LOCAL AND MISCELLANEOUS.

Gone East.

J. MULVANE is now in the Eastern cities buying his spring supply of goods. They will be here in course of very few days.

Look Out.

Persons who desire a valuable location for the Bakery or Confectionary business, or for both should read the advertisement of R. WHEATON, in to-day's paper.

Dr. Richards.

Our readers of the region round about Berlin will please notice the card of Dr. RICHARDS. The Dr. is highly spoken of by those who know him well.

Sugar Cane Seed.

W. BRAY has received and has for sale a large lot of Chinese Sugar Cane Seed. This crop has proven very profitable to farmers. See advertisement.

Tailoring.

We would call the attention of every man or boy who wears clothes, which most of them do hereabout, to the advertisement of A. S. LOUTHER, Fashionable Tailor.

Selling at Cost.

H. J. CONNER has removed his shoe store to the room recently occupied by Selfridge & Pugh, where he is closing out his stock at cost, and in many cases twenty-five per cent below cost. It is a good place to get bargains.

Clothing.

A very large and elegant assortment of ready made Clothing, Hats, Caps, &c., is just received at the cheap Clothing Store one door West of the old American corner. Call and examine the stock and prices before purchasing elsewhere. See advertisement.

A Narrow Escape.

During the thunderstorm of Saturday evening last the residence of Mr. GEORGE SEARIGHT, Fredericksburg, was struck by lightning. The fluid passed down a flue, severely stunning several persons in the house, breaking some dishes, &c. We learn no one was seriously injured.

High Water.

The heavy rains of the past few days have swollen the streams to an almost unprecedented height.—The Killbuck is said to be higher than it has been since 1838. Considerable property has been destroyed. Mr. D. R. WOLGAMOT had some sixty sheep drowned on Monday night. The Railroad sustained serious damage by the washing away of an embankment a short distance above Holmesville. We have not learned the extent of the damage but we understand that it will probably be several days before a train can pass over the break.

Court.

The Court of Common Pleas of this county, will commence on the first day of May next. The Grand Jurors summoned are William Griswell, John Perdew, William Rainesburg, James McCullock, James Hockinberry, Fayette Emrick, Frederick Biddle, John Beatty, Jacob Winner, John Moore, Isaac Harpster, Gideon Booher, John Hitchcock, Joseph Kimery and Sylvanus Purdy.

The Petit Jurors summoned are Joseph Newton, Benjamin J. Miller, John Patterson, Jacob J. Stutzman, George Snyder, Peter Stuber, Hanson Ferril, George Schalliol, David Smetzer, Martin Knox and James Skelly.

Spring.

Fair Spring, the type of all that is lovely and beautiful in nature, is again upon us, and will soon assert her full supremacy over the whole relam of nature here below. The flowery season is ushered in with that bland mildness which is so very befitting, and as we write the appearance of the sky overhead denotes the near presence of that agreeable visitor, whose coming is the forerunner of the wealth of the season—the April shower. Yes, it is to the renovating influence of the gentle April shower, at least in our clime, that poetry owes all its sweatest charms, and to this philosphy is indebted for the development of the entire economy of the material world.

☞ The Holmes County *Farmer*, a reliable Democratic paper, published at Millersburg, that county, has recently been enlarged and otherwise improved. In Fulton county, there are a large number of citizens who in former days, resided in that county, and to such who wish to keep posted in the political affairs of that section, we can recommend the "*Farmer*." Holmes is our (the Jr. Ed.) native county, and there, when a youth, was first imbued with the political principles inertained by a large majority of her citizens. Holmes always gives her vote for the Democratic candidates.—*Delta, Ohio, Press.*

The writer of the above is JAMES K. NEWCOMER, Esq. The *Press* is a live Democratic paper recently established in Fulton county, Ohio. We wish the *Press* success, and the friends of Mr. N., in this county, will join us in this.

Marriage License.

