COMPANY L WINS IN BASEBALL GAME WITH REGULAR ARMY NINE

Company L, First New Mexico Infantry, of Albuquerque, has put a baseball team into the field at Columbus, N. M., that defeated a nine from a regular army organization last Wednesday, according to a letter from Nestor Montoya, Jr., captain of Company L's ball tossers. The score was 10 to 5. Until the ninth inning the score stood 10 to 5 in favor of the Albuquerque boys. In that inning the army team pushed in four runs, principally because of errors.

The batteries were R. Ortiz and L. Tarpiglia for Company L, and Smith and Johnson for the army organization.

The Company L team is to play a troop team of the regulars today.

DUKE CITIANS TO FIRE NEW COURSE AT RANGE TODAY

Marksman and Sharpshooter Courses to Be Shot by Riflemen; Women Invited to Range; Lunch to Be Served.

The Duke City riflemen, who last Sunday began firing the National Rifle association's new course, will fire under the same regulations today at the national guard range. Duke Citians who did not fire the marksman course last Sunday will be given an opportunity to shoot this course today. When the marksman course is finished the riflemen will begin the sharpshooter course.

Here are the National Rifle association's regulations for the marksman and sharpshooter courses:

Marksman course—Fired at 200 yards. No rest is used. Slow fire, five shots prone, five kneeling, five squatting, five standing. Magazine fire, five shots prone, five kneeling, five squatting, five standing. Necessary to qualify, aggregate score of 150 or total score in magazine fire of 75.

Sharpshooter course—Arm, hand or rifle must touch post or parapet. Slow fire, at 200 yards, five shots standing from post rest; 300 yards, five yards kneeling from trench; 400 yards, five sitting or squatting from trench; 400 yards, five sitting or squatting from trench; 500 yards, five prone from trench. Then one skirmish run of twenty shots. Necessary to qualify, an aggregate score of 150 or a total of one skirmish of 75. On ranges where posts and parapets are not provided, the firing may be from the prescribed positions without the rests.

Women are invited to the range today. Luncheon will be served at the range.

TERRIFIC STRETCH DRIVE WINS KENTUCKY HANDICAP FOR CRUMP

(BY MORNING JOURNAL SPECIAL LEASED WIRE)

Louisville, Ky., June 3.—In a terrific stretch drive, Ed Crump's 4-year-old Peep O'Day-Eveline colt, owned by John W. Schorr of Memphis, overcame Andrew Miller's Roamer, American champion of 1913-14 and favorite in the betting, and by a half length won the fourth annual running of the Kentucky handicap at Douglas park, today. Roamer found his impost of 132 pounds too much. W. J. Young's filly Water Witch lasted well in the stretch and was third, a length back of Roamer, and an equal distance in front of W. J. Weber's Hodge. The time for the mile and a quarter was 2:04 3-5. Ed Crump coupled with Dick Williams as the Schorr entry, was third choice in the pari mutuel, with odds at slightly better than five to one.

At the rise of the barrier the eleven starters were away well bunched and in this order passed the grand stand first time around the course. At the quarters Marion Gossby held a slight lead, but lost it to Harry Payne Whitney's Borrow, last year's handicap winner, while rounding into the back stretch Borrow was unable to endure the strain of pacemaking and stopped to nothing. Roamer had been running well up to this stage and sprinted into the lead, to hold it well into the stretch, where he gradually succumbed to the winner. Jockey Guy Garner on Ed Crump rode a well timed race.

Jefferson Livingston's English bred Royal II, and Dick Williams always were well up, but never could get to the flying leaders. Water Blossom, Hank O'Day, Marion Gossby, Borrow and Old Koenig finished in the order named and were badly strung out over a quarter of a mile.

Ed Crump's share of the purse, said to be the richest on the American turf this year, for all-aged contestants, was $11,650. Second money was worth $1,500, third, $800, while the fourth horse saved its stake.

"Big Nine" Retains Baseball.

Chicago, June 3.—Baseball was retained as a college sport in the "big nine" conference by a vote taken at a meeting today of the faculty committee. Prof. James Paige, representative of the University of Minnesota, cast the only dissenting vote.

