MEDICAL.

CANCERS.

DR. W. C. COUDEN, ... has located permanently in

Terre Haute,

rooms over Coe's Drug Store.

Dr. Couden

... attention to the treatment of Cancers and Tumors.

In calling attention to my Cancer Remedies, I may be allowed to say that it is the most wonderful discovery ever made in medicine. It is the great desideratum so long sought for by the Medical Profession and the afflicted with cancer. Its operation is truly astonishing, without a parallel, and is fully beyond the reach of any article ever before offered for the public. The remedy is applicable to the cancerous diathesis, and by entering into the chemical composition of the cancer, conquers, malignant or unhealthy growth, purges by removing all life and vitality, and absorbs, dissolves, digests and destroys the cancer, every particle passing out in the urine, leaving it in a healthy state, without pain or the loss of blood, or the slightest cutting or lacerating without the loss of blood, or in the least attempting the sound flesh. It can be applied to the most delicate constitution, as easily and freely as water. Organs whose existence was pronounced incurable, such as breast, face, throat, stomach, uterus, blood, vessels, &c., where no other treatment could possibly be used, did in doing so we feel assured of making permanent cures when all other treatment fails. The medical profession are invited to witness the application, institute a full, and I will submit a diagnosis of cancers that I have thus relieved and pronounced, and I feel defined will refer to witnesses of cures effected throughout the country.

Consumption, Scrofula, Rheumatism, Neuralgia and all affections, Chronic by Submission, or otherwise. Particular attention paid to all diseases of the Eye and Ear, such as partial blindness or deafness, either kind of chronic. I am in possession of almost a never failing remedy for Deaf and Apoplectic Diseases.

SCROFULA, RHEUMATISM AND LIVER COMPLAINT.

Fraught with success. Scrofulous diseases, such as ulcerous gums and tumors, joint head, syphilis, syphilitic affections, mercurial diseases, dyspepsia and indigestion, scrofular gizzle, or swell neck, and all affections of the throat and lungs will receive due attention.

Also a new and successful remedy for removing Tapeworm and all other varieties of worm found in the public and regular professionals invited to call and examine my specimens of cancer.

Ladies only.

Stop the Evil in the Bud.

THOSE Affected with any Private Disease can be Syphilis (Chancroid, Bubo, Primary, Secondary, Tertiary, or any phase), Gleet, Stricture, Gonorrhea, Varicocele, Hydrocele, Urinary Diseases, Spermatorrhea, Seminal Weakness, Nocturnal Emissions, and effects of Self-Abuse, should at ANY ONCE visit Dr. CLARK'S PRIVATE INFIRMARY, and Secret Consultation Room, No. 334 East Washington street, Indianapolis, Indiana.

Piano Repairing

AND

Tuning.

HAVING JUST RECEIVED A full assortment of all kinds of material in Piano making and repairing, I am now prepared to overhaul Pianos and Melodeons, and warrant all work to give satisfaction. As it has been reported by some persons that there was no one here to do repairing I would state that I have served a full apprenticeship in a Piano Manufactory. I am also fully prepared to repair all other kinds of Musical Instruments in the most approved manner.

As the only workman in Terre Haute, all those having instruments needing repairs will do well to call.

Pianos tuned on short a time, also engagements made by the year.

Remember all instruments placed in the care of a workman can be preserved for many years longer, as the action of an instrument requires equally as much attention as the tuning.
