MEDICAL.

Important to Ladies

Dr. CHEESEMAN'S

FEMALE

Regulating Pill.

PROCLAMATION!

To the Ladies,

BOTH MARRIED AND SINGLE.

The Oldest Regulator for Females.

THERE IS BUT ONE GENUINE and SURE CURE for GIRLS or WOMEN who suffer from Irregularities, or obstructions of the menses. Whatever may be the cause of those obstructions, this medicine is to be relied on. Its efficacy has been recognized for many years.—THE GENUINE BLANCH is in Dr. Cheeseman's Female Pills. Unprincipled men have recommended other compounds as these pills, but they are not to be depended on. Ladies should be careful to inquire for Dr. Cheeseman's Female Pills, that they may be sure of obtaining the genuine article. Ladies who are subject to irregularities, will find these pills to be a safe and sure remedy. Full directions accompany each box, which, if not strictly complied with, will produce MISCHIEF and DEATH, and is the first cause of all the numerous diseases to which the female is subject.

Dr. Cheeseman's Female Pills.

This GOOD OLD REMEDY for all obstructions has been tried with the greatest success for twenty-five years, by thousands in the civilized world. Its name is a household word throughout the land. PHYSICIAN, when everybody else fails, from everybody, please read, reflect and remember. Ladies, this is no hackneyed advertisement, but a PLAIN AND HONEST ARRANGEMENT, but a PLAIN AND HONEST REMEDY.

Dr. Cheeseman's Female Pills have never failed, and thousands of certificates to this effect can be found in all parts of the country. The proprietors of Dr. Cheeseman's long-tried remedy guarantee that

ONE BOX

Will restore the natural monthly function to ANY FEMALE, PAST MATTER WHAT HAS BEEN THE CAUSE OR AGE. Indeed, so certain are Dr. Cheeseman's Female Pills. Which have been popular and have cured for over a QUARTER OF A CENTURY, to restore the menses in a natural way, that ladies who are pregnant must not use them, as they will invariably produce a miscarriage. THEY CANNOT DO HARM in any other way.

Dr. Cheeseman's Female Pills are the only medicine that MARRIED AND SINGLE LADIES have relied upon for many years, or can fully appreciate. Beware of imitations! Some false advertisement in your Druggist's and tell him you want

AT WHOLESALE ONLY!

Watches & Jewelry

OF EVERY DESCRIPTION AT THE

LOWEST PRICES FOR CASH!

Army and County Merchants, Pedlers, Traders, Hawkers, and all others, can make enormous profits upon a small investment!

Jewelry of any pattern or quality and any quantity made to order. Estimates for any class of work furnished. Particular attention paid to supplying Merchants, country pedlers, Indian traders, and army dealers.

Any article of Jewelry manufactured, such as Breastpins, etc., at short notice. Good workmen always in store, with a small capital, can find constant employment. Illustrated lists and full particulars free.

THE PROFIT TO THE RETAILER IS VERY LARGE!

A wholesale pedler can be carried in his pocket, yielding twenty fold profit. Sent at the same time to any address in which he may reside or wish to visit. Thus he can visit his customers at home and again, and with a constantly increasing demand for such goods as he finds ready sale for. There is no risk of being refused the goods when he presents himself a second time, and he can thus visit his customers as often as he may think proper.

It is a business in which an amply sufficient and satisfactory capital can be invested with more certainty of success than any other business with which we are acquainted. It is a business in which one may travel from place to place, and yet be at home with his family every night. This business is not to be confounded with those in which the goods are left with the dealer, sometimes thousand miles off, to be sold, and for which, perhaps, he never makes a cent, or else he has to pay the money for them himself. This is not the case with the Watch and Jewelry business. The goods are left with the pedler, who sells them and remits the money, or else he can visit his customers and take back the goods he may not sell. Any person who wishes to engage in the business can do so by sending a small sum of money to the undersigned, and receive by return mail or express a large assortment of goods, with full instructions how to proceed, so that any person can succeed who will use ordinary diligence. Those who wish to engage in the business should remit the money by express, if convenient, as it is the safest way for them. Address

MEDICAL.

DR. JOHN BULL'S

COMPOUND

CEDRON BITTERS,

The Latest and Most Important Discovery of the 19th Century

NO man's name is more intimately connected with the history of Materia Medica of the United States, or more favorably known as a practical medical discovery, than that of Dr. JOHN BULL of Louisville, Ky., his inimitable preparation of Sarsaparilla, now long stood at the head of the various compounds of that valuable drug. His Compound Pectoral of Wild Cherry has become a household word throughout the west and South, and its Worm Lozenges in less than a year after their introduction, attained a reputation as wide spread as the continent of North America. But the crowning glory of his life remains to be attained in his latest discovery, or rather combination, for he does not claim to be the discoverer of CEDRON, which is the basis of the bitters now offered to the public. The honor belongs to the native inhabitants of Central America, to whom its virtues have been known for more than two hundred years. Armed with it the Indians bide defiance to the most deadly miasma, and handles it without fear the most venomous reptiles. It is a belief with them that while there is breath left in the body the Cedron is present to cure, no matter what the disease may be.

While Dr. Bull is not prepared to endorse this extravagant presumption, he is assured that long and thorough examination of the evidence relating to its virtues, that as a remedy it is positive for all diseases arising from exposure either to changes of weather or climate, or to the miasmatic influences, it stands without a rival, and justly deserves the reputation it has so long in Central America and the West Indies.

DYSPEPSIA,

And its attendant train of symptoms, it acts more like a charm than a medicine. There is nothing in the range of the Materia Medica, that can for a moment bear a comparison with it in this disease.

A full account of this wonderful plant may be found in the 11th edition of the U. S. Dispensatory, pages 1367 and 1368.

A series of experiments in which Dr. Bull has been for years engaged, has just been brought to a successful termination, and he now offers to confer to the public a combination of Cedron with other approved tonics, the whole preserved in the best quality of copper distilled American whisky, which he is confident has no equal in the world.

He might insert a volume of certificates, but the public have long since learned to estimate such things at their true value. The author prays to for every one to test for himself the virtues of this new medicine. Give the

CEDRON BITTERS

One trial and you will never use any others.

It is not necessary to publish a long list of diseases for which the Cedron Bitters are a specific.

In all Diseases of the Stomach, Bowels, Liver or Kidneys;

In all affections of the Brain depending upon Derangement of the Stomach or Bowels;

In short, Rheumatism and Neuralgia;

And in Fever and ague, it is destined to supercede all other remedies. It not only cures these diseases but it prevents them.

A wine glass full of the Bitters taken an hour before each meal will obviate the ill effects of the most unhealthy climate, and screen the person taking it against disease under the most trying exposure.

These Bitters are prepared in pure Rye Whisky, from a combination of over twenty different kinds of roots, barks and herbs, which set in perfect concert, one with the other prep red from the original formula given by the great chief, Red Jacket, to Dr. Chapin, who used them successfully in his practice for many years, and by their use gained so great a popularity in the treatment and cure of dyspepsia, liver complaint, constipation, nervous headache, fever and ague, and all diseases arising from impure blood and indigestion. Persons suffering from either of these or other diseases will find a sure cure by the use of these Bitters, which are perfectly pure and free from all those drugs and poisons usually put up in so-called preparations and purposed offered as an unsuspecting public.