Y. M. C. A. WANTS JOBS FOR NEARLY A DOZEN HIGH SCHOOL BOYS

Nearly a dozen applicants but no jobs, summarizes the situation faced by the Y. M. C. A. free employment bureau. High school boys, who want work, gave their names to Secretary N. W. Benning, of the Y. M. C. A., yesterday following the announcement of the opening of the employment bureau. However, employers failed to notify Secretary Benning that they had any positions. Mr. Benning wants to hear from them now. He has the boys to fill nearly a dozen places.

'CANDIDATES FOR CIVIL SERVICE POSITIONS'

Comparatively few people realize the splendid opportunities for profitable and pleasant employment that exist in the government under the civil service regulations.

The requirements are not so high as to prevent any one with a good common school education and training given at the Albuquerque Business college from succeeding in passing the examinations.

Literally scores of former A. B. C. students are successfully holding appointments in government service. The work is not arduous, the hours are short, vacations longer than in any other kind of work and the salaries received are greater for the service rendered than in mercantile or professional lines.

BADGERS CHAMPS OF CONFERENCE; RECORDS BROKEN

Two World's Marks Tied at Chicago and Four Big Nine Records Lowered; Illini Finish Second.

(BY MORNING JOURNAL SPECIAL LEASED WIRE)

Chicago, June 3.—Wisconsin, piling up 49 points, was returned conference track champion at Evanston today in a meet in which two world's records were tied, four Big Nine marks were broken and one other conference record tied.

Final points: Wisconsin, 49; Illinois, 35 3-4; Chicago, 26 2-4; Missouri, 20 1-4; California, 12; Purdue, 12; Mississippi A. and M., 5; Kansas, 4 1-2; Notre Dame, 4; Minnesota, 3 3-4; Oberlin, 3; Northwestern, 2; Indiana, 2; Ohio, 1; Ames, 1.

It was announced at the close of the meet that Liversedge and Nichols, of California, were disqualified for having competed for an athletic club. The medals were returned and the points given the competitor next in the respective events in which Liversedge and Nichols took places.

The disqualification of Liversedge spoiled another new record in the shot put, which he did at 47 feet 5 inches, and with that of Nichols cost California twelve points as Liversedge finished third in the javelin throw and Nichols won the high jump.

Individually, Bob Simpson, the Missouri hurdler, was the star. He won the 120-yard high hurdles in his own world's record time of 14 3-5 seconds, broke the conference record by doing the low hurdles in 23 4-5, and took second place in the broad jump. Carman Smith, of Wisconsin, won ten points for the Badgers by taking first place in both sprints, tieing the big nine record in the 220.

Desmond, Chicago's great negro runner, not only broke the conference quarter-mile record, but equalled Ted Meredith's world's mark of 47 2-5. Desmond finished ten yards ahead of Williams, of Wisconsin, who finished second. Don Scott, sole entrant from Mississippi A. and M., smashed the conference record in the half and equalled the eastern intercollegiate record of 1:53 1-5. Artie Mucks, of Wisconsin, broke the conference record in the discus throw with 55 feet 2 inches, and through Liversedge's disqualification was awarded first place in the shot put. Stout, of Chicago, won the two-mile in conference record time of 9:29 3-5.

Fall, of Oberlin, gave Mason a great race in the last quarter of the mile, but the Illinois runner answered his challenge and won in 4:20 1-5. Fisher, of Chicago, lost in the high jump in the jump-off to Nichols but crossed the bar at 6 feet 1 1-2 inches, tieing the conference record.

SERVICE STATION EMBLEM ADOPTED BY GOODYEAR

Nearly every great movement for the betterment of some general condition affecting the human race has been associated in the minds of the public with a distinctive emblem, representing ideals leading along the higher roads of public service. Thus has the Goodyear service station emblem, representing years of patient striving toward a high ideal, come to be an emblem of deepest significance to the men who sell and the men who use automobile tires. And the ideal is—more mileage for Goodyear users.

The emblem is the property of the Goodyear Tire & Rubber company. It is loaned to those who qualify as service station dealers, and becomes a beacon for tire users who wish prompt attention to their immediate requirements. It marks a store as a place to buy tires, tubes and tire savers, and to receive reliable advice on the care of tires.

