EFFICIENCY.

All things are changing. Sudden gone from me
The gods of Prudence and Propriety:
These little gods whose law was fear.
The god of deathless souls is here!
Nor fast nor fawning will his favor gain.
The weakling prays to him in vain.
But one commandment his: "Succeed!"
"Do" is the law; "I dare," the creed.
—Lennie Haynes Martin.

A UTILITARIAN TOPIC.

Mrs. Gerald Cassidy, who besides being the wife of an artist of national fame, is a magazine writer, a journalist, a civic worker and especially interested in promoting Indian handicraft, will address the Santa Fe Woman's club on Tuesday afternoon on this subject, so near to her heart and will illustrate it with specimens of handicraft in its most artistic and acceptable form. The lecture will be made a social event as tea will be served in the Rito de los Frijoles room.

At the same time, Mr. Cassidy expects to exhibit the first of his mural paintings for the Hotel Gramatin in Bronxville. It is an idealized representation of the mission of San Juan Capistrano. The subject is handled in masterly manner. How flattering the commission for the hotel is to Santa Fe's artist colony may be gauged from the following notice in the American Art News:

"The management of the Hotel Gramatin, Lawrence Park, Bronxville, has extended to the Bronxville artists the privilege of holding an exhibition there. Max Bohm, one of the men the war has driven home, shows four noteworthy canvases—a portrait, a French landscape and two large compositions the most important of which is "Spring." On the same wall are decorations by Spencer Nichols, who has adopted Japanese art as his model. Walter Clark's bits of nature are veritable color symphonies, and Anne Crane shows some good snow scenes. In 'Woodland Pool,' 'Rocks and Surf,' etc., Hobart Nichols has caught the feeling of outdoors with an unaffected simplicity and directness. Otto Bacher's work has much of nature. There is a delightful Bruce Crane and an interesting view of the Gramatan by Charles Louis Hinton. W. T. Smedley exposes a splendid portrait of a boy, one of a young girl, which is a bit weaker, and a large outdoor group of a mother, seated under a tree, reading to three children. William H. Howe shows a splendid group of heads of cattle—strong, vital studies, done from nature. There are five sculptors represented. Clara Hill's portraits in bas relief are sensitive and charming and Clarise Massee's child studies have considerable appeal. Laura B. Gates, Charles Louis Hinton and C. H. Knight also exhibit."

THE HIGGINS EXHIBIT.

Santa Fe is again extremely fortunate in having the first exhibit of a summer's work by a distinguished American artist, Victor Higgins, of Chicago, who has just been awarded the American artists' prize for his portrait of two Taos Indian girls. Mr. Higgins, a close friend of ex-Mayor Carter Harrison of Chicago, has just completed a summer at Taos and is on his way home, but took a side trip to Acoma from Santa Fe, in the meantime displaying his pictures in the historic reception room of the Old Palace, where they are being criticized, discussed and admired as few pictures ever are. They are so different in their treatment, so colorful and soulful, so luminous and so original in their delineation of New Mexico skies, mountains and pueblos, in their Indian types, as to be a revelation. It is recognized that among the young artists of America, Mr. Higgins already holds a very high rank. The pictures will be exhibited this winter in Chicago and New York.

IN HONOR OF MRS. COCHRAN.

The departure of Mrs. C. H. Cochran for Wyoming on Wednesday leaves an appreciable void in Santa Fe society circles. Her charm of manner, her hospitality, the eagerness with which she worked in civic organizations, made her a great favorite. Tuesday Mrs. R. J. Palen gave a luncheon in her honor at her home on East Palace avenue. The guests were seated at two tables, yellow and white blossoms were attractively arranged, the menu also carrying out the color scheme of gold and white. The guests were Mesdames C. H. Cochran, William C. McDonald, George Ulrich, James L. Seligman, A. B. Renehan, Lorin C. Collins, H. S. Kauffman, Arthur Boyle, Frank W. Chaves, N. B. Laughlin, Rupert F. Asplund, Jacob Weltmer, William H. Pope, L. A. Hughes, W. T. Thornton, Frank W. Parker, Austin Brady, Leonidas Smith and Longstreet Hall, Misses Flora Conrad, Elizabeth Marron, Alice Atkinson and Clara Olesen.

