RAILROAD FOR STEVENS

John Kelly Says Road Will Be Built to Hugoton Soon

The Hutchinson News gives the following version of the railroad movement southwest of here:

"Stevens county is to have a railroad, according to J. A. Kelly, a ranchman living at Hugoton, who was in Hutchinson last night. Mr. Kelly believes the road is to be built by the Santa Fe people under the name of some other organization.

"'I talked to the surveyors when they came through our part of the state,' said said Mr. Kelly last night. 'They had run the line from Raton, N. M., as far as Hooker, Okla., on the Rock Island road. Another survey is to be made which will change a portion of the line and will bring the road up through Morton and Stevens county, Kansas, instead of Beaver county, Oklahoma.

"'This road will be a fine thing for our country. It is something we need. Hugoton is twenty miles from the nearest railroad point at Hooker, O. T., and thirty miles away from Liberal.,

"Mr. Kelly believes the Santa Fe means to extend the Englewood branch of that road, west from Englewood, to cross the Rock Island at some point near Liberal. This would tap country both east and west of the Rock Island, that is now served conveniently by no road and would open up new business for everyone. The Englewood branch of the Santa Fe crosses the Hutchinson & Southern at Sage, forty miles south of Hutchinson, and Hutchinson sells lots of goods down that way.

"Mr. Kelly believes that his county has doubled in population in the last year. 'We are selling land to lots of people who are coming there to live,' he said. 'It is as good land as anyone's if there was a little more rain, and we're getting more than we used to. I have lived in Stevens county for 22 years and there never was a time when things looked as well as they do now. Conditions are improving every day and a railroad there would open up some of the best country anywhere.'"

Review of Weather.

For week ending Wednesday, June 27 1906, as furnished by T. J. Considine of the local Weather Bureau

The precipitation during the week has been light with, however, two good showers, one on the 23d and the other last night; and sprinkling rains during the night of the 24th and 25th. The temperature during the week has ranged below normal. The highest temperature during the week was 96 degrees and occurred on the 22d. There were no high winds until the night of Tuesday the 26th when a velocity of nearly 52 miles per hour occurred for the space of about one minute.

It Costs Nothing

To find out for a certainty whether or not your heart is affected. One person in four has a weak heart; it may be you. If so, you should know it now, and save serious consequences. If you have short breath, fluttering, palpitation, hungry spells, hot flushes; if you cannot lie on left side; if you have fainting or smothering spells, pain around heart, in side and arms, your heart is weak, and perhaps diseased. Dr. Miles' Heart Cure will relieve you. Try a bottle, and see how quickly your condition will improve.

"About a year ago I wrote to the Miles Medical Co., asking advice, as I was suffering with heart trouble, and had been for two years. I had pain in my heart, back and left side, and had not been able to draw a deep breath for two years. Any little exertion would cause palpitation, and I could not lie on my left side without suffering. They advised me to try Dr. Miles' Heart Cure and Nervine, which I did with the result that I am in better health than I ever was before, having gained 14 pounds since I commenced taking it. I took about thirteen bottles of the two medicines, and haven't been bothered with my heart since." MRS. LILLIE THOMAS, Upper Sandusky, Ohio.

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.

Miles Medical Co., Elkhart, Ind

Resolutions of the Ford County Normal of 1906

The following resolutions were unanimously adopted by the Institute at the session of 1906.

Whereas the Ford County Institute is about to close its annual session of 1906 and whereas said session has been an unusually successful one because of the zeal and earnest efforts of both members and faculty. And whereas the residents of Dodge City have contributed to the success and pleasure of the term by the spirit of cordiality they have shown to us by opening their homes and entertaining us therein and elsewhere, and whereas we feel under lasting obligations to the County Superintendent, the Instructors, and the people of Dodge City for the interest manifested and the labor performed for our benefit, therefore be it resolved,

That we the teachers of Ford county do heartily commend Supt. Woodbury's judgment in securing Professors J. S. Carson, J. F. Lyons and C. A. Smith. We believe the work done by them in this institute cannot be excelled. In Conductor J. S. Carson we recognize an instructor of the highest ability and a conductor whose work is beyond criticism.

Resolved that we heartily thank J. S. Carson, C. A. Smith, J. F. Lyons for the able services which they have as instructors rendered. We feel that we as teachers have profited much by our intercourse with them, that our work has been lifted to higher excellence by Mr. Carson's able work in General History, U. S. History, Civics and Kansas History, and Professor Lyons' excellent instruction in Grammar, Literature, Geography, Reading and Orthography, and the respect and admiration of the teachers will go with them to their work.

And that we thank Professor C. A. Smith for his earnest work in Arithmetic, Algebra, Physics, Bookkeeping and School Management, and especially for the practical lessons in school management which he has given us.

Resolved that we thank Mrs. L. A. Madison for the excellent instruction in music she has given us. We feel that this department of the Normal work has been greatly improved and we recommend that the teachers make a greater effort to introduce vocal music into the schools of this county.

Be it further resolved that we extend our thanks to all who have assisted us in the general exercises and those who have assisted us in other public entertainments which have contributed so much to our enjoyment.