It is no longer true, if it ever was true, that dealers strive to sell as many tires as possible to a few customers, and that dealers delight in seeing tires go wrong quickly. The new idea in merchandising is to sell tires to as many customers as possible and to make these satisfied customers, so that they will come back to the same place regularly for their requirements. The Goodyear Tire & Rubber company has capitalized this idea, for the benefit of tire users, in the establishment of a chain of service stations throughout the country. In the big cities, in the medium-sized towns and in the rural districts these service stations are within easy reach. By the Goodyear emblem they are easily known. Their part in the Goodyear plan starts where the factory leaves off. In the factory the mileage is built into the tire. The big aim of the service station is to make it easier to get Goodyears and to assist the tire user, through personal advice on tire care, to get all the mileage that is built into the tire.

Many tire users fail to get from their tires the mileage that it is possible to get from them, due largely to a lack of knowledge of the proper care to be given them. The Goodyear service station is the medium through which this knowledge may be transmitted. Tire users are more and more coming to the service station dealer for advice, for help, for service—and that exemplifies the finest kind of relationship that can exist between a merchant and his customer.

APPEAL MADE TO MEXICAN CONSUL FOR JOSE MEDINA

S. Benavides, Acting for Dr. E. Osuna, Asked to Join in Effort to Save Mexican From Gallows.

That no stone is being left unturned in the effort to save Jose Medina, convicted of the murder of Jose N. Chavez, from hanging was apparent from the fact, learned yesterday, that an appeal has been made to S. Benavides, acting consul here for the Carranza government. Medina is a native of Mexico.

Mr. Benavides was asked to assist in bringing the record of Medina's trial before Governor McDonald of New Mexico, and placing the transcript of the evidence adduced at the trial before the New Mexico supreme court. The acting consul probably will make inquiry into the physical condition of Medina also.

The question of preparing the record for Governor McDonald and the supreme court is purely one of expense. City Attorney William A. Keleher, who was appointed by the court to defend Medina, asked the court to pay the stenographer from the court fund, but the court, believing that Medina had had a fair trial and that the county had gone to as much expense as it should, refused. Medina has no money.

Medina will be taken to Santa Fe today to be placed in the state penitentiary pending the outcome of the appeal to the supreme court. The appeal was taken by Mr. Keleher, but cannot be perfected unless the transcript is presented to the appellate court. Medina will be taken in an automobile. Under Sheriff Dick Lewis will go as guard. The under sheriff has a double purpose in making the trip. In Santa Fe he will make inquiries to learn whether James Hennessy, the missing Santa Fe switch engineer, was there.

The court ordered that Medina be taken to the state penitentiary as he is a state prisoner.

BOYS WILL HIKE TO TIJERAS CANYON FOR AN OVER-NIGHT CAMP

Plans for an over-night hike were laid at the boys' meeting held yesterday at the Y. M. C. A. Thirty-three boys attended the meeting.

The young hikers will start Friday night, go to Tijeras canyon, camp there for the night, and return to the city Saturday morning. C. A. Steepleton, physical director of the Y. M. C. A., will be in charge. Mr. Steepleton said that any boy, whether he is a member of the Y. M. C. A. or not, may go on this hike.

SEVEN SUITS BEGUN IN DISTRICT COURT BY KELL

Seven suits, all to recover on alleged promissory notes, were instituted yesterday in the district court by Barth & Mabry. W. E. Kell is plaintiff in all the suits.

Judgment is asked in the complaints for $281.60 against Bert Stroope, for $27.95 against E. T. Hanna, for $281.60 against T. R. Snodgrass, for $55.83 against H. L. Ham, for $558.25 against George Lutz, for $138.58 against I. J. Michael, and for $69.80 against J. W. Sellars.

LEARN SPANISH

The A. B. C. offers a summer course in first year Spanish. Class starts Monday, June 5. The same texts and methods as used in high schools will be used. Work done this summer will receive full credits in the regular high school course.

The teacher, Miss Henrietta Harbordt, is an experienced and successful teacher of Spanish and spent many years in the leading cities of Mexico. Nearly if not all of the first year course can be completed during the next three months. A good class is assured. Phone 627.

"Hot Air" Isn't Worth Much

You don't want theories when you buy clothes—you want cold, hard facts that will convince you.

When we say Clothcraft is the final word in clothes value at $15, we're ready to back it up.

Look at the reputation these clothes have made. Then ask yourself if you're taking much of a chance when you buy Clothcraft.

Try on some of our models and then judge their merits.
