Truth Stranger than Fiction!

READ AND BE WISE.

IF, in the course of human events, it becomes necessary to use Stories and Dialogues in bringing the advertisement of goods to the notice of the public, and being determined not to be less lingering behind in the march of time, I will step into the ranks to tell my numerous customers and the public in general, that I am not crushed out yet by the tremendous size and extraordinary cheapness of the stocks of Clothing that is brought to this town and sold for the "small amount" of so and so many dollars per piece, with a profit of the "small sum," or "small amount" of fifty to sixty per cent. on them, but I am still on hand, tall sized as ever, (only a little more so), and try to keep on hand a full assorted Stock of ALL KINDS OF

READY-MADE

CLOTHING!

FURNISHING GOODS!

OF ALL KINDS,

Hats, Caps, Trunks, Valises,

And every thing else generally kept in a well conducted Clothing Establishment.

True, we have no Hoop Skirts or Razors, Best Sperm or Lamp Chimneys; neither have we much Jewelry nor Ball Dresses, Toy Drums nor Small Combs; but what we do have we will sell for as little value, not at the "small sum of a trifle above first cost," for that is not true and would not agree with the heading of this Article; but we will charge you a living profit.

Since, by selling goods we make our living, and by selling in reality without humbug, at a "trifle above cost," no man can live, unless he calls that "trifle" 50 or 60 per cent.

My opinion being now about the length of a common business advertisement, I will close, inviting the public in general and everybody in particular, to call at my Store and satisfy themselves that I am in existence yet, and have plenty of Goods to sell them as above stated, and what is more so, I will have in due time, a new stock of Spring and Summer Goods that will astonish even the two neighbors of the dialogue.

We will sell you

Overcoats at Cost

from this out for Cash, thinking this the wiser plan than to keep them over Summer.

We have still on hand a good Stock of piece Goods, such as

Cloths, Cassimers and Vestings,

OF ALL KINDS, COLORS and textures, which I will make up to ORDER at as LOW FIGURES as the present Markets will afford guaranteeing GOOD and comfortable FITS, giving satisfaction to everybody, and in all cases, it being understood—NO FIT, NO TAKE.

DR. ROBACK'S

BLOOD PURIFIER

and

BLOOD PILLS

have been introduced to the public for more than six years, and have acquired an

Immense Popularity,

far exceeding any Family Medicines of a similar nature in the market.

An appreciating public was not long in discovering they possessed remarkable

Curative Properties,

and hence their

Rapid Sale

and consequent profit to the Proprietor, thus enabling him to expend

Many Thousands

of dollars each year in advertising their merits, and publishing the

Numerous Certificates

which have been showered upon him from

All parts of the Country.

The peculiarity of the

Blood Purifier and Pills

is that they strike at the root of Disease, by eradicating every particle of impurity

In the Blood,

for the life and health of the body depends upon the purity of the blood.

If the blood is poisoned, the body drags out a miserable existence. These medicines

Are Unequaled

for curing

Scrofula,	*Syphilis,*
Skin Diseases,	*Old Sores,*
Salt Rheum,	*Rheumatism,*
Dyspepsia,	*Sick Headache,*
Liver Complaint,	*Fever and Ague,*
Leucorrhœa,	*Female Complaints,*
Erysipelas,	*St. Anthony's Fire,*
Tumors,	*Eruptions,*
Fits, Scrofulous Consumption, etc.	

ONE person writes, her daughter was cured of fits of nine years' standing, and St Vitus' dance of two years.

ANOTHER writes, his son was cured after his flesh had almost wasted away.

The doctors pronounced the case incurable.

ANOTHER was cured of Fever and Ague after trying every medicine in his reach.

ANOTHER was cured of Fever Sore which had existed fourteen years.

ANOTHER of Rheumatism of eight years.

Cases innumerable of Dyspepsia and Liver Complaint could be mentioned in which the Purifier and Pills

Work like a Charm.

The Blood Pills

are the most active and thorough pills that have ever been introduced.

They act so directly upon the Liver, exciting that organ to such an extent as that the system does not relapse into its former condition, which is too apt to be the case with simply a purgative pill.

They are really a

Blood and Liver Pill,

which, in conjunction with the

Blood Purifier,

will cure all the aforementioned diseases, and, of themselves, will relieve and cure

Headache,	*Costiveness,*
Colic Pains,	*Cholera Morbus,*
Indigestion,	*Pain in the Bowels,*
Dizziness, etc.	

Try these medicines, and you will never regret it.

Ask your neighbors, who have used them, and they will say they are

Good Medicines,

and you should try them before going for a physician.

