THE ELECTION YESTERDAY—AN OVERWHELMING DEFEAT OF THE MONGREL TICKET.—The election held in this city yesterday resulted in a triumph for the regular democratic ticket far beyond the expectations of the most sanguine, and a crushing, lasting defeat for the mongrel radical "Temperance Ticket." Not one of the many candidates on the misnamed "People's Ticket" was elected. Every candidate on the regular democratic ticket, from Mayor to Constable, was elected by a most flattering majority. As soon as the polls closed last night bon fires were lighted all over the city, and there was great rejoicing over the anticipated victory. Men on the streets declared that Alexandria had rid herself of another ism. One gentleman grew poetic, and alluding to the temperance movement, said: "Yesterday the name of Cæsar was on the world, to day it has been buried so d—d deep the hand of the resurrectionist will never reach it." This office was crowded with gentlemen last night anxiously waiting for the official returns, but leaving that the counting in some of the wards would not be completed until this morning, one by one the assembly dispersed satisfied with the news they had already received, to wit: "That the entire democratic ticket had been elected by between 400 and 600 majority." The official vote of the city was announced by the clerks of the several wards this morning as follows:

ELECTION NOTES.—Several members of the temperance party were talking on the streets to-day of contesting the election held in this city yesterday, at which that "ism" received its death blow, on the ground that while only 1400 capitation taxes were paid up to 12 o'clock Wednesday night, 1,660 votes were polled, and that, too, when the law says no one shall vote who does not pay his capitation tax before the day of election. The truth is there were 1,810 capitation taxes paid up to 12 o'clock Wednesday night; besides there are over 100 colored men entitled to vote whom the Operation Court has seen fit to exempt from the payment of the capitation tax; there are also about 50 young men who have become of age since the last election, and were therefore not required to pay the capitation tax before voting yesterday.

It was also reported on the streets to day that all who voted the mongrel ticket yesterday would leave here to morrow evening on the steamer Harry Leder, Capt. I. C. O'Neal, for Port Tobacco, Md., where local option already prevails.

THE THREE CARD MONTE SWINDLING CASE.—The County Court, Judge James Sangster presiding, has been engaged all day in the trial of Oliver Hambleton, alias O. Johnson, charged with swindling John Houston, a farmer from Canada, out of $565, at Arlington, a short time ago, by means of the three card monte game. The prisoner, a young man of good appearance, and who is said to be well connected in Washington, entered the court room in charge of the sheriff, and the indictment for grand larceny, found by the grand jury, was read to him, to which he pled not guilty. A motion by counsel to quash the indictment was made and overruled by the court. A jury, consisting of George H. Mortimer, Wm. F. Burch, G. W. Veitch, R. A. Veitch, C. B. Graham, Jr., G. R. Adams, W. Davis, R. W. Walker, O. Birch, T. A. Slack, R. N. Rothery and James Reynolds, was then sworn, and the trial proceeded with. Mr. Edward Burke, appeared for the Commonwealth, and Mr. S. G. Brent of this city, assisted by Messrs. John F. Clarke and J. H. Howe, of Washington, appeared for the defence. Mr. Burke opened the case, was followed by Mr. Brent, Mr. Houston, the man alleged to have been swindled, was then put upon the stand. He identified Hambleton as the man who approached him in Washington and invited him to go over to Arlington to witness the unveiling of a monument, where he met several other men, friends of Hambleton's, who robbed him of his pocket book containing $565. A number of other witnesses were examined.

THE A. L. I. FESTIVAL.—The A. L. I. Festival was again largely attended last night, and a most enjoyable evening was spent. The committee acknowledge the following additional donations to the festival:

Blacklock & Co., Pracht & Co., Prior & Hildenburg, Sattler & Co., Hirshburg Bros. & Hellanter, L. J. Blume, M. Friedman & Son, J. Kraus & Co., Baltimore; L. A PLEASANT AFFAIR.—The closing exercises of the calesthenic class of Mrs. S. R. Little, at Harmonie Hall, last night, was a most pleasant affair. The members of the class numbering sixty, who were attired in appropriate and beautiful costumes, went through the programme of exercises in a most graceful manner, reflecting credit upon their teacher, and eliciting applause from the large audience present.

