Marion County Democratic Convention.

The Democracy of Marion county, in pursuance of a call of the Democratic Central Committee to elect delegates to the State Convention, to be held at Columbus on the 4th day of July, met at the Court House on Saturday, the 21st inst., and

On motion of Mr. James Mannasmith, Dr. J. M. Christian was elected Chairman.

On motion of T. H. Hodder, Mr. Michael Jacoby was chosen Vice President.

On motion of Richard Wilson, Mr. H. T. Van Fleet was chosen Secretary.

Thereupon the Chairman stated the object of the meeting, in a few pertinent and appropriate remarks, and the Convention proceeded to the transaction of business.

On motion of T. H. Hodder, a committee of one from each township was appointed to draft and adopt resolutions. The following gentlemen were accordingly appointed:

Messrs. Joseph Larabee, James Hipshire, P. Hord, Isaac Farmer, Chas. White, W. A. Wiley, Thos. H. Hodder, Geo. W. Dieman, Jacob Ulmer, George Copris, David Epler, Isaac Guthrie, E. R. Cook, James Mannasmith.

The committee then retired to the jury-room, whereupon the Convention took a recess of fifteen minutes.

When the Convention was again called to order, Mr. T. H. Hodder, from the committee on Resolutions, submitted the following report, which was unanimously received, each resolution being submitted separately to the Convention, and unanimously adopted:

Resolved, That the Democracy of Marion county re-affirm and reiterate, with renewed energy of purpose, the platform of principles which has characterized the Democratic party of the nation for the past sixty years, and upon which, in the administration of the government, the Union has been sacredly preserved, the faith of the fathers maintained inviolate, and peace, happiness and prosperity secured to the citizen.

Resolved, That the Democracy, for the past sixty years the preservers of our beloved Union and the defenders of the Constitution, have no sympathy for those who would destroy the one or violate the other, and adopt as their motto, "The Union as it was and the Constitution as it is."

Resolved, That while we pledge ourselves to the support of the administration in all constitutional means to suppress this unholy rebellion, we call upon every loyal and conservative citizen to unite with us in resisting the mad and dangerous spirit of Abolitionism, which is daily showing its hydra head in the councils of the nation, and which can result only in subverting our republican form of government, and endangering the liberties of the people.

Resolved, That we send greeting to our brave volunteers who have nobly risked their lives in defense of our common Union and glorious flag, without distinction of party, our commendation for their past bravery, our confidence in their integrity as American soldiers, and our hope that they may soon be restored to their homes and friends, victors in the fight and preservers of their country's flag and unity.

Resolved, That we most emphatically condemn the action of the so-called Union party of the Ohio Legislature in their persistant refusal to allow the passage of a bill granting the soldiers of the State the privilege of voting, in the same manner as the soldiers of Pennsylvania and Illinois allowed to vote, thus disenfranchising upward of one hundred thousand of our fellow-citizens.

Resolved, That we are unalterably opposed to the further immigration of blacks or mulattoes into the State, as inimical to the interests and insulting to the dignity of the poor laboring white man, and dangerous to the morals and well-being of society; and we arraign the "Union" party of the present Legislature before the bar of public opinion for refusing and neglecting to provide some law having this object in view.

On motion of H. T. Van Fleet, as amended by A. Osborne, it was declared by the Convention that all Democrats who shall attend the State Convention from Marion county, shall be delegates, and that a majority in attendance shall cast the vote of the county, in said Convention.

Mr. Joseph Larabee submitted the following resolution, which, upon being read by the Secretary, was unanimously adopted:

Resolved, That the Democracy of Marion county emphatically denounce the dastardly attack on the *Marion Democratic Mirror* office, which took place on the 31st of May; that we hereby express our sympathy for, and our determination to uphold the editor of that paper, Mr. Thomas H. Hodder, in his laudable and patriotic endeavors to maintain those principles which it has ever been the pleasure of the time-honored Democracy to advocate and approve; that we will defend him and his press, and all law-abiding citizens from mobs and unjust, iniquitous and illegal persecutions; that we will do all in our power to bring to justice all mobites, rowdies and rascals, who shall infringe upon or endanger the rights of the citizens.

Mr. Shelby Jump caused to be read an article which appeared in last week's *Mirror*, directed to the people of Marion county, over the name of "Conservative," which was received by the Convention eliciting comments from Messrs. Hodder, Wilson, Osborne, Cook, Jacoby, Van Fleet and others.

On motion of Mr. Crickets was ordered that all who can *must* go to the State Convention at Columbus on the 4th of July next.

