SCHOOL NOTES.
(Roscoe Bowman.)

The laboratory for experiments in physics, etc., has recently been added to with some electrical apparatus and other things.

The Van Dyke Literary Society gave an open program last Friday at which all the students of the high school were present. Several musical numbers were given and were well received by the students.

The teachers of Manchester gave a social last Friday night in the high school building. These meetings are held once a month and committees to look after the food question for the spread are appointed from among them in turn.

The M. H. S. second team is football is to play the Independence team next Saturday at that place. As their first team was walloped much worse than our first team by West Union, we ought to beat them without any difficulty. The second team has won both of the games it has played this year, one 13 to 0 and the other 7 to 6. Both were played against the Dyersville Parochial school.

The wireless set for the M. H. S. arrived a short time ago and is being installed without charge to the school by Carroll Dunlap, who has been interested in wireless for some time and was one of the first in town to have a wireless station. This set is supposed under favorable conditions to send messages seven or eight hundred miles and to receive messages from Washington and many other points in the United States.

The Manchester High School football team played the West Union High School team last Friday at that place. It was played on that day so those who wished to see the Iowa-Ames football game at Iowa City could do so. The final score was 13 to 0 in favor of West Union. Most of the team seemed to have run into a streak of poor playing. Cloud received one pass for a run of about sixty yards, and Lusk another for about forty-five yards. One or two passes were intercepted by each team. Many of their gains were made by going through the center of the line. Their first touchdown was made by falling on the ball after a fumble by one of the Manchester players behind the goal. Their second touchdown was made by a line plunge in which they made about twenty-five yards.

—Mrs. T. Wilson was a visitor in Dubuque on Saturday.

—Mrs. H. G. Pierce and nephew, were in Cedar Rapids on Saturday of last week.

—Mrs. Sherman Harris and Mrs. Burton Clark were visitors in Waterloo last Saturday.

—Miss Bess Caldwell and Miss Zelda Blake were guests of friends at Waterloo last Saturday.

—Mrs. C. R. Weir and her friend, Miss Victora Chipacessy, were visitors in Dubuque last Saturday.

—Miss May Glenn of Terra Haute, Indiana, was the guest of her friend, Mrs. E. W. Williams, several days last week.

—Mr. and Mrs. Ray Mandel have purchased the residence property of E. J. Dutton, and have taken possession of the property. Mr. and Mrs. Carl Belknap, who have been living in the house, have removed to the Hiram Arnold residence on East Main street.

—Mrs. A. W Stearns was a visitor in Cedar Rapids on Monday.

—Mrs. James Vosburg, was a guest of friends at Hawkeye, Iowa, several days last week.

—Miss Pearl Mutschler was a guest of her parents, in East Dubuque on Sunday.

—Miss Hazel Huene, who has been spending several months in Chicago, arrived home Sunday night.

—Miss Mary Drummy of Dubuque, was an over Sunday guest of her sister, Mrs. James Burnes.

—Irving Long is expected home from Vermillion, South Dakota, next Tuesday, for the Thanksgiving vacation.

—A. J. Gildner went to Chicago the first of the week, where he and his brothers are making purchases for their stores.

—Mrs. E. E. Gildner and two children of Marshalltown, arrived in Manchester Tuesday evening for a visit in the A. J. Gildner home.

—Mr. and Mrs. Frank Caldwell and baby were visitors in Minneapolis and other Minnesota points several days last week, returning home Monday morning.

—Several auto loads of Manchester citizens drove to Iowa City last Saturday to attend the big football game between Iowa City and Ames. A number also went by train.

—Mrs. George Kluss accompanied her sister, Mrs. Prentice, to her home in Earlville, on Thursday morning. Mrs. Prentice submitted to an operation at Rochester some weeks ago, and is slowly regaining her strength.

