For this section fair weather, slightly warmer, variable winds, generally southwesterly.

PERSONAL.—Mr. and Mrs. James A. Long of this city, have gone to Fortress Monroe and Virginia Beach.

Professor A. T. L. Kusian, formerly of the Mt. Vernon Institute, of this city, but now with the Roanoke Female College, of Danville, is in the city visiting.

Mr. James G. Hudson, of this city, clerk in the adjutant general's office, at a salary of $1,000, has been promoted to a $1,200 office.

Mr. L. Jaquelin Smith, of Morrisontown, N. J., is in the city on a visit to his relatives.

Rev. J. M. Nourse, has returned from a visit to Maryland.

Miss Fannie Dixon, of this city, was among those present at the german given at the White Sulphur Springs on Monday night last.

Mrs. Henry Krafft and children have gone to Kinsale to spend the remainder of the summer.

Information was received here this evening that Gen. G. W. C. Lee, who is ill at "Ravensworth," in Fairfax county, is improving.

Mrs. A. J. Stone, of Fairmont, West Virginia, with her little daughter, is visiting Mrs. Broadus, at the corner of Queen and St. Asaph streets.

FIRES.—Yesterday evening about 6:30 o'clock the casing around the trap door on the roof of the building at the foot of Cameron street, occupied by Mr. J. W. Prescott as a spoke factory, was discovered to be on fire and an alarm was at once sounded. Before the arrival of the fire engines, however, Mr. W. A. Smith and others had extinguished the flames with buckets of water. The fire originated from sparks from the stack, but the damage is insignificant.

About 3:30 o'clock this evening the roof of the shed adjoining the same building caught fire but the flames were again extinguished by Mr. Smith before much damage had been done, and a short time afterwards the roof of the main building was discovered on fire but this also was extinguished by a stream from the Columbia engine before the firemen had gained any headway.

POLICE REPORT.—Last night was mild and cloudy till about 1, when it became clear. There were two prisoners at the station house.

The Mayor this morning disposed of the following cases:

Edward Girtz, colored, arrested by Officer Davis for an assault on Laura Green, also colored, was fined $2 and put under his personal bond in the sum of $100 to keep the peace.

Catharine Hughes, colored, arrested by Officer Davis for being drunk and disorderly, was fined $1.

Mag Staunton, colored, charged with attempting to intimidate witnesses, was fined $5.

Wm. Parker, colored, arrested by Officer Brenner for an assault on Sarah Parker, also colored, had his case continued till to-morrow.

John Bell and Reuben McGuire, both colored, arrested by Officer Price, charged with threatening language towards Wm. Smith, also colored, were discharged.

ATTEMPTED SUICIDE.—Ida Dennis, better known as "Tall Ida," who lives on north Fairfax street, yesterday evening attempted to commit suicide by taking laudanum. She was seen in the act of drinking the dose from a bottle when it was knocked out of her hand by a neighbor. She said she had taken the contents of one bottle and might as well be allowed to take more. Dr. Jones was summoned, who administered restoratives, and after being walked about for some time the woman recovered. It is said that this makes the fourth attempt at suicide the woman has made. She had been on a spree for some time and the attempt to take her life was the result of her long debauch.

BOARD OF HEALTH.—The Board of Health met last night to consider matters relative to the health of the city. It was decided to request the City Council to pass a law making it the duty of the police force to notify citizens to remove grass, &c., from in front of their property. The alley running from Pitt, between King and Cameron, and the alley in the square bounded by King, Prince, Henry and Fayette streets were condemned as nuisances, and repairs were ordered to be made to the alley in the square bounded by Commerce, King, West and Payne streets. Other matters of a similar nature were considered.

TO EXCLUDE OUTSIDE PUPILS.—At a meeting of the Washington School Board held last night a committee was appointed to ascertain whether it will be feasible and expedient to have tickets of admission to the schools issued to pupils, at the beginning of the next school session at every school building. This is a preliminary step towards excluding pupils residing practically in Alexandria and the counties both of Maryland and Virginia adjoining the Washington District, who, it is claimed, flock to the schools and actually crowd out pupils residing within the Washington city limits.

PROPERTY SALES.—The deed of sale of the Braddock House, in this city, by Mr. J. D. Fish, of New York, to Mr. Timothy O'Meara, president of the Arrow Steamship Co., was recorded in the clerk's office of the Corporation Court to day. The consideration named in the deed is $27,500.

Mr. A. R. White, formerly of this city, but now of Washington, has sold his house and lot on Prince street, between Fayette and Payne, to Mr. M. H. Nash for $1,000.

WHY BUTTER COSTS SO MUCH.—"Butter has advanced considerably within the last ten days," said a commission merchant this morning, "and it will continue to advance till October, when it will probably become stationary. The main cause for this increase has been the terrible hot weather and the unusual droughts in the West. At this season of the year there is always a shrinkage, but not within the past half dozen years has it been so great as now."

ARM BROKEN.—While unlading a car loaded with steel rails, near the corner of Wolfe and Lee streets this morning, a Midland railroad employee named John A. Stubbs, of Albemarle county, had his right arm broken and was otherwise injured by a rail falling on him. He was taken to the office of Dr. Powell where his injuries received attention.

BODY RECOVERED.—The officers of the steamer Wakefield reported yesterday evening that they recovered on that day's trip the body of Thomas L Stiles, who fell or jumped off the Lady of the Lake on Saturday night last, and buried it in Prince Charles county, Md.

EXCURSION.—The excursion to be given to-morrow, to River View, by the Sunday schools of the First and Second Presbyterian Churches, promises to be a most delightful one, and all who wish to enjoy a pleasant day should attend. Tickets will be on sale at the wharf.

MONETARY AND COMMERCIAL.

NEW YORK, August 10.—The stock market was strong at the opening this morning, first prices being from ⅛ to ⅝ per cent. above yesterday's closing figures. The market was quiet and prices had a sagging tendency in the early dealings, which, however, soon disappeared. Fluctuations were very light, however, and the market remained steady throughout, becoming extremely dull late in the hour. The trading was entirely devoid of feature. At 11 o'clock the market was quiet but firm at small fractions above the opening figures. Money easy at 3a4.

The offerings of Flour are good and the demand only fair, but well distributed as to grade. The Wheat markets are rather more active for prime samples and such lots as would grade No. 2, and we note an advance of a fraction of a cent per bushel, but there is no change in common, damaged or garlicky Wheats, which still form the bulk of the receipts, but buyers take them very reluctantly even at present low prices; sales are ranging from 55 to 80 as to condition. Corn is firm; white 53a54; yellow 51a52. Rye and Oats are quiet but steady. Choice Butter is scarce and wanted. Other produce is without material change, with liberal receipts.
