MANCHESTER CRACK SHOTS RETURN FROM NATIONAL RIFLE MATCH WITH HONORS.

In the National Rifle matches held at Camp Perry, Ohio, last month, the Iowa team held thirteenth place among forty-two contesting teams from all parts of the United States and from each branch of the regular army and navy.

Capt. Utley and Lieut. Preussner were members of the Iowa team for the third time and report that the team did as well as could have been expected, for on account of having won fourth place in 1910 they were required to eliminate six of their most experienced men.

The Manchester men are now among the most experienced men available in the state and are considered by the officers as one of the strongest shooting pairs in the National guard.

An Iowa man, C. M. King of Waukon won the military championship of the United States for 1911.

Lieut. Preussner made the highest score of the Iowa team in the National team match, making 279 over the course, or the same score that was made by the high man last year. He also won gold medals and cash prizes in the National Individual match for winning eleventh place and also for the highest aggregate score at rapid fire, these two latter positions being won among 711 entries.

Lieut. Preussner also won places in several of the less important matches.

GOLLMAR'S SHOW PLEASES.

Gollmar Bros.' circus drew a large crowd last Saturday and gave two pleasing performances. The show is all that it claims to be and that is saying a good deal for a circus. The entertainment furnished was highly meritorious.

Some of the special acts were equal in every respect to anything to be seen with larger shows. The herd of trained elephants was far superior to any of the three with the Barnum & Bailey circus this year. The trained seals were exceptionally good and the horses were a fine lot.

The attendants were courteous and the crowd went home well satisfied.

M., the heirs of John Gearhart, Jacob Philips, Garrett Cronk, Andrew Stone, Henry B. Stone, Leverett S. Stone, Leverett L. Stone, Chester D. Stone, Catherine Lett, H. A. Lett, Milton Wright, Albert E. House, A. E. House, A. A. House, and the unknown spouses, heirs, devisees, legatees, personal representatives, grantees, mortgagees, assigns, judgment creditors, or claimants against the estates of the defendants above named, described, or referred to or any of them,

Defendants,

To the above defendants:

You and each of you are hereby notified that there is now on file in the office of the Clerk of the District Court of Iowa in and for Delaware County, a petition in equity in which plaintiff claims that he is the absolute and unqualified owner in fee simple of the following described lands situated in Delaware County, State of Iowa, to-wit:

South half (1-2) of the Northeast Quarter (1-4) and the South Twenty (20) Acres of the North half (1-2) of the Northeast Quarter (1-4) and the East Twenty five (25) Acres of the North Thirty (30) Acres of the Northeast Quarter (1-4) of the Northeast Quarter (1-4), all in Section Twenty four (24), Township Eighty eight (88) North, Range Five (5), West of the 5th P. M.

That the plaintiff and his grantors have been in the adverse possession of said real estate above described for more than ten years last past as owners thereof, that such possession has been actual, open, notorious, continuous, and exclusive, under color of title and claim of right and at all times adverse and hostile to the world.

Plaintiff states on information and belief that the defendants hold and are making some claim to said premises adverse to the plaintiff.

That the claim to an interest in the real estate above described made by the heirs of John Gearhart, deceased, and those unknown defendants claiming by, through or under him or them, is derived from the fact that the records of said county show that patent to said land was executed by the United States Government to Daniel Gearhart, brother, and the other heirs at law of John Gearhart deceased, said deed of patent of the date 21st September 1847 and appearing of record in Book 1, page 160, and that no where upon the records of said county is there shown to have been executed a deed or conveyance by any of the heirs of said John Gearhart deceased conveying or transferring their title or interest in said land, except only a certain deed of date 12th January 1848, executed by Daniel Gearhart and wife to William Phillips and shown of record in Book B, Page 36, but plaintiff states the fact to be that all right, title and interest of all of the heirs of the said John Gearhart deceased was transferred and conveyed by good and sufficient deed thereof, and that the grantee in said deed entered into possession of said land and with his assigns and grantees have been in possession thereof until the present time. Further that all right, title and interest of all of the heirs of the said John Gearhart deceased were transferred and conveyed by a certain deed executed by Daniel Gearhart to William Phillips of date 12th of January 1848 and shown of record in Book B, page 36 by which deed the said Daniel Gearhart assumed to convey and did convey all title, interest, and claim in and to the above property granted by the United States to said Daniel Gearhart brother, and other heirs at law of John Gearhart deceased. That through mesne conveyances from all of the said heirs of the said John Gearhart deceased, and from the said William Philips grantee named in said deed from Daniel Gearhart deceased, this plaintiff is now the owner and holder of all right, title and interest at any time held by the said John Gearhart or any of the heirs of the said John Gearhart deceased.