Be it further resolved that we heartily endorse the administration of F. C. Woodbury as county superintendent. We believe that under his efficient management, Ford county has taken rank as one of the foremost counties in the state in educational matters. We feel under lasting obligations to him for his kindness to us. We trust our relation as Superintendent and teacher may long continue.

We insist that our worthy Superintendent become a candidate for the office of County Supesintent again, and we pledge to him our hearty support.

Resolved that we extend to the City School Board our thanks for the use of the school building, also to Mr. Locke and family for granting us the hospitality of their home, and to Miss Adams for her efficient and gratuitous work as pianist during the term.

SUMMER VACATION IN COLO.

Low Rates via Rock Island Lines.

Colorado, as a place for recreation, is the choice of many thousands of summer tourists.

Colorado is a land of clear, pure air and golden sunshine. It is a land of sparkling mountain streams and glassy surfaced lakes. There are more enjoyable things to do, more grand sights to see in Colorado than any other place under the sun.

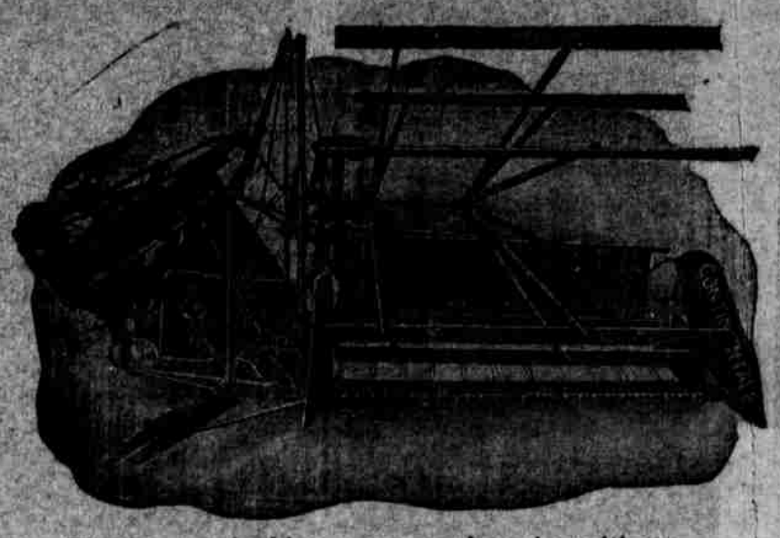
From June 1 to September 30 the Rock Island Lines will sell summer tourist tickets at rate of $18.25 from Dodge City to Denver, Colorado Springs or Pueblo and return. Return limit October 31. July 10 to 15, inclusive, the special round-trip rate of $14.75 from here is effective.

This latter rate is authorized on account of the Elks' Annual Meeting at Denver July 16 to 21. Tickets limited for return to August 20.

Very low rates will also be in effect to Glenwood Springs, Colo., Salt Lake City and Ogden, Utah, Yellowstone National Park and to the Pacific Coast with cheap side trips to nearby points of interest en route.

New and improved train service via the Rock Island is an important feature for the Colorado traveler to consider.

Full details of rates, routes, service and any information desired will be gladly furnished by the Rock Island Ticket Agent at Dodge City, Kansas.



We are very grateful to our customers and patrons for the way in which they have upheld our position as independent dealers. They will have no reason to regret their action, on the contrary they can always be sure of up-to-date machines and have the advantage of a good big line of repairs, which are on our shelves for all machines we sell and all at the right prices which are lower than the trust. Prompt, careful, courteous attention when they buy JOHNSTON Headers, Binders, Mowers, Corn Binders, Hay Rakes and Disc Harrows. We have a complete line for all kinds of farming now ready at our store and sales rooms, and invite the careful inspection of all farmers.

The farmers in this country are American citizens and believe in Liberty and Freedom of choice which is every man's right. The trust question compells the farmer to take sides he cannot ignore the situation, even if he wishes to do so. Aside from the moral question of right and wrong and whether right shall make right. There is the serious question of policy —the position of this company as Independent Dealers of Harvesting Machinery remains the same as it has been and we will continue to buy and sell the best.

The Johnston Harvester Co. says: "We are not in the trust. No stock holder in the trust holds any stock in the Johnson Harvester Co., and no stock holder in the Johnson Harvester Co., holds any stock in any other Harvesting Machine company, nor have we any agreement verbal or written, or stand in any position which in any way tends to compromise our independence." We will be glad to show you samples and give you prices, which will interest every farmer. If you are not acquainted with us please call and let us get to know you. Our guarantee and our manner of making good what we say will please you and be of great benefit to you for we say what we will do and do what we say. You can always find us when you need repairs.

Summer Trips to Colorado . . .

Up under the "Turquoise Sky" it is clear and cool—the climate of the mountain country is the best on earth.

There are many things to do among the Rockies—no end of enjoyable pastimes.

That explains why so many thousand people go to Colorado every summer.

Wouldn't you like to try it—for two, three or more weeks. Your health would be improved and you'd have a grand, good time.

Low rates daily throughout the summer, commencing June 1. About one fare for the round trip, with return limit of October 31.

Special reductions on certain dates. Details for the asking.