On Monday afternoon Mrs. Frank W. Parker received in honor of Mrs. Cochran. There were 40 guests, paid their respects while tea was being served. Mrs. Parker was assisted by Mrs. W. H. Wickham, Mrs. C. M. Wells and Mrs. George Van Slane.

IN HONOR OF MRS. HULL.

Quite a round of parties, dinners and luncheons was given in honor of Mr. and Mrs. Longstreet Hall of Guthrie, Okla., who were the guests of Judge and Mrs. W. H. Pope (the latter the sister of Mr. Hull). Mrs. Harry P. Lee gave a dinner for the young couple, who were married only the week before. The guests in addition were: Mr. and Mrs. William J. Barker, Judge and Mrs. William H. Pope, Mr. and Mrs. Earl Iden and Mr. Herbert W. Clark.

Mrs. Pope gave a tea in honor of her guests, which was attended by the younger set, among the guests being Mesdames Parker, Gillette, Gardesky, Iden, Morgan, Adams, Johnson, Hayden, Lackey, Wilson, Warren, Jaffa, Chapman, Van Stone, Burrows, Miller and the Misses Spitz, McFie, Church, Shearer, Bertsch, Boyle and Phelps.

Wednesday afternoon Mrs. Kenneth M. Chapman gave a luncheon in honor of Mrs. Hull. Mr. and Mrs. Hull left for their Oklahoma home on Friday.

BRIDGE AND DANCING.

Mrs. Townsend entertained at bridge on Thursday evening. She has just returned from a visit to California as well as her home in Iowa and was welcomed back heartily into local society. The guests were H. B. Cartwright, Samuel G. Cartwright, Mr. and Mrs. Torley, Mr. and Mrs. Leonidas Smith, Mrs. Hayden and Miss Williams.

Mr. and Mrs. Levi A. Hughes gave a dinner Thursday evening in honor of ex-Governor Herbert J. Hagerman, who was a house guest. Mr. Hagerman left for his Roswell home on Friday afternoon.

Mrs. W. A. Fiske gave a surprise party in honor of Miss Nellie Harrison, which was most thoroughly enjoyed by a score of the younger set. Mrs. Fiske, by the way, this week delighted the museum authorities with the presentation of an autograph volume of Ben Hur presented by the author to his dear friend, the late E. A. Fiske. At the same time Mrs. Fiske presented a letter of General Lew Wallace, one of the last he wrote and in which he expressed the wish that death would find him working.

The dance on Friday evening under the auspices of the Woman's Board of Trade proved a very enjoyable affair.

CLUBS AND SOCIETIES.

After the lecture by Prof. J. H. Wagner and Mrs. W. H. Bartlett before the Woman's club on Tuesday afternoon, tea was served in the Rito de los Frijoles room of the Palace of the Governors by Mrs. M. L. Burrows and Mrs. B. E. Heddins. Tea was poured by Mrs. C. J. Roberts and Mrs. Alvan N. White.

The Daughters of the American Revolution met with Mrs. Frank W. Parker and adopted a resolution in favor of President Wilson's national defense program.

The Tuesday club met with Miss Spitz on East Palace avenue. The special guests were Mrs. Ulrich of Carrizozo and Mrs. Davies. The prizes went to Mrs. John March, Mrs. A. B. Renehan and Mrs. C. M. Wells, Mrs. Ulrich receiving the guest prize. The club will meet with Mrs. Sargent this week.

Mrs. Levi A. Hughes, Washington avenue, entertained the Saturday club which met at the executive mansion, with Mrs. McDonald, last Saturday. The Wallace club was the guest Saturday of Mrs. Charles A. Wheelon on East Palace avenue.

The Monday Auction club was the guest of Mrs. E. R. Wright and will meet tomorrow with Mrs. Leonidas Smith at the Episcopal rectory on East Palace avenue. Mrs. Mera won the prize and Mrs. Jaffa received a guest prize.

The Camera club meeting in the Old Palace on Monday was most enthusiastic. Fine progress was made the past week in fitting up cosy quarters. These will be dedicated in the near future with a studio tea.

