalicon is a medicine that has done a great amount of good in female diseases. One lady I used it to told me she had received more benefit from one bottle than she did from a long course of medical treatment by the most skilful physicians.

Yours truly, JAMES WILSON.

MRS. ROBINSON'S CERTIFICATE.

VERNON, Trumbull Co., Mar 1st, 1853

This certifies that I have been in very poor health for years and found little or no relief after employing a number of physicians. My disease was Prolapsus Uteri. I had been reduced by that and Fluor Albus until I had become ulcerated to a considerable extent. By the advice of Dr. G. W. Sackett, I procured and took six bottles of Marshall's Uterine Cathalicon, which enabled me to attend to my husband in his last sickness until he died, which was about a year since. I have taken three bottles since his death, which has made me able to labor and support my family of three children. The Cathalicon has nearly restored me to health. It is the only thing that has mitigated my suffering, for which I feel very grateful.

MARY E ROBINSON.