At the conclusion of the exercises Capt. Kemper, on behalf of Mrs. Little, thanked the audience for their presence and attention in a short, neat speech, for which he was presented by two pretty little ladies, in fancy costumes, Misses Lucy Lee and Hattie Eichberg, with a handsome bouquet. The audience was so much delighted with the entertainment that the teacher was requested to repeat it an early day.

U. S. COURTS.—The United States Circuit and District Courts, Judge R. W. Hughes presiding, adjourned terms of which commenced in this city yesterday, continued in session but a short time to day.

Circuit Court—N. Bush & Son against Stephen F. and David Dowling; jury and verdict for the plaintiffs.

J. B. Robinson, commissioner, &c., vs. Stephen F. and David Dowling; jury and verdict for plaintiff.

No business was transacted in the District Courts.

Both Courts adjourned till the regular July terms.

SIMON JOSEPH INDICTED.—The Washington Star of yesterday evening says: "Yesterday the grand jury indicted Simon Joseph and James Crusor, for the larceny of two horses, a carriage, &c., valued at $525, belonging to Mrs. Catherine Tierney in July last. It is charged that Joseph (who claimed to be a constable), assisted by Jas. Crusor, seized the horses, carriages and harness of Mrs. Tierney, and to head off any replevin hurried them off to Alexandria, Va., where they were subsequently sold as claimed, to satisfy a judgment. Since then the court here has decided that Joseph was not a constable and had no official recognition as such, hence this suit."

SCHOOL APPOINTMENTS.—At a meeting of the Trustee Electoral Board of Alexandria county held this morning, present: The County Judge, the Commonwealth's Attorney and the County Superintendent of Schools, the removal of George Ott Wunder, a trustee for Washington District, to Indiana, and the appointment of George R. Adams, a trustee for Arlington District, to the office of County Superintendent of Schools was announced. On motion, Robert Walker was elected to fill the vacancy in the former district and Dr. L. E. Gott, that in the latter, his term to commence July 1st.

SUIT FOR DAMAGES.—Messrs. Thomas Adams and F. R. Windsor, of Alexandria county, who recently, before Justice O'Neal, in Washington, sued the Alexandria and Fredericksburg railroad company for the value of a mule, killed by being struck by an engine, yesterday appealed the case to the circuit court, the judgment of the justice having been against them. Council for the railroad company in this case, it will be remembered, argued before the justice, that the mule in question committed suicide.

POTOMAC FRUIT GROWERS' EXCURSION.—The Potomac Fruit Growers' Association gave Wednesday the first of their enjoyable excursions for the season. The day was spent at Marshall Hall, and was unmarred by a single unpleasant event. Music, recitations and dancing was the order of the day. Mrs. Charles (Emily Hawthorn) gave a recitation, as did little May Carrizan. Dr. White amused and entertained them in his usual style. Captain Tyler's band played "Home, Sweet Home" as they neared the home wharf at 11:30 P. M.

FIGHT.—A regular rough and tumble, knock down and drag out fight took place yesterday evening, near the old Court House, between Frank Beach, Chris Curtain and Jackson Beach. Chris Curtain was badly bruised about the face, and Dossy Boges, a looker on, was knocked senseless by a blow from Jackson Beach. Boges, who was badly injured, was removed from the field of battle in a wagon. The row, it is said, grew out of a difference of opinion between the Beaches and the Halls on political matters.

LOCAL BREVITIES.

Mr. James S. Douglas was to day prominently spoken of as President of the incoming Council.

Geo. W. Meeks, of this city, presented last week, the Baptist Church of Charlottesville with four handsome contribution boxes.

A marriage license was issued in Washington yesterday, to Geo. D. Watkins of Fairfax county, Va., and Ella Elwards of Washington.

