CHICAGO.....ILLINOIS.

Symptoms.

The symptoms of Catarrh as they generally appear are at first very slight. Persons find they have frequent attacks, and are more sensitive to the changes of temperature. In this condition, the nose may be dry, or a slight discharge, thin and serid, a forward becoming thick and adhesive.—As the disease becomes chronic, the discharges are increased in quantity and changed in quality, they are now thick and heavy, and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice is thick and nasal; the eyes are weak; the sense of the smell is lessened or destroyed; deafness frequently takes place. Another common and important symptom of Catarrh is, that the person is obliged to clear his throat in the morning of a thick or slimy mucous, which has fallen down from the head during the night. When this takes place the person may be sure that his disease is on its way to the lungs, and should lose no time in arresting it.

The above are but few of the many Catarrh Symptoms.

A Single Bottle will last a month—to be used three times a Day.

TESTIMONIALS.

Hon. Hon. Thos. J. Turner, Ex-Member of Congress, from Illinois, late Speaker of Illinois House of Representatives, and Grand Master of A. F. & A. M. of the State of Illinois.

TURNER, Oct. 21, 1863

DR. D. H. SEELYE:

DEAR SIR: In reply to your notice of the 17th inst. I would say that I was severely afflicted with Catarrh for years, when I bought one bottle of your Liquid Catarrh Remedy. Before I had used one bottle I was sensibly improved, and before the second bottle was finished, was completely cured. I can recommend the medicine to all afflicted with Catarrh.

Respectfully Yours,

THOS. J. TURNER.

This is to certify that in the use of Dr. Seelye's Catarrh Remedy, I experienced much relief and have heard many speak of it as being invaluable for the cure of Catarrh.

Yours, &c.,

MEDICAL.

The All Sufficient Three.

THE GREAT AMERICAN REMEDIES,

Known as "HELMBOLD'S",

GENUINE PREPARATIONS, viz:

Helmbold's Extract "Buchu," Helmbold's Sarsaparilla, Helmbold's Improved Rose Wash.

Helmbold's Genuine Preparation. "HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT BUCHU," a Positive and Specific Remedy for Diseases of the Bladder, Kidneys, Gravel, Dropsies! Swellings, and all diseases and derangements of the Urinary Organs, whether existing in Male or Female. Diseases of these Organs require the aid of a DIURETIC. Helmbold's Extract Buchu is the GREAT DIURETIC, and is certain to have the desired effect in all Diseases for which it is recommended.

This medicine increases the power of digestion, and excites the Absorbents into healthy action, by which the Watery or Calcareous depositions, and the Unnatural Enlargements are reduced, as well as Pain and Inflammation, and is good for Stone, Worms, or Children.

Directions accompany Helmbold's Extract Buchu, for Weakness arising from Excesses, habits of Dissipation, Early Indiscretion or Abuse, attended with the following Symptoms:

Indisposition to exercise, loss of power, loss of memory, difficulty of breathing, Weak Nerves, Trembling, Horror of Disease, wakefulness, Dimness of Vision, pain in the back, universal lassitude of the muscular system, hot hands, dreaming of the body, dryness of the skin, eruptions on the face, PALID COUNTENANCE,

HEAVINESS OF THE EYELIDS,

Frequently Black Spots flying before the Eyes, with temporary suffusion and Loss of Sight, Want of Attention, Mobility, Restlessness, Nervousness, Timidity, With horror of Society.

Nothing is more desirable to such persons than solitude, and nothing they more dread for fear of themselves. No repose of manner, no earnestness, no speculation, but a hurried transition from speculation to anxiety.

These symptoms, if allowed to go on, which this medicine invariably removes, soon follows Impotency, Epileptic Fits, Insanity, Consumption.

Many are aware of the cause of their suffering, but none will confess. The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample testimony of the truth of the assertion. In Lunatic Asylums the most melancholy exhibition appears. The countenance is actually sodden, and quite destitute, neither mirth or grief ever visit it. Should a sound of the voice occur, it is rarely articulate.

With woeful measures, wan despair,
Low sullen sounds their grief beguile.

Parents and guardians, caution your children against this evil habit. It is the greatest curse that can befall a young man or woman, unfitting them for happiness and married life.

They may not experience the consequence now, but must and will sooner or later. The constitution once affected with symptoms of gastric weakness requires the aid of medicine to strengthen and invigorate the system, which Helmbold's EXTRACT BUCHU invariably does. A trial will convince the most skeptical.

FEMALES—FEMALES—FEMALES.

Married or Young, Single, Married or contemplating Marriage, or in daily expectation of being so, should at once use Helmbold's Extract Buchu for all complaints, incidental to their sex, whether arising from Imprudence, Exposure, or other causes.

RELIABLE EXTRACT BUCHU.

DELICATE FEMALES,

in all their stages, at little expense, little or no change in diet, no inconvenience, and no exposure, it causes a frequent desire and gives strength to the urinate, thereby removing obstructions, preventing and curing strictures of the Urethra, allaying Pain and Inflammation, so frequent in the class of diseases, and expelling all poisonous, diseased, and worn out matter.

Thousands upon thousands who have been the victims of quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "Poison" has, by the use of "powerful astringents," been dried up in the system, to break out in an aggravated form, and

This is an affection of the Blood, and attacks the Sexual Organs, linings of the nose, ears, throat, skin, lips, and other mucous surfaces, making its appearance in the form of Ulcers, and is generally attended with a discharge more or less offensive, and if neglected, destroys whatever it may attack.

This disease is often transmitted to children in consequence from the same cause, and often with the surfeited, and sometimes entirely the same time.

HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SARSAPARILLA,
