BOZEMAN, MONTANA:

THURSDAY: : DECEMBER 5, 1872.

Notice to Subscribers.

There is a large amount due this paper on subscription, and it is very desirable that it should be paid. We have had no good opportunity to go around to collect the same. No doubt most of the amount would have been paid, as many of the delinquents are good men, and it has been mere forgetfulness on their part. The sums due for subscription on the first volume, and some other accounts, will be placed in the hands of CHARLES P. BLAKELY, Esq., and it is expected that payments will be made to him on presentation. The collection of what is due on this paper will be a sensible relief, and enable us to furnish the readers of the COURIER with a first-class paper.

ELLIS, DAVIS & SPERLING

are selling off at cost the celebrated brands of

FRENCH BRANDIES,
Dupuy & Sons'
Jules Robbins'
Honnessey's
Martell's, etc.,

in packages to suit purchasers.

A Proposition.

Nearly three months has expired of the second volume of the COURIER. We propose now to subscribers that all who pay THREE DOLLARS between this and the first of January next, shall be entitled to a credit of SIX MONTHS subscription, the same as if paid in advance. Let us see how many will avail themselves of this liberal offer.

☞ ELLIS DAVIS & SPERLING will take UNION MILLS XXX Family Flour at market rate in exchange for goods at cost.

"Old Shady"

Has arrived and so has a large stock of whisky, that best of brands—the Flowerree. Both will enliven the spirits of the patrons of Cy. Mount's and Pat Worsham's favorite resort and ever popular KIYUS SALOON.

BIG SALE.—W. A. Davis, the proprietor of the lode bearing his name at Cherry Creek, has sold at a high figure, a portion of his mining ground to Willson & Rich, Bogert & Tanner. Oh, no we have no mines near Bozeman.

"As We Journey Through Life Let us Live by the Way."

Those who would follow this sensible advice should call at the

New Restaurant of

MESSRS. CROWELL & FITGERALD,

in the COURIER building, Main street, Bozeman, where a good meal can be had at all hours. Regular and transient boarders solicited.

ARRIVAL.—The mule train of Willson & Rich arrived at Bozeman on Monday last, laden with a large lot of groceries, etc. It did not come any too soon, as there were many articles brought by the train that were badly needed in this market.

NOTICE.

All those indebted to B. T. McDonald will find their notes and accounts at the First National Bank of Bozeman.

We direct attention to the advertisement of Mrs. Isaacs, who has just opened a first-class furniture store adjoining the warehouse of Col. Black. She has a splendid lot of furniture of all kinds, which will be sold very cheap.

FOR WASHINGTON.

Claims Collected.

The undersigned intends to leave for Washington about the 20th of December, to remain until the 4th of March, and will give prompt attention to all business sent him. After the first of December his address will be 439 Seventh Street, Washington, D. C.

JOHN P. BRUCE,
Bozeman, M. T.

NOTICE THIS!

All who owe for any part of volume one, will find a red X on their papers, and it is expected that this hint will have the effect to obtain the money from these delinquents. *Bear this in mind.*

Clocks, Clocks, Clocks, from $5 to $100, at MERKLE'S.

WE have just passed through the warehouses and cellars of Ellis, Davis & Sperling, and were quite astonished at the quantity and variety of goods to be seen there. It is certainly the largest and best assorted stock of goods ever exhibited in Bozeman.

Field Glasses to be had at MERKLE'S.

GEORGE W. WAKEFIELD has taken possession of the North Pacific Hotel, and has in connection with the house the large Livery stable opposite, having purhased the same of Col. L. M. Black.

Jewelry, Jewelry, Jewelry—all kinds of Jewelry—to be had at MERKLE'S.

DR. CREPIN's card will be found in to-day's paper. As a successful physician he has no superior in Montana, and we are pleased that he has selected Bozeman as his future residence.

Wanted.—Telegraph Scrimp.

NELSON STORY.

FARREL'S THEATRE.—Last Monday evening we paid this place of amusement a visit, and must the performance was the best we ever saw at Fort Ellis, unless it be the occasion when we recited a pathetic ballad—"a Dream" we believe was the title. In the olio Messrs. McCabe, Sweeney, Farrell and Moore acquitted themselves admirably. McCabe is a big card, and on the tamborine end he can't be beat. A good feature of the olio was the two tamborinists and two bone players. In Bombastes, Sweeney, Stuart, Washburne and Richmond all acquitted themselves creditably. Charley Moore, the character and motto song man, is one of the best we have seen for a long time, and by the way he is constantly improving. Cornwall the Dutch vocalist don't improve his English a bit. Richmond and Pearson, the female impersonators make lovely looking Dinahs. McCabe, Sweeney, Smith and Washburne the excelsior end men, keep the audience in a continual roar of laughter. The tight rope act of Farrell's was immense. Manager Farrell promises an entertainment next week—one to eclipse the last one. By the way, we must not omit to notice the performance of McCabe in the celebrated "Dumpling-eating act. His enormous dental capacity for "grinding pudding" is only equalled by the immensity of his talent in making "fun for the boys."