Magnus L. Robinson was arrested this afternoon and locked up for being drunk on the streets.

Ernest and John Mills, two small boys, for assaulting Thomas Mann, an old colored man, with a brick, were fined yesterday morning by Justice Thompson.

The steamer T. V. Arrowsmith, which has been undergoing repairs in Washington, for some time past, will resume her regular trips on the lower Potomac route Sunday next.

The Great railway contract has been approved by the Mexican Senate. Gen. Grant and Capt. Eads left the City of Mexico last night for the United States via Vera Cruz and New Orleans.

The desk of Auditor F. L. Brockett at his office in the market building, was handsomely decorated with flowers this morning by his lady friends, in honor of his election yesterday. Treasurer Harlow's desk was similarly adorned.

Hon. B. R. Wellford, Judge of the Circuit Court of Richmond, at the request of Judge Keith, came to this city this morning to try the question raised in the petitions of H. R. Garden and W. J. Robertson, in the suit of Graham vs. the W. C., V. M. & G. S. R. R. Co. At 4 o'clock this evening he was hearing the arguments of counsel.

"Women Never Think."

If the crabbed old bachelor who uttered this sentiment could but witness the intense thought, deep study and thorough investigation of women in determining the best medicines to keep their families well, and would note their sagacity and wisdom in selecting Hop Bitters as the best, and demonstrating it by keeping their families in perpetual health, at a mere nominal expense, he would be forced to acknowledge that such sentiments are baseless and false.—*Picayune.*

MONETARY AND COMMERCIAL

Business during the week has been fair, though somewhat interrupted by the political contest. The returns from all parts of the State show a repudiation of the repudiators. The prospect for a manufactory boom in our midst was hardly ever so promising, and we hope in a few days to be able to chronicle the starting of an enterprise that will at once make a revolution in our business and enhance all local values. In local money matters we have no change to note. The supply of money in Baltimore is very abundant, and rates are low when negotiations are accompanied with undoubted security. Both loans and discounts are quoted at 4a6 per cent. with the bulk of the business at the intermediate figure. The New York money market continues extremely easy at 2a3½ per cent. for call and time loans, and at 3½a4½ per cent. for prime mercantile paper. Government bonds were very strong yesterday, and higher generally. The 4 per cents closed with sales at 118—the highest price yet touched for these issues. The new 3½ (extended 6s) were firm at 104a104¼. State securities were quiet yesterday, and Virginia 10-40s were easier and closed ¼ off. About $50,000 sold at prices ranging 57, 56¾, 56¾a56½, closing at 56¼ bid, 56½ asked. Peelers were also easier, selling at 43¾a43½, against 44 previously. A small amount of deferred certificates sold at 18¼, and consols were nominally quoted at 85¼a86. Railroad securities firmer, and we quote:

PROFESSIONAL CARDS.

A CARD—It should be generally known that persons so unfortunate as to lose one or more of their teeth need not wait weeks and months for artificial substitutes and endure inconvenience, disagreeable changes in voice, facial expression, &c., but may have artificial teeth made before and inserted immediately after extraction of their natural teeth. By this mode a better adaptation, a more pleasant expression and a nearer approach toward preserving the natural harmony of the features are secured, and very much of the pain and difficulty experienced in learning to use teeth are also avoided. I have practiced this mode successfully for seven years, and having introduced it here, would be glad to refer any one interested to patients who know of it from experience. In treating the natural teeth my object is to preserve every one that time, patience and modern methods of treatment can save. The use of arsenic in destroying exposed nerves is condemned by the more enlightened of the dental profession on account of its turning teeth dark, inducing abscess and finally the loss of the teeth. The nerve pulp, which is the source of life to the tooth, should always be treated, when exposed, with a view to its restoration to health. I use no *cheap* alloys for filling; my fees are much less than are usually charged for the same class of work. Gold filling from $1.50 up; other work at proportionately low rates.
