WHAT A BEAUTIFUL HEAD OF HAIR!

THE article that will naturally restore the color of the hair, the change of which to gray is an indication of a lack of proper secretion, is a valuable medicine. Prof. Wood's Hair Restorative is the only safe remedy for baldness, premature decay, change of color, and the several evidences of secretion at the roots of the hair, which are blight. Quick perspiration, dandruff, and hair falling off, every correspondent in the country, wishing "those tresses" unless the known property of some rare where celebrity has made it famous. Let no contents vendor experiment on your hair. Touch nothing you have no good reason to believe will that is proposed to be. Prof. Wood has entered, in a manner not liable to injure the most delicate hair, the secret of the color of the Hair Restorative, from persons who have tried it, being the following:

New York, April 8, 1858.

DR. WOOD.—Dear Sir: Permit me to express to you the satisfaction I have made for the return of the hair of my head to its original color. After the loss of my hair in the United States, I was compelled to wear a wig. Your Restorative I took from the shelves of a friend, and received its effect quite. I consider your Restorative as valuable as the wig.

REV. C. W. BUTLER, INDIANAPOLIS, IND., says he was a wig for nearly twenty years, but by the use of Wood's Hair Restorative, he now has a fine head of hair.

Prepared by O. J. Wood & Co., 719 Market street, St. Louis, and 114 Broadway, New York, and sold by all Druggists and Patent Medicine Dealers, and by all Fancy and Toilet Goods Dealers in the United States and Canada.