On motion of Hon. Richard Wilson it was ordered that the proceedings of this meeting be published in the Marion Democratic *Mirror*, *Ohio Statesman*, *Crisis* and *Westbote*.

On motion of A. Osborne the Convention adjourned *sine die*.

J. M. CHRISTIAN, Ch'n.
H. T. VAN FLEET, Sec'y.

Fairfield County Democratic Mass Convention.

Pursuant to a call, the Democracy assembled at the Court House on Saturday the 21st inst. Dr. G. W. Boerstler was chosen President, Col. Jos. Sharp and Wm. Shopp, Vice Presidents, and O. H. Perry, Secretary.

On motion of B. W. Carlisle, a committee of five was appointed by the Chair, consisting of B. W. Carlisle, J. L. Tutbill, C. Foresman, A. J. Dildine and J. N. Dennis, to report resolutions.

On motion of S. Ewing, a committee of one from each township was appointed to report delegates to the State Convention.

John L. Tutbill, from the committee on Resolutions, reported the following, which were unanimously adopted:

Resolved, That the Democracy of Fairfield county are now, as they ever have been true and loyal to the Government of our fathers, and revere the Union and the Constitution as the palladium of our liberties, and its preservation necessary to our existence as a free people.

Resolved, That we will sustain the Government in its efforts to maintain the Constitution as it is, and to restore the Union as it was, and for the maintainance of civil liberty and the free and equal rights of all the States.

Resolved, That to the Union of these States, operating under the benign influence of our Constitution, we owe all the power, all the greatness and all the glory which belongs to us as a people. To preserve that Constitution and restore that Union, and to secure to us and our posterity the uninterrupted flow of these blessings, we will make every sacrifice becoming a brave and free people.

Resolved, That there is no excuse or justification for resorting to violence in a government like ours, where the people are the rulers, and therefore condemn the dastardly outrage and cowardly attempt to assassinate Editor Hodder, and any real or supposed grievance, believing that they should have still labored to maintain their rights in the Union by the peaceable mode provided for in the Constitution which was adopted by all the States, as the supreme law of the land.

Resolved, That while we condemn the South in their attempts to destroy the Union by armed rebellion, we also condemn the North, and hold the Abolitionists (the Republican party) equally guilty, in engendering sectional strife—by fostering and encouraging a sectional party, hostile to the institutions of the South, thereby inciting sectional animosities, until the two sections are involved in a civil war, the most frightful and bitter the world ever witnessed.

Resolved, That secessionism and abolitionism are the cause of all our national difficulties.—Had these twin isms been strangled at their birth, we would have had no disowered Union. No civil war would now be devastating our land—no immense public debt would have been made—no hostile armies to meet in deadly combat; nothing to mar our happiness or retard our progress to the highest state of national wealth and greatness.

Resolved, That all our efforts and sacrifices to put down the rebellion, sustain the Government and restore the Union, will be in vain, unless the people of the North have the moral courage to strike down Abolitionism, as they would strike down secessionism; both are the enemies of the peace and tranquility of our country, and until both are destroyed we can have no permanent peace.

Resolved, That the imputations made by Republicans against Democrats of being disloyal and sympathizing with rebels is false and made for partizan purposes. That the disloyal men of the North from whom danger is to be apprehended, are those who seek to convert the war into a war against slavery and the sovereignty of the States.

Resolved, That the present struggle, as far as the leaders of the Republican party are concerned, is in no sense a war for the Union—that neither the Southern secessionists or the Northern abolitionists and emancipationists who have precipitated the States into hostilities, desire or expect to restore the Union thereby.

Resolved, That the war can be legitimately prosecuted, only for the enforcing the Constitutional authority of the General Government in the seceded States, for the sole purpose of restoring the Union and extending equal justice to all the States; and that all attempts to convert the war into an abolition crusade against the institutions of the slaveholding States, and the freeing their slaves is treasonable in their tendency and calculated to prolong the war, subvert our Government, and should therefore be opposed and denounced by all patriotic citizens.

Resolved, That the vigorous prosecution of this war should be accompanied by the most liberal propositions of peace; but that no measure of either war or peace which is based upon the idea of the ultimate separation of the States, or with interfering with the local institutions of any of the States should be countenanced.

Resolved, That in propositions of peace in the hour of victory, there is no humiliation. That the triumph of the Federal arms in a long train of successes has wiped out the disasters that befel our arms in the earlier period of our conflict, and has vindicated the valor of the North and the power of the Government—therefore now is a propitious moment for the administration to adopt some measure which will bring about a cessation of hostilities with a view to a speedy and satisfactory adjustment of our difficulties, alike honorable to the North and the South.