Silver Napkin Rings, Thimbles, Card Cases, Rings, etc., to be had at MERKLE'S.

☞ ELLIS, DAVIS & SPERLING are selling large quantities of goods every day.

☞ THE North Pacific Hotel in charge of G. W. Wakefield and Lady will be a first class house and creditable to Bozeman. The rooms are being enlarged and new carpets put down. Mrs. W. is ambitious and a lady of excellent taste, and will never relax in effort to make the house equal in all respects to any hotel in Montana.

"WAIT FOR THE WAGON."

The author of the above soul-stirring melody is respectfully informed that he can do better by getting one of those handsome turn-outs at CLARK'S Livery Emporium when he feels like taking a ride.

BIG STOCK.—We made an examination the other day of Willson & Rich's brick warehouse and found it stored from cellar to roof with a splendid lot of groceries brought in recently by their train from San Francisco. Their stock of fresh canned fruits is quite large, and the boxes of grapes, peaches, etc, made our mouth water to taste them. It is certainly the most desirable lot ever brought to this market and we are informed will be sold at low figures, as the owners do not desire to have them on hand when the Narrow Gauge reaches the Territory.

☞ EVERY ONE that has a Dollar in cash goes to ELLIS, DAVIS & SPERLING'S.

Going, Going! gone is heard nightly at the Fruit & Novelty store near Gov. William's. Charly Clark is the presiding genius, and the way he makes a man knuckle to his persuasive tongue is a marvel. Mr. C. will continue to hold forth until the entire stock is disposed of, therefore now is your time to join and come out with lots of grand things at low prices.

VINEGAR BITTERS, by the bottle or case, and all the leading Patent Medicines, at the new Drug Store of W. W. Morris Bozeman.

OUR BIRTHDAY.—Last week we celebrated the anniversary of our birthday. Our birthday did not occur several years ago on the date corresponding to the one we refer to, But a weekly difference did not make any *difference* to us for we were on the celebrate, any how.

"Brace up, Roxy, John and A L sling your smiling countenances before the shrine of Bacchus. How?

Ladies' Watches, Pens and Charms, at MERKLE'S.

THE CLUB DANCE held at Odell's Hall last Tuesday night was without doubt the finest affair of the kind held during this season The manner in which it was conducted reflected great credit upon the management. These club Dances are in favor with all our young people and we trust that they will continue to be the select entertainment in the future as they have been in the past.

To the Farmers of Gallatin Valley

We propose to the farmers of Gallatin a splendid offer: We will take butter and eggs at the retail price, and give in return anything from our splendid and well selected stock of Dry Goods at WHOLESALE PRICES. Give us a call and satisfy yourselves that we mean business.

STRASBURGER & CO.,
Main street, Bozeman.

Last Sunday being a beautiful sun shiny day. We noticed that our nobby young men came out with their stove pipe hats, and served the Lord with great enthusiasm.

HOW!

Rev. W. W. Alderson is home again. Mr. A. delivered several lectures during his absence, and we see by our Territorial exchanges that his lectures were a decided success.

James H. Lemon, an old timer, and one of our warmest friends of '67, is once again smiling those well known smiles on the streets of Bozeman. Jim has been "doing" the States, and comes back looking hale and hearty, and says there's no place like Montana.

Mr. John Thomas, one of the staunch men of the Cherry Creek mines is just from the States. He proposes rushing work on his property at Reasville.

Zed. Daniels and Tom Rea "hawed" us, after arriving from Helena. They report our sister city as being prosperous.

Al. McKlernon the traveling agent of the Helena Gazette is in town. Al. proposes interviewing our citizens in behalf of the Gazette, and we hope our citizens will hand in their names as subscribers to this journal, and we will assure them they will never regret it. The Gazette is a live journal, and besides is a friend to Eastern Montana.

GOOD TEMPLAR'S BALL.—We call attention to the advertisement announcing a Grand Ball to be given under the auspices of the Good Templars of this city, at Odell's Hall, on Wednesday evening, the 11th inst. This very excellent fraternity have, during the past summer, erected a handsome and commodious hall for Lodge purposes, at a cost of $1.500, a portion of which is still unpaid, and the ball is gotten up for the purpose of assisting the Lodge to liquidate its indebtedness. The fruits of the Good Templars' labors are apparent in the highly improved standard of morality in our city, and we understand they are making elaborate preparations for the intellectual enjoyment of the people of Bozeman this winter by giving a free course of lectures on popular subjects, etc., all of which will necessarily be some expense to the society, and we hope the people will give them a rousing benefit at the ball next Wednesday night. The committees are actively engaged in decorating the hall and making other necessary arrangements for the success of the affair, which, the managers say, will be the grandest ever given in Bozeman. Odell's magnificent brass and string band has been secured for the occasion, which is a certain guarantee that the music will be first-class, and an excellent supper will be prepared by Mr. Geo. W. Wakefield, of the North Pacific Hotel. Tickets, including supper, Five Dollars. Go everybody.

