The Cuyas Restaurant.

The California oysters kept in the elegant establishment of Mr. Cuyas, near the Pico House, have special qualities, owing to the system followed by the above named gentleman in fattening and preserving them as fresh as when taken out of the sea. Lovers of oysters can see for themselves and be convinced. Chocolate, coffee, tea and other refreshments, all first-class, are also served there. There can be found for sale Sherry Wine, Muscatel, and other articles imported from Spain by Mr. Cuyas. He also keeps a good stock of perfumery and toys. no9-2w

Of Special Interest to Farmers.

At the Esperanza Store, No. 109, Main street, will be found the largest and choicest stock of Merchandise, Groceries Liquors, Cigars, etc., in Southern California. It is well known that at this store you can buy all goods in their line at from five to ten per cent. cheaper than at any other store in Los Angeles; also that the highest price is paid for all kinds of country produce. All goods delivered to any part of the city free of charge.

How to Live.

"Eat, drink and be merry" at Johnny Moore's, on Commercial street, for the San Francisco Restaurant is the best place to get good meals. His butter, milk and meats are fresh, and no one can excel him in cooking. All meals 25 cents.

LOCAL BREVITIES.

The Union Stables are now under the management of Dan. B Nichols. He has a first-class stock of horses, buggies and carriages. There is no doubt that under his management the stable will go ahead, and we congratulate Anzar & Co. on having so experienced a hand to hold the reins of management.

The subject for tomorrow morning at the Congregational Church will be: "The race course as it stands related to public shows in general." Subject for the evening: "The race course as considered by itself." Members of other Churches are invited to attend the morning service.

Messrs. Gates & Noyes sold $2,000 worth of pools last night, a thing hitherto unprecedented on the first night. The week's racing promises the best sport ever seen here. The highest pool sold for $140.

Teams left the depot with freight on the 8th inst., as follows: To San Bernardino 1, to B. & K.; 1 to B. C. B.; to Independence, 1 to H. & K. and 1 assorted, and 1 to Lone Pine, consigned to S. Z.

The Turn Verein Germania keep high holiday to-night. Their dramatic performances are always excellent and there is generally a pleasant social dance afterwards.

THE RACES.

The Track in Fine Condition—The Last Sweat—New Arrivals, etc.

No trotting of any account was done yesterday, as the track could not be used after being flooded. The following horses were sweated and scraped and generally had their glands opened—Mariposa, Paddy, Nance, Careless, Captain Jack, White Stockings, Durfee's quarter mare, Rowland's Jay Cooke, and others. There were several fine brushes during the morning exercise. Mariposa went round four times in a blanket and once without. Sanchez's Dashaway colt took his exercise, and Machado's Bandera was ridden by his owner, preparatory to the gentlemen's saddle race. McGregor arrived with the rest of Mr. Rose's stud, comprising Overland, Barbara, Gretchen and the Moor. Tiffany's Echo colts and their dams are here, but will not take up their quarters at the track until Monday.

Enoch Arden is acting so badly that he has been turned out. John Donahue had Paddy and Longfellow out, but not to speed them, Mr. Lowry, owner of Dirigo, arrived yesterday from Santa Barbara, and went out to see his horse. Dr. Stanway exhibits among his stud, King, an entire horse, formerly named Cosmopolitan. He is a very fine horse shown under most unfortunate circumstances. During the journey from Illinois on the cars he got crippled, and nothing has been done with him since. He is bred by Prince of Wales, Lexington dam Missouri out of Glencoe, half sister to Lodi.

The Society is putting up a windmill and tank of the Halladay patent. Everything is ready for Monday's races, and the Society has neglected nothing to make the meeting a success. Pool selling commenced last night at the Clarendon, and the following shows the state of public feeling. Messrs. Yates & Noyes, our enterprising auctioneers, conducted the sales:

FIRST DAY—Monday, Nov. 10, 1873.—For horses that have never beaten three minutes—L. J. Rose's, Barbara; H. Hazard's Pilot Chief; C. Durfee's, Enoch Arden; A. Askin's, Paddy; E. S. Lowry's Dirigo.