Resolved, That we are opposed to the emancipation schemes of President Lincoln—"that we deny that the Government possesses any legal power to extort taxes from the people for the purchase of the freedom or support of negroes, and we protest against any such usurpation."

Resolved, That the action of the General Assembly of the State of Ohio in keeping open the doors for negro immigration into the State, to take possession of the homes of our gallant volunteers and to degrade white labor by their servile competition, meets with our decided disapprobation."

Resolved, That we condemn the policy of the Lincoln administration in emancipating countless numbers of slaves, who from necessity or choice will flood, and now are flooding our State to the great detriment of the white laboring class; therefore, we recommend to our fellow citizens of this county to meet in their several townships, and adopt such measures as will prevent the immigration of negroes, and protect white labor against black labor.

S. Ewing, from the committee on Delegates, reported the names of Gov. W. Medill, Col. P. V. Trump, Hon. B. W. Carlisle, Col. Jos. Sharp, W. Whaley and A. D. Beseham, Esq., as Delegates to the State Convention; and

Dr. Dawson, W. Schopp, A. C. Stout, T. Duncan, C. Trovinger, J. M. Hickle and J. C. Rainey as alternates.

The Convention was then addressed by the Hon. C. D. Martin, Hon. E. B. Olds and Gov. W. Medill.

On motion, Resolved that the proceedings be published in the *Ohio Eagle*, the *Crisis*, *Cincinnati Enquirer*, and *Ohio Statesman*.

On motion of Dr. E. B. Olds, the Convention adjourned with three hearty cheers for the Union as it was, the Constitution as it is and the *niggers where they are*.

AYER'S CATHARTIC PILLS.

Are you sick, feble, complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the result of torpid bowels. Nature intended that the bowels should be wrought upon by the stomach and liver, and should be wrought upon by nature alone or the right medicine. Take Ayer's Pills and cleanse out the disorder, whatever it may be—partly the result of indigestion, partly the result of the obstructions which should be corrected in health, and which they stimulate the functions of the body into healthy action, purify the blood, and remove the obstructions which make disease. A cold settles somewhere in the body, and strikes the natural functions. These obstructions react upon themselves and the surrounding organs, inviting general aggravation, suffering, and disease. While in this condition, oppressed by the derangement, take Ayer's Pills, and see how quickly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous diseases.

Coated to preserve their virtues, they can be taken by children, and demonstrate to the natural functions of the body, they act rapidly and boldly at their starting, to the disease. Note the virtues of these pills, and resolve to employ them when sickness shows the disorders they cure.

Statements from leading physicians in every town in the principal cities, and from other well known persons, follow.

From the Hon. Hiram Cummings, Merchant of N. Boston, Mass.

Dr. Ayer: Your Pills are the product of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had defied incurable for years. Her mother has long been a great sufferer from ulcerous complaints, and she also is cured by your Pills, and they have cured her.

JAMES HONORIDGE.

As a Family Physic.

From Dr. E. W. Carterright, New Orleans.

Your Pills are the prince of purges. Their excellence upon surpass any cathartic we have ever used. They are mild, but very certain and efficacious in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

Dear Sir: Ayer: I cannot answer you what complaints I have cured with your Pills better than to say of them that I never treat with a purgative medicine. I place great dependence on an efficient cathartic in my daily contest with disease, and believing so I do that your Pills afford me the best we have, I of course value them highly.

Pittsburg, Pa., May 1, 1855.

Dr. J. C. Ayer, Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE,
Clerk of Scioto Circuit.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Dwight, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I successfully prescribed them for years at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO TALL, M. D.,
Physician and Surgeon Marine Hospital.

Dysentery, Diarrhœa, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in estimation as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhœa. Their sugar coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. King, Pastor of Advent Church, Boston.

Dr. Ayer: I have used your Pills with extraordinary success in my family and among my parishioners. I deem them invaluable as a regulator and purgative of digestion and purifier of the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. KING.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1856.

Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promoters of the natural secretion, when wholly or partially suppressed, and also very effectual to cleanse the stomach and bowels when they are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hinckley, of the Methodist Episc. Church.

PLANTERS' HOUSE, Savannah, Ga., Jan. 8, 1855.

Honored Sir: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on rheumatic gravel, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

☞ SENATE CHAMBER, Baton Rouge, La., 6 Dec. 1855.

Dr. Ayer: I have been entirely cured, by your Pills, of *Rheumatic Gout*—a painful disease that has afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for $1.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass., and for sale by G. ROBERTS, Columbus, and by all Dealers in medicine everywhere.