☞ ELLIS, DAVIS & SPERLING are closing out their entire stock of goods AT COST.

WE have received a communication which we give below entire.

Bozeman
Bity, nov. 1872.

Mr. ——
Locul Editer, Sir,

I believe you Are by nature constituted with some Ability and brains and sense and so-forth, and I am sorry to know that I hardly know whether you are or not, but I do hope you will not treat the great drama of life as a komedy, but that you will so get your mind in training as to give the subscribers of the Courier artikles from your pen which will savor of a deep religious tern. Write ocasionally on religious subjicks. It will do you good, and help the paper.

Yours &c.

All right, old Top, we thank you for the word; and next week we will publish entire something unknown to a great number of our people, viz: Chap. 1, (or any other) of Genesis. While we are engaged upon preparing this for the press, we would advise you to the *interim* to *tackle* Webster's spelling book. It might help you *some*.

"Diana ye Hear the Sloan?"

Yelling to the boys that the Dan Flowerree Whisky has arrived, and that Cy and Pat have just received a mammoth stock of foreign and domestic Wines, Liquors, Brandies, and in fact everything that goes to make up a top top saloon. Samples furnished at 25 cents. Come along; don't be afraid. The KIYUS is gentle under the management of Mounts & Worsham.

THE HIGHEST PRICE paid for County Warrants and County Bonds. Apply at the First National Bank.

L. M. BLACK.

Spanish Creek Mines.

Bozeman depends, and always will for its source of revenue on agriculture. This has been since we first struck the town in '67 the universal cry of the croakers.

Did they prevaricate—or rather did they fall wide of the mark in speaking of Bozeman and its future? Most certainly.

Yesterday Henry Miller & Co. rushed out kegs of powder and mining implements almost without number, to the new mines of Spanish Creek. Work will soon be commenced on the Reno and Brick Pomeroy lodes. We will venture the assertion that Bozeman will be the great centre of the mining districts of Eastern Montana, and that Cherry Creek, Spanish Creek and Clark's Fork, hereafter to be known as the richest silver mining camps in the entire world will pay tribute to Bozeman, now the metropolis of Eastern Montana, and her-after to be recognized as the metropolis of the great West.

Painters and Glaziers, Attention!

You can find a full and complete assortment of PAINTS, OILS, WINDOW GLASS, PUTTY, PAINT BRUSHES and every article in your line at the new Drug Store of W. W. MORRIS, a few doors east of Lamme & Co.'s, Bozeman.

"GRAND ROUNDS," is the heading of Capt. Mills' splendid articles on the Upper Yellowstone. The Capt. is a modest cuss but we would like to prevail upon him to give us those brilliant articles in a pamphlet form They are worthy of assuming the shape of a book, and we will do our level best towards helping "Grand Rounds" along, even if we do quarrel a little over railroads.

To Families and Others.

I would respectfully announce to the citizens of Bozeman and vicinity that, in order to keep up with the times, I will hereafter sell bread at the City Bakery AT HALF PRICE. Families need not be at the trouble of baking their own bread, as they can buy cheaper of me.

Lager beer also at half price—12½ cents per glass. LUNCHES served at any hour. ☞ Don't mistake the place—CITY BAKERY, next door to the saloon.

JOHN MANEJ, City Bakery.

The Local Editor.

If a man buys a new buggy, or if his cow can bawl three times without winking, the local is expected to proclaim the fact with a grand flourish. If he starts a two-penny business, his thought is to bribe the local with a five cent cigar to write up a five dollar puff. Indeed, he thinks it is the mission of the local to make his fortune for him by "fire-blowing." He will take the local to one side and point out the superior qualities of a rat-terrier dog, and coolly ask him to "give the pup a boost." He doesn't care anything about it, only Spriggins has a dog which he thinks is a buster, and some of you wanted his "put in." Just to "take the concert out of Spriggins." Everybody wants to "put in"—they are "GREAT I AM"—but no one says: "Here, local, put yourself inside this new suit of clothes, or throw yourself outside this oyster stew, or stuff this watch in your pocket." Oh, of course not; that would cost something! The shoe is on the other foot, you see. The local is supposed to know everything about other people's business and is expected to show up all the actions in every family bred in town. If the vile tongue of scandal finds a victim, people wonder why he don't run about with his note book and gather up the vituperative bits of scandal for the paper. If he steps into a billiard saloon, he is requested to make a note of the astonishing fact that Bill Thompson has just made a run of eleven points. When the minstrel troop arrives in town, the agent immediately rushes for the printing office, and calling for the local, he slips three or four tickets in his hand, and whispers, "Draw us a big house! Put in strong!" and patting him patronizingly on the shoulder. The agent admits the inferiority of the troupe, but we are not to "let on." It is no sin for the local to lie. To please the lecturer, the local is forced to sit two mortal hours, to hear him through an insipid discourse, so that he can "write him up." And so it goes. All are anxious to stand in favorable print; but few are able to pay for it! The local's time is worth nothing but to bother his brain in writing puffs for ambitious persons. It don't cost him anything to live. He never eats, or drinks, or travels, and money is of no use to him. "Put it in! Put it in!"—*Exchange.*