That the claim to an interest in the real estate described above made by the defendant Jacob Philips and those unknown defendants claiming by, through or under him, is derived from the fact that the records of said county show that the said Jacob Philips was named as grantee in a certain deed executed 1st of November, 1851 appearing of record in Book C, page 526, wherein a certain portion of the said property was described as conveyed, and that no where upon the records of said county is shown a deed or conveyance conveying or transferring his title, or interest thereto. Plaintiff states the fact to be that said defendant did sell, transfer and convey said property by good and sufficient deed thereof, and through mesne conveyances from the grantee in said deed all right, title, and interest of the said defendant in and to said property has become and is now the property of this plaintiff, but that the deed from the said defendant was never made of record and is now lost, but that under said conveyance the several grantors of the plaintiff have occupied and owned said property for more than ten years last past.

That the claim to an interest in the real estate above described made by the defendant Garrett Cronk and those unknown defendants claiming by, through or under him, is derived from the fact that the records of said county show that the said Garrett Cronk is shown to have obtained title through deed shown of record in Book 2, Page 430, executed 7th day of January 1860, wherein a certain portion of the said property was described as conveyed, and that no where upon the records of said county is shown a deed or conveyance conveying or transferring his title, or interest thereto. Plaintiff states the fact to be that said defendant did sell, transfer and convey said property by good and sufficient deed thereof, and through mesne conveyances from the grantee in said deed all right, title and interest of the said defendant in and to said property has become and is now the property of this plaintiff, but that the deed to the said defendant was never made of record and is now lost, but that under said conveyance the several grantors of the plaintiff have occupied and owned said property for more than ten years last past.

That the claim to an interest in the real estate above described made by the defendant Catherine Lett and those unknown defendants claiming by, through or under her or them, is derived from the fact that the records of said county show that the said Catherine Lett was named as grantee in a certain deed executed 1st of November 1851 appearing of record in Book C, page 523, wherein a certain portion of the said property was described as conveyed, and that no where upon the records of said county is shown a deed or conveyance conveying or transferring all her title, or interest thereto. Plaintiff states the fact to be that said defendant did sell, transfer and convey said property by good and sufficient deed thereof, and through mesne conveyances from the grantee in said deed all right, title and interest of the said defendant in and to said property has become and is now the property of this plaintiff, but that the deed from the said defendant was never made of record and is now lost, but that under said conveyance the several grantors of the plaintiff have occupied and owned said property for more than ten years last past.

That the claim to an interest in the real estate above described made by the defendant H. A. Lett and those unknown defendants claiming by, through or under him, is derived from the fact that the records of said county show that the said H. A. Lett was named as grantee in a certain deed dated 29th December 1858 appearing of record in Book 1, page 220, wherein a certain portion of the said property was described as conveyed and that no where upon the records of said county is shown a deed or conveyance conveying or transferring his title, or interest thereto. Plaintiff states the fact to be that said defendant did sell, transfer and convey said property by good and sufficient deed thereof, and through mesne conveyances from the grantee in said deed all right, title and interest of the said defendant in and to said property has become and is now the property of this plaintiff, but that the deed from the said defendant was never made of record and is now lost, but that under said conveyance the several grantors of the plaintiff have occupied and owned said property for more than ten years last past.

That the claim to an interest in the real estate described in above described made by the defendant Milton Wright, and those unknown defendants claiming by, through or under him, is derived from the fact that the records of said county show that the said Milton Wright was named as grantee in a certain deed dated 30th of June 1859, appearing of record in Book 2, page 28, wherein a certain portion of the said property was described as conveyed, and that no where upon the records of said county is shown a deed or conveyance conveying or transferring his title, or interest thereto. Plaintiff states the fact to be that said defendant did sell, transfer and convey said property by good and sufficient deed thereof, and through mesne conveyances from the grantee in said deed all right, title and interest of the said defendant in and to said property has become and is now the property of this plaintiff, but that the deed to the said defendant was never made of record and is now lost, but that under said conveyance the several grantors of the plaintiff have occupied and owned said property for more than ten years last past.