—Mrs. G. M. Morgan and little daughter, Catherine, arrived in the city Thursday to join her husband, who has been in the city since he took possession of his business which he purchased of Dr. J. W. Scott several weeks ago. Mrs. Morgan is the daughter of Prof. O. H. Cessna, chaplain and head of the department of history and psychology in the Iowa State College at Ames. Dr. and Mrs. Morgan are both graduates of Ames. Before her marriage Mrs. Morgan was an instructor of History at Ames, and she and her husband have taken a lively interest in social and church affairs in the communities in which they have resided and are a valuable addition to the social and religious forces of our city.

—At a meeting of the Equity Society at Waterville Monay, Mr. Chas. Childe of Rossville, was selected county organizer to succeed the Wisconsin man Monson who has been sent to Chickasaw county, it is reported. Members of the Equity Society say there is a feeling of much relief that Monson has gone, for his methods and talk were entirely too radical for their organization to endure. He was limited in ability, but he had a glib tongue, and found pleasure evidently, in telling trumped up little lies so often that his hearers tired of him. He has no more concern in the welfare of farmers here or elsewhere than the money there is in it for him as a tongue wagger. Confidence in the Equity Society is destroyed when outsiders graft themselves on to their organization in order to "work" its membership, such as is being practiced here in Allamakee.— Waukon Democrat.

ELECTRIC LIGHTS FINE.
(Ryan Reporter.)

The new electric light plant installed here by F. J. Cross, of Cedar Rapids, has been in service here about a week now and has given excellent satisfaction. The boulevard lights were turned on for the first time last Friday night and as the workmen kept the fact a secret our citizens were treated to a genuine surprise. Main street is brilliantly lighted with ten of the latest style boulevard lights and the lights in the residence districts will be installed as soon as possible. Nearly all the business houses and many of the residences are already lighted. The service gives every indication of being the best and all our citizens congratulate Mr. Cross in bringing our town out of darkness.

G. A. R. COMMANDER NAMES MEMBERS OF HIS STAFF.
(Des Moines Register.)

J. F. Merry, department commander of the G. A. R. of Iowa last week announced the appointment of the following to his staff: William H. Easterly of Clinton, A. T. Weatherwax, of Charles City, C. G. Crabtree of Waterloo, J. H. Stevens of Mason City, H. G. Porter of Central City, F. M. Thompson of Rock Rapids, T. E. McCurdy of Hazleton, Jno. B. Anderson of Winterset, W. S. Wallace of Independence, J. B. McCurdy of Oskaloosa, Albert Cooper of Oskaloosa, Charles H. Babbitt of Washington, D. C.

The commander calls attention to the annual meetings of the posts to be held in December. He asks the support and advice of the best men of the G. A. R. He says:

"Some sacrifice is necsseary at this time when those having served in the early history of the order when it was on the upgrade, and are thereby better qualified to direct its destinies when the evening shadows are closing around us. Let us lend a hand to perpetuate the order so long as comrades remain."

YOUNG LADY VICTIM OF UNUSUAL AFFLICTION.
(Independence Conservative.)

A very phenomenal case is at present drawing considerable attention among the physicians and dentists of this city. A well known young lady of this city had been suffering from what she concluded to be neuralgia, but at last consulted a local dentist who found a tooth to be in bad condition. The tooth was extracted and the cavity packed. When the packing was removed the dentist was surprised to find a couple of pieces of needle working through. These were taken out much to the young lady's relief. Imagine the dentists surprise next day, when he extracted two or three more pieces of broken needle. The patient has been receiving dental treatment about twice a day and at every visit more pieces of broken needles are removed until at the present time some 30 pieces have been extracted from her gums in the neighborhood of the above mentioned tooth cavity. There are three or four eyes and also a sufficiency of pieces to make three and possibly four needles when they are laid end to end. They have been stained to a black hue by the saliva. The young lady never remembers of placing a needle in her mouth or of swallowing one. How they get there is the mystery which up to the present has baffled the professional men interested in the case.