Get a Pamphlet or Almanac of my local agent, and read the certificates, and if you have ever doubted you will

Doubt no more.

As a proof that the Blood Purifier and Pills are purely vegetable, I have the certificates of those eminent chemists, Professors Chilton of N. Y., and Locke of Cincinnati.

Read Dr. Roback's Special Notices and Certificates published in a conspicuous part of this Paper from time to time.

Price of the Scandinavian Vegetable Blood Purifier, $1 per bottle, or $5 per half dozen. Of the Scandinavian Vegetable Blood Pills, 25 cents per box, or 5 boxes for $1.

Ayer's SARSAPARILLA,

THE WORLD'S GREAT REMEDY FOR

Scrofula and Scrofulous Diseases.

From Emery Eder, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I tell my testimony to that you publish of the medical virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well known and much-esteemed lady of Hendersville, Cass Mag Co., N.Y.

"My daughter has suffered for a year past with a scrofulous condition, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely known Gage, Storey & Co., many years editor of commercial papers in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptom of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood.

From Jno. Bold, Service, Hamilton St., New York.

"DR. AYER: I believe you to remove *Eruptions* and *Scrofula* as well as the powerful agent of your SARSAPARILLA, as I have just now cured an attack of *Malignant Erysipelas* with it. No other alterative produced any effect. SARSAPARILLA has thoroughly purified the blood, and I recommend it to my friends as well as the public."

From L. S. Johnson, Esq., Worthington, Ohio.

"For twelve years I had the worst kind of pains on my right arm, during which time I tried all the celebrated physicians I could reach, and took home doctors bills enough to make a fortune. The pains were so bad that the arm became useless, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and more of your PILLS. Together these have cured me. I can now sell and trade as any body. Being a public officer, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Moore, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the sick and ailing."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Mills, Esq., of the firm of the Messrs. Mills, Syracuse, Onondaga Co., N. Y.

"Our only child, a boy of three years of age, was attacked by phagedenic erysipelas. They rapidly spread until they covered a tablespoon and vitals were laid bare, which occasioned his death in fifty hours. Our family physician, who had employed the nitrate of silver on other occasions, without any apparent effect, for fifteen days we applied his house, but with them he spared no pains to do his duty, and earnestly wished to save our child. Our family had been using your SARSAPARILLA, and applying the bottle to patients before, so you know the confidence we had when we had recourse to it. The result was, we saved our child from the grave, and he is now in health and vigor as any other. The whole neighborhood predicted that the child would die."

Syphilis and Mercurial Disease.

From Dr. Bond, of Mt. Vernon, Missouri.

"I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of *Syphilis* and *Mercurial Disease* than any other you prescribe. The proof accompanies this. Send me 1 doz. of the best medicine we have."

From A. S. Lapsley, M. D., an eminent physician of Lexington, Mo., and President of the Missouri Medical College.

"DR. AYER: My dear sir: I have found your SARSAPARILLA an excellent remedy for *Syphilis*, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other treatment. Indeed, I know of no alterative compound with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Lee, Editor of the Democrat, N. Y., has detailed in one of his editorials, which he calls the disease of memory, an severe case of Scrofula, which grew worse and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and discouraging than this, nor it took several dozen bottles to cure him.

Leucorrhœa, Whites, Female Weakness, are usually produced by internal *Scrofulous Corruptions*, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, to aid of the SARSAPARILLA, the skilful application of local remedies.

From the well known and widely celebrated Dr. Hunt, of Hartford, Conn., author, &c.

"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of irregularity, Leucorrhœa, Internal Ulceration, and local debility, which have been the common children, have yielded to it, and there are few that do not, when medicine is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhœa of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia,

when caused by *Scrofula* in the system, are rapidly cured by this EXT. SARSAPARILLA.

AYER'S CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.

HOSTETTER'S

CELEBRATED

STOMACH BITTERS.

A pure and powerful Tonic, corrective and alterative of wonderful efficacy in diseases of the

Stomach, Liver and Bowels.

Cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether like cent in the system or produced by special causes.

NOTHING that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no liquor of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is valuable for protection against disease, and, so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes, Hostetter's Bitters may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly saturated with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and genuine appetizer, as well as upon the liver, it is as invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive and from both sexes.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional weakness, Premature Decay and Debility and Decrepitude arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is the only Safe Stimulant, being manufactured from sound and innocuous materials and entirely free from the acrid elements present more or less in all ordinary tonics and stomachics of the day.

No family medicine has been so universally, and, it may be truly added, deservedly popular with the intelligent portion of the community, as HOSTETTER'S BITTERS.
