Ayer's Sarsaparilla!

A COMPOUND REMEDY, DESIGNED TO BE the most efficacious ALTERATIVE that can be made. It is a concentrated extraction of Pure Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote to the disease Sarsaparilla is required to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to the large class of our fellow-citizens. How completely this compound will do it has been proved by experiment on many of the worst cases to be found in the following complaints:

Scrofula and Scrofulous Complaints, Eruptions and Eruptive Diseases, Ulcers, Pimples, Blotches, Tumors, Salt Rheum, Scald Head, Ringworm and Syphilitic Affections, Mercurial Disease, Dropsy, Neuralgia or Tic Douloureux, Debility, Dyspepsia and Indigestion, Dropsies, Rose or St. Anthony's Fire,

And indeed the whole class of complaints arising from impurity of the Blood.

This compound will be found a great promoter of health when taken in the Spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many threatening disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions, and uncomfortable sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find the impurities bursting through the skin in pimples, eruptions or sores, cleanse it whenever you find it obstructed and sluggish in the veins, cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer by cleansing the blood. Keep the blood healthy, and all is well; for with this potent control of life disorders, there can be no lasting health, sooner or later something must give wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has long been used, which, the reputation of compositions of this kind, but the world has been egregiously deceived by the preparation of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but fifth of the virtue of Sarsaparilla, or anything else.

During late years the public have been misled by large bottles, purporting to give a quart of Extract of Sarsaparilla for a dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly dropped and has become synonymous with imposition and cheat. Still we hold this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the loss of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistable by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be persistently taken according to the directions on the bottle.

Ayer's Cherry Pectoral

Has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the mark it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.