During the month of March Judge SAUNDERS issued marriage license to the following named parties: A. S. Williams and Rhoda Ringler; Leopold Weiond and Caroline Bord; Geo. Pfouts and Semantha Beidler; G. W. Reynolds and Debby Brentnell, John M. Schickinger and Fredericca Sendinger; John Conkle and Lydia Kaser; David Suse and Ann E. Agleson; Joseph Molebash and Mary Blasser; Benj. F. See and Melisse C. Priest; Hiram Scheivley and Margaret Law; Samuel Meline and Sarah Assire; Joseph Stuber and Susanah Kline; David K. Sharp and Lydia J. Armstrong; George Snoer and Barbara C. Hence; Alexander Conn and Julia A Harpster; William Congle and Christena Merchand; Henry H. Wachter and Mary Overholtzer; David Hudson and Nancy Kilgore; William Brush and Elizabeth Pumroy; G. W. Figney and Margaret Wellver; Robert E. Bayes and Susan Snyder; James Waddington and Joana E. Orr; Jacob Kaub and Rachel Ely.

The Quaker City Soap Man.

The good people of our town were stirred up on Friday evening last by a good looking young man, dressed after the style of the continentals, appearing, all of a sudden, on a box apposite our office. Many stood off, wondering what manner of man is this that has so suddenly dropped down upon us. His pleasing eloquence, and laughter provoking wit soon gathered an excited crowd around him—He had spoken but a few minutes till it was found out that he was the veritable Quaker city soap may, Mr. C. E. J. BROOKS. Some bought soap and tried it, and its great merit having been noised abroad, on Saturday, and Saturday evening every body rushed in to get a supply. A large quantity of soap was sold, and all persons we have known to try it are highly delighted with it. Many who bought did so with the expectation of being "soft soaped," but after trying it they concluded they had made a good investment. Mr. BROOKS is an educated man, and is gifted with exceeding oratorical powers which cannot fail of bringing him the success he so much deserves. Long live the Quaker city soap man.

A CARD.—A MISSIONARY LATELY returned from Japan, has brought with him a receipt which has cured thousands, who were suffering from Consumption, Bronchitis and debility. I obtained it from a learned Physician, in the great City of Jeddo. Having been cured by it myself of Consumption, when all other means had failed, I am desirous of benefiting by sending this receipt, to all who may need it, free of charge. REV. WILLIAM CUMMINGS,

☞ CROUP.—Children are often seized very suddenly with this disease, which, if not quickly relieved, proves fatal. It generally attacks children in the night, after having been much exposed to the damp cold winds through the day. Damp house, wet feet, thin shoes, wet clothes, or anything that robs them of perspiration, may occasion Croup. Mothers! your children are liable to be attacked with this dreadful complaint at a time when you least expect it, but it is not always a doctor can be called or a remedy found, and for this reason we would advise you now, not without a moment's delay, to buy a bottle of Dr. EATON'S INFANTILE CORDIAL. It will cure every case of Croup, (taken in time) and also all complaints attending Teething, Convulsions, Coughs, Colds, etc. It is sold by all respectable druggists. Messrs. CHURCH & DUPONT, New York, are the proprietors, and to them address orders for Dr. EATON'S Blood Food, which for Consumptives and Chronic Diseases is a sure remedy. Do not be put off with any other articles. Write to Church & Dupont, New York, if you cannot get them in your town. Price $1 per bottle. (n39y1)

WANTED! A HORSE AND BUGGY,

ON the 19th, ult., a man called at my Livery Stable, in Millersburg, and hired a Horse and Buggy, which has not yet been returned. The man was well dressed; about 5 ft. 10 inches high, and about 40 years of age. The horse was white, has a burn on the left shoulder and about 7 years of age. The Buggy had a brown bed, open. They are supposed to have been taken eastward. The man represented himself as a stockbuyer. Any information which may lead to the recovery of the property will be liberally rewarded.

MOTHERS

Thousands are daily speaking in the praise of

DR. EATON'S

INFANTILE CORDIAL,

and why? because it *never fails to afford instantaneous relief* when given in time. It acts as if by magic, and *one bottle alone* will convince you that what we say is true. It contains

NO PAREGORIC OR OPIATE

of any kind, and therefore relieves by *removing the sufferings* of your child, instead of *deadening its sensibilities*. For this reason, it commends itself as the *only reliable* preparation now known for *Children Teething, Diarrhoea, Dysentery, Griping in the Bowels, Acidity of the Stomach, Wind in the Head, and also, for softing the gums, reducing inflamation, regulating the Bowels, and relieving pain, it has no equal—being an anti-spasmodic it is used with unfailing success in all cases of Convulsion or other Fits. As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which all their remedies for Infantile Complaints are composed, take none but Dr. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless, as it cannot injure the most delicate infant. Price 25 cts. per bottle. Prepared only by CHURCH & DUPONT,*