Enoch Arden was scratched, and in the pools, Barbara was 1st favorite, Dirigo 2d, Paddy and Pilot Chief selling about even.

SECOND RACE—Mile dash for half breed and California horses—F. Machado's Oceana, W. Rowland's Jay Cooke, Manuel Geirado's Mountaineer, C. Thomas' Tacnis.

Oceana was made a hot favorite and sold as high as $50 in an $82 pool, Jay Cooke and Mountaineer divided the honors for second place in the pools, Tacnis was bought freely at odds varying from 12 to 1, and 9 to 1.

Single half mile dash for two year olds—J. Reed's Careless; Hinter's Captain Jack; C. Thomas' Pio Nono.

Captain Jack was the favorite, with Careless and Pio Nono selling at about the same price. There was but little excitement manifested except for the mile dash. The highest pool while our reporter was there wat $91.

Chamber of Commerce.

Last night the meeting of this body was slimly attended. The minutes were read and approved.

Mr. I. W. Lord read a letter from the steamship company, saying that in the manifests of the pursers Los Angeles was given the appropriate credit. The letter was placed on file and the thanks of the Chamber voted to the company.

Mr. Newmark gave a full and lengthy report concerning the work of the committee of which he was chairman. Los Angeles had partially been credited with the freight exported. The HERALD had agreed to compile and telegraph all matter of interest.

The morning contemporary proposed that the Chamber send 100 copies of its issue to the East. This was at first carried, and afterwards reconsidered and referred to the Board of Directors. The general impression seemed to prevail that all papers should be treated alike, but that no injustice had been done in the bargain with the HERALD.

It was proposed by Mr. Beaudry that a committee of five be appointed to raise subscriptions toward advertising Los Angeles, both by pamphlets and newspapers. Messrs. Beaudry, Downey, Barrows, Newmark and Lord were the committee.

The Chamber suggested that the Council should improve the streets and sidewalks, water the streets and light the lamps, that the city might be respectable during the fair. A communication was ordered sent to the Mayor to this effect.

On motion, adjourned.

Chinaman Cut to Pieces.

About 12 o'clock last night a HERALD reporter visited the jail, hearing that a Chinaman lay there murdered. It appears that the police found him on the sidewalk. He has three stabs in the head, done with a double-edged knife apparently, and is literally cut to pieces. He was still breathing, but unconscious. His assailant is unknown, and a dozen Chinamen who came in to the jail said they did not know the name of the victim of the assault. The police are investigating the matter as we go to press.

Since writing the above the police have reason to believe that he belongs to the Sam Yup Company. He was found lying in the road between New Commercial and Los Angeles street, in the crossing between Slaney's store and the White House.

A barber shop on Sutter street, near Kearny, was destroyed by fire to-day. Loss, $300.

Greenbacks, 93; silver, 91.

A fire occurred at Gilroy this morning by which four horses were burned to death in Brannon's livery stable, which, with its contents, was a total loss. It is believed to have been the work of an incendiary, and the vigilance committee was organized to rid the town of about fifteen suspicious characters.

About five miles from Saucelito, in the direction of San Rafael, on the North Pacific Railroad, the Pacific Bridge Company are building for the railroad company a long and lofty piece of trestle work over a deep gulch. There are in this trestle thirty lengths or benches, and it is three stories or sixty feet high. It had been blowing a norther during the night, and the wind was still high; but this morning while the carpenters, some fifteen in number, were at work, the job being almost finished, about 9 o'clock eighteen benches fell with a tremendous crash, and four men came to the ground with the heavy timbers. Their names were John Fagan, Richard Duvan, Joseph Dunn and a man named Andrew, a Swede, all residents of this city; they were all seriously injured, and Fagan and Duvan are speechless, and not expected to live through the day.