That the claim to an interest in the real estate above described made by the defendants A. E. House, Albert E. House, and A. A. House and those unknown defendants claiming by, through or under them or either of them, is derived from the fact that the records of said county show that the defendants A. E. House, and Albert E. House under deeds shown of record in Book 2, Page 482 and Book 4, page 355 became the owner of an interest in a part of the said property and that no where upon the record is there shown a deed from said defendants conveying their interest in all of said land by full and sufficient description of the land conveyed, but plaintiff states the fact to be that the defendant A. E. House and the defendant Albert E. House were one and the same person, and that by deed shown of record in Book 4, page 356 the grantor herein, the said A. E. House did convey, all right, title, and interest which he owned in said property above described, and that the grantee in said deed took possession of said property as owner, and he and his grantees have remained in actual possession thereof until the present time, and that the plaintiff through mesne conveyances from said grantee is now owner and holder of all right and title which the said A. E. House at any time had in said property.

That the claim to an interest in the real estate above described made by the defendants, Andrew Stone, Henry B. Stone, Leverett S. Stone, Leverett L. Stone, and Chester D. Stone, and those unknown defendants claiming by, through or under them or either of them, is derived from the fact that the records of said county show that said Andrew Stone was named as grantee in a certain deed executed by Emma King of date of 9th of January 1883 and recorded in Book 24, page 498 wherein an interest in a portion of the said property was stated as conveyed, and that no sufficient deed to said property appears upon record and conveying the said grantees interest therein, but plaintiff states the fact to be that the said grantor named in said deed never had any right, title or interest in or to the property described in said deed or above described, and that no right, title or interest therein was conveyed by said deed and further that all right, title or interest which the said defendant Andrew Stone at any time had in and to the property above described was conveyed by him by good and sufficient warranty deed to Homer Porter, and that through conveyances from the said Homer Porter to the plaintiff, the plaintiff is now the owner and holder of all interest at any time owned by the said Andrew Stone.

That the mode of devolution of interest or alleged interest and claims of the unknown defendants is as assigns, grantees, successors, successors in interest, judgment creditors, mortgagees, surviving spouses, heirs-at-law, personal representatives, devisees, legatees or claimants against the estates of one or more of said named defendants or of the unknown defendants.

That the names and residences of the unknown defendants are unknown to the plaintiff, but that plaintiff has sought diligently to find and ascertain the same.

That wherever in this notice or the petition of plaintiff on file, reference is made to a book and page and no full designation is made, such reference is to the deed records of Delaware County, Iowa.

Plaintiff therefor prays for judgment and decree of this Court quieting and establishing the title to said premises, namely, South half (1-2) of the Northeast Quarter (1-4) and the South Twenty (20) Acres of the North half (1-2) of the Northeast Quarter (1-4), and the East Twenty five (25) Acres of the North Thirty (30) Acres of the Northeast Quarter (1-4) of the Northeast Quarter (1-4), all in section Twenty four (24), Township Eighty-eight (88) North, Range Five (5) west of the 5th P. M. establishing title therein in the plaintiff, as a full and complete fee simple title, and that plaintiff's title be established and confirmed against the adverse claims of the defendants and each of them and that plaintiff be further decreed to be the owner and holder of a complete prescriptive title to said premises, and that the said Court decree that said defendants nor any of them have any right, title or interest therein of any kind or nature, and that they and each of them and all unknown claimants and all persons claiming by, through or under them or any of them be forever barred and estopped from having or claiming any right, title or interest in said premises or any part thereof adverse to the plaintiff and for such other and further relief as to the court seems just in the premises, and unless you appear thereto and defend on or before the second day of the October 1911 term of said Court, which will convene and be held in Manchester, Delaware County, Iowa, on Monday, the 9th day of October, 1911, judgment and decree will be entered against you as prayed.

Dated this 5th day of September, 1911.