Special Notice.

The firm of Tootle, Leach & Co. having been dissolved, notice is hereby given to all indebted to them, that the business must be closed, and that immediate payments must be made. Please take one notice.

J. R. BOYCE & CO.

A NEW PARADISE.—Just think what we have gained by the final acquisition of San Juan. For instance: When Cook sighted the American coast, near forty-four degrees, on March 7, 1778, he named the first visible promontory, Cape Flattery, in allusion to the beautiful weather he then began to experience. The observations of all travelers and explorers since this time abundantly attest the delicious climate of this entire section of the North Pacific coast, and prove that Captain Vancouver's descriptions, made more than seventy-five years ago, were not *couleur de rose*. The summers are warmer and the winters milder than in England or Ireland. The shores are bathed by the warm waters from the China coast and the Kuro Siwo, or Japan Gulf stream, and are swept by the warm winds, which together spread a mantle of warmth, moisture and fertility not only over the coast, but over all Oregon, Washington Territory, Idaho and Western Montana. The geologic surveys of the islands and shores of the waters around San Juan reveal abundance of mineral formations, especially coal, copper, and magnetic iron. The fisheries are unsurpassed in the quality and quantity of their yield, and the water fowl and game birds are as plentiful as on the Chesapeake and Delaware bays, while the timber is of the colossal type so marked on the Pacific coast, and so unrivaled in ship building.

TOOTLE, LEACH & CO.

Helena, M. T., Nov. 13, 1872.

HERE TO THE Colorado has imported largely of Eastern flour and grain; but this year ever one million pounds of Colorado wheat have already been shipped from Denver to St. Louis, and it is largely sought for to mix with inferior grades of Eastern spring wheat. Heavy shipments of beef cattle have also been made from Denver, and to crown all, Colorado has no Territorial debt, while there is a surplus in the treasury. All of which is owing to her superb railroad system.

New Dry Goods Firm.

J. R. BOYCE & CO., successors to Tootle, Leach & Co., will continue the Dry Goods business in all its various branches, and respectfully solicit a continuation of the liberal patronage so generally extended to the old house of Tootle, Leach & Co.

WASHINGTON, November 29.—There have been frequent inquiries to-day from all classes in regard to Horace Greely's health, and much sympathy expressed.

The report of his death being in circulation early this evening, and having reached the President, he and his family, in token of respect, did not attend the reception of the Diplomatic Corpse given by the Secretary of State, but sent a note explaining the cause of his absence.

FORD & PATTERSON have opened out in the new brick on Main street, and we doubt if there be as fine a great market in the Territory. Dick Robinson has no superior as a butcher.

☞ Everybody, and his wife go to the Good Templar's Ball next Wednesday evening. Fine music and splendid supper.

THE Treasurer informs us that the people have been very prompt in paying their taxes this year, and that there will be very few delinquents.

WOOD is coming in very freely, and prices rule somewhat lower for that desirable article.

VINEGAR BITTERS

VEGETABLE — FREE FROM ALCOHOL — PURELY MEDICINAL — DR. WALKER'S CALIFORNIA VINEGAR BITTERS

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of Medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters.

Mechanical Diseases. Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of WALKER'S VINEGAR BITTERS once or twice a week, as a Preventive.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakened and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goiter, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic and Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

The Aperient and mild Laxative properties of DR. WALKER'S VINEGAR BITTERS are the best safeguard in all cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, etc. Their Counter-Irritant influence extends throughout the system. Their Diuretic properties act on the Kidneys, correcting and regulating the flow of urine. Their Anti-Bilious properties stimulate the liver, in the secretion of bile, and its discharges through the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fever, Fever and Ague, etc.

Purify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fortified. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorant.

Directions.—Take of the Bitters on going to bed at night from a half to one and one-half wine-glassfull. Eat good nourishing food, such as beef steak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirit.