DELAWARE

Mrs. E. P. Coats spent the latter part of last week with her daughter, Mrs. E. N. Maemgren.

Miss Edith Volt, of Earlville, and Miss Ulla Jones of Dubuque, were callers in town Thursday.

Miss Frances Ryan of Delhi, was a Saturday and Sunday guest of her parents, Mr. and Mrs. E. E. Ryan.

Hens	9 1-2
Spring Chickens	10 1-2
Roosters	6
Ducks	9
Muscove and Indian Runners	7
Turkeys	14
Geece	8
Eggs	27

RAILROAD COMMISSION ORDER ADDITIONAL TRAIN SERVICE
(Strawberry Point Mail-Press.)

Some two years ago a large number of residents living on what is known as the Calmar branch of the Chicago, Milwaukee & St. Paul Railroad filed a petition asking for additional passenger train service from Davenport and Cedar Rapids to Calmar.

We have a copy of the opinion of the Railroad Commission in which they order additional service, between Cedar Rapids and Camlar to begin not later than Nov. 15. And unless the Railroad company appeal the case and take it to the courts, which they will in all probability do, we wil see some change in our passenger train service before this time next week.

We cannot publish the opinion in full as it would take several pages of the paper, but several clauses of special interest are as follows:

This case is considered by the Commission, in conection with one other passenger train case now pending, the most important state cases before this Commission for many years not only because of the facts directly involved, but because of the precedents that may be hereby established for similar cases arising throughout the state.

The defendant company is hereby directed to rearrange its passenger train schedules on said branch, or else to operate an additional passenger train on said branch for a trial period of six months, the same to be done in such manner as to enable parties residing at or near the towns of Strawberry Point, Waucoma, Hawkeye, Fayette, Arlington, Edgewood, Hopkinton, Greeley, Oneida, and Delhi to go to their county seats, or else to Cedar Rapids, or Davenport and return the same day. Any rearrangement of present schedules must not be made so as to seriously disarrange present connections. If it is determined by the carrier to put on an additional passenger train then the said carrier is requsted to keep an accurate account of all expenses and earnings, in substantial harmony with the principles stated in this opinion. The said rearrangement of schedule or added passenger trains is hereby ordered to be placed in operation on or before November 15, 1915.

NOTICE OF FILING PLAT AND SCHEDULE.

Notice is hereby given that there is now on file for public inspection in the office of the City Clerk a Plat and Schedule of Street Improvement marked "Plat of Howard & Butler Streets Improvement 1915" of the following streets and parts of streets, to-wit: Butler street from the east line of the Maquoketa River east to the west line of Iowa street and Howard street from the east bank of the Maquoketa River east to the west line of Iowa Street in the City of Manchester, Iowa, whereon the construction of a curb and gutter under contract with Wm. Jewell dated the 2nd day of March, 1915, has been completed and was on the 18th day of October, 1915, approved and accepted by the City Council, also a Plat and Schedule of Alley Improvement marked "Plat of Alley Improvement, 1915," of the following described alley, same being between Franklin and Madison streets, south of Fayette street in the City of Manchester, Iowa, whereon paving has been constructed under contract with Wm. Jewell dated the 2nd day of August, 1915, has been completed and was on the 15th day of November, 1915, approved and accepted by the City Council; said plats and schedules show the separate lots or parcels of ground or specified portions thereof subject to assessment for such improvement the names of the owners as far as practicable and the amount to be assessed against each lot or parcel of ground.

Notice is further given that within 20 days after the first publication of this notice all objections to said plats and schedules or to the prior proceedings on account of errors, irregularities, or inequalities must be made in writing and filed with the City Clerk; and the City Council after the expiration of the said 20 days at the first regular meeting held thereafter, or at a special meeting called for that purpose; having heard such objections and made the necessary corrections will then make the special assessment as shown in said plat and schedule as connected and approved.

Dated this 16th day of Nov., 1915.

T. WILSON, City Clerk.