This evening Adam Beatty went into a pawn-broker's shop on Kearny street to purchase a pistol. Jacob Herman, a clerk in the place, showed him a Smith & Wesson revolver, and was trying the lock when the pistol was discharged, the bullet taking effect in the abdomen of Beatty, inflicting a wound which will probably prove fatal. He was taken to the hospital. He declared the shooting to be purely accidental and pleaded that the young man should not be arrested. No arrest was made. Herman did not know that there was a cartridge in the weapon.

J. W. Patton, clerk in the post office, a cousin of Sargent, and E. D. Herrick, another clerk, have been arrested for stealing money from the post office. They are in custody of the United States Marshal. The amount taken is not stated.

Henry Simpson, convicted on one charge of gambling last night, has pleaded guilty to another for the same offence.

The North Belmont Mining Company incorporated to work mines in the Philadelphia district, Nye county Capital $4,000,000.

J. W. Jones arrested for manslaughter, for running over and killing a little boy several nights since, was released to-day; the evidence showed that the boy's death was the result of accident.

SAN MATEO.

A Fight About Land—Several Persons Shot—Excitement and Threats of Lynching.

SAN MATEO, Nov. 8.

About a year ago John Green and Chas. Kinsey, proprietors of the Pescadero Hotel, Pescadero, exchanged property. Green traded his ranch at Pescadero with Kinsey for land in California and other States. Upon Green going East he found that Kinsey did not own the land he represented, and came back and commenced suit against Kinsey for damages. It appears that Green's wife had a homestead filed on the land in Pescadero, and that she did not sign the deed, and on coming back Green took peaceable possession of it and has lived on it two or three days. Last evening, it is alleged, Kinsey hired a number of men, and together with Mrs. Kinsey, attempted to oust the Green family and take possession of the house or burn it. Kinsey's party, consisting of Wm. Dow, and Alex. and Michael McLean, forced open the gate leading to the yard and made a rush for the door. Harvey Green, a brother, who was outside, they shot dead near the door. The Green family inside then opened fire and drove the invaders away. Dow was slightly wounded, also A. McLean, and John Green had one finger shot off. They were all arrested, together with Kinsey, and sent to jail at Redwood City. This morning there is great excitement, and strong talk of lynching the principal actors in the tragedy.

SAN DIEGO.

Progress of the Military Telegraph Line.....Rich Placer Mines Discovered in Lower California—Great Excitement.

SAN DIEGO, Nov. 8.

Arrival of the bark A. P. Jordan, with lumber, from Humboldt.

Schooner Wild Gazelle, with lumber, from Coos Bay.

The construction party to build that section of the Military Telegraph between Maricopa and Tucson, were to have commenced work on Thursday. Prescott and Yuma were joined by telegraph on Wednesday. Yuma will be connected with San Diego next week, and Tucson with Maricopa soon after.

News from Japa placer diggings, Lower California, is more exciting. The ground from the surface down to the water, 8 or 10 feet, is said to be filled with fine gold. A handful of dirt taken from any place in that locality and washed gives a pay showing. People are flocking to the diggings from every quarter. Parties, generally, are made up or pass through here.

MARIN.

Drowning From Jumping Overboard

SAN RAFAEL, Nov. 8.

This evening, shortly after the steamer Amelia, the San Rafael and San Quentin ferry boat, had left her dock in San Francisco, an unknown man sprang overboard from the forward gangway. He was picked up by a boat from the French bark Gustave and brought aboard the steamer. He was still alive when picked up, but died in a few moments after. It is supposed he was struck by the wheel.

In his pocket was found a card, upon which was written: "I have lived long enough. Tell Chas. L. Tilden to take my chest of tools and do as he pleases with them." The signature was nearly obliterated, but it is thought to be Wm. Clifford. The body will be taken to San Francisco.

KERN.