The first lecture of the season before the Anthropological society will be given on Thanksgiving day by Dr. Paul Radin. His topic will be "England."

THE CALL OF THE WEST.

The haze of the far horizon,
The tint of the auburn sky,
The infinite ocean of wheat fields
With the wild geese flying high,
The hum of the busy binder,
The laugh, the song, the jest,
All of earth's wild freedom—
This is the call of the west.

The crisp frost air of the winter,
The sun in a tropic sky,
The snow-shoe tramp by the river,
The curlew's call "Tee Ti!"
The northern lights in the heavens,
The healthiest land and the best,
The nearest to life that's nowhere
Except in the land of the west.

'Tis a land of hope and promise,
Where a man is known by his worth,
To the Russ, Icelander or Saxon,
No matter the land of his birth.
To each and to all there's a welcome
In the land of liberty blessed,
Oppression and tyranny elsewhere,
But not in the land of the west.

'Tis a land that free from tradition,
Where a man meets a friends as a man,
Where people are up and are doing—
They can, for they know they can!
'Tis a land that is fast becoming
The home of the wanderer's quest,
Where the patriot sings with devotion,
My country, the land of the west.

And far, far away o'er the ocean,
A sweetheart, a sister, a wife,
Is longing and waiting and wishing
To obtain a renewal of life
In this land where for all there is plenty,
That they may enjoy with the rest
The fulfillment of hope and of promise,
This is the call of the west.
—Hunt Copeland in New York Times.

COMING AND GOING.

Captain Willis Wells and wife, prominent residents of Chicago, arrived yesterday for a visit of several days.

Dr. H. E. Twitchell, a noted archaeologist of Hamilton, O., on Thursday visited his cousin, Col. Ralph E. Twitchell. He was homeward bound from the San Diego exposition, and what he saw there and in the museum at Santa Fe delighted him to such an extent that he promised to make a present to the museum of his fine archaeological collection from the Ohio mounds, which has won prizes repeatedly at various expositions.

Mr. and Mrs. Graham Frost of Dallas, Tex., have taken up their residence for the winter in Santa Fe. Mr. Frost is a Santa Fe boy, a son of the late Col. Max Frost.

Mr. and Mrs. Cassidy expect to leave next week for New York city and may be absent a year after which they hope to take up their permanent residence in Santa Fe, where they have bought themselves a cosy home which they are remodeling in old-new Santa Fe style.

Mrs. A. M. Brookes has moved into her new home. Mr. and Mrs. Wiley have taken the house on Fort Marcy stone vacated by Mrs. Brookes, while Mr. and Mrs. Dorsey-Gorst will move into the house vacated by the Wileys.

Has the Cake Walk Come Back?

The cake walk would seem to have come back for another run, to judge from the hit it made with the brilliant throng at a Chicago hotel the other night. Miss Wilma Wynn, the little southern girl who less than three years ago went from her Norfolk home in quest of a career, directed the dance. In an exhibition number with John Clay, Miss Wynn attempted the old fashioned cake walk, and from that moment until the close of the evening's festivities nothing but this style of dance was in order.

OLD FOLKS NEED 'CASCARETS' FOR LIVER, BOWELS

Salts, Calomel, Pills Act on Bowels Like Pepper Acts in Nostrils.

Enjoy Life! Don't Stay Bilious, Sick, Headachy and Constipated.

Get a 10-cent box now.

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles.

So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty.

Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets, and they cost only 10 cents per box at any drug store. They work while you sleep.

Permanent Relief for Chronic Constipation

Knowledge and Practice of Correct Daily Habit the Great Essential.

"Constipation is a condition affecting all classes of all people and can be permanently relieved only by acquiring habits of regularity.

The most natural time for the elimination process is in the morning when both the muscular and nervous systems are relaxed by sleep and rest. When relief does not come readily, it is an excellent plan to take a mild laxative at bedtime. Cathartics and purgatives, that by the violence of their quick action shock and disturb the system, should not be employed.

An effective laxative remedy that is very dependable, and which does not gripe or otherwise disturb the system involved, is found in a combination of simple laxative herbs known as Dr. Caldwell's Syrup Pepsin that can be bought at the drug store for fifty cents a bottle.

Mrs. C. C. Allen, 215 Foam St., New Monterey, Calif., wrote to Dr. Caldwell that she "found Dr. Caldwell's Syrup Pepsin just what was needed for constipation and distress of the stomach after eating. It should be in every household."

MRS. C. C. ALLEN

Get a bottle of Dr. Caldwell's Syrup Pepsin and keep it in the house to use when occasion arises. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 414 Washington St., Monticello, Ill.

A Miracle of Beauty Can Happen to You

By Miss Valeska Suratt

Her Beauty Is All Self-Made

Secrets That Will Save You Years of Time and Many Dollars in Your Quest for Beauty, Told by Valeska Suratt.

MISS T. D. A.—If you keep on pinching and steaming your face you will ruin your complexion. You can get rid of blackheads in a few minutes by rubbing them with powdered borax sprinkled on a hot wet sponge. You can get the borax at the drug store. I have been often complimented on the magic action of this formula.

THERESA O.—I am very sorry indeed you could not get at the drug store the solid for making my formula for removing wrinkles. Write to my secretary, enclosing the price, 50 cents, addressing "Secretary to Valeska Suratt, Thompson Bldg., Chicago," and you will be supplied with it at once.

PHYLLIS—You will admit that nothing is so wonderful for removing superfluous hair as my formula below. It never irritates or leaves a spot, and never fails.

Get one ounce of simple sulfo solution. This you can get at any drug store. Apply it with the finger tips, keeping the hair moist with it for two or three minutes since it has been dissolved.

SEARCHER—Every freckle, spot and blemish will leave, and the skin be made exquisitely pure and picky white by using my complexion formula, which is easily made as follows: Mix two tablespoonfuls of glycerine in a full pint of hot water and add one ounce of orsnow. Stir until cool. It is then ready to apply. This should be used on the hands, arms, face and shoulders liberally, every day.

F. O. J.—There is nothing which can assure you a splendid bust development. It is problematical in any case. But you may help it materially by the simple use of a safe formula which is a mixture of half a cup of sugar, two ounces of tincture, and half a pint of hot water, thoroughly mixed. Take two teaspoonfuls of this three or four times a day. This if anything, should give a natural plump development. You can obtain the tincture at any drug store.

EXPECTANT—The most luxurious shampoo I ever used is a teaspoonful of egg dissolved in half a cup of hot water. It is an extraordinary cleanser and its lather is rich and creamy. You can get enough egg at any drug store for twenty-five cents to give you over twelve shampoos.

A COMPLEXION that rivals the lily in purity and a face upon which Father Time has made no mark, even after a span of ten score years. This face framed in a wealth of auburn hair—what more can any woman wish? Nor does it now need a monumental patience and long protracted struggle to accomplish these things. Three or four minutes every day accomplishes it all, with little labor and little expense. For instance, by using my wrinkle formula you remove tight and deep wrinkles, lines of worry, hate and age, and make a difference of years in your appearance in a very few days. You make this up yourself at home in a very few moments by dissolving two tablespoonfuls of glycerine and two ounces of orsnol in half a pint of hot water. I have known women to take off ten years from their appearance by using my wrinkle recipe.

LULU M. H.—My formula given below, for the hair has astounded hundreds of my friends who have used it at my suggestion. All are unanimous in saying that it is a marvel in making hair grow luxuriantly, and absolutely stopping the falling of hair. It is a mixture of the juices of bella-quinn, half a pint of alcohol and half a pint of water (or with a full pint of bay rum instead of water and alcohol, if preferred.) This costs less than any prepared hair-tonic. The bella-quinn can be secured at the drug store.

ELSIE F. T.—I use a face powder made up according to my own formula, called "Valeska Suratt Face Powder." It is free from the crude chalkiness common to nearly all face powders, is exquisitely smooth and delicately scented. To my mind it is a jewel. It is now obtainable at many drug and department stores. If you find it difficult to obtain, simply write to my secretary as suggested here to Theresa O., enclosing fifty cents and stating whether you wish white or flesh tint.
