FRIDAY EVENING, SEPT. 23, 1903.

BACKED DOWN.—The Hudson county grand jury had before it yesterday the case of Rudolph Esmarch, of Hoboken, who is accused of entering into a suicide compact with two friends. His friends carried out their part of the agreement, both dying by their own hands. Esmarch is 40. The two friends with whom he formed a suicide club were Charles Borowski, of Hoboken, and Jacob Rowdoski, of New York. Borowski took poison July 1 and died. It was Rowdoski's turn next, and Esmarch, it is alleged, agreed to die with him on the night of July 3. The two men went to the saloon of Harry Bunker, in Hoboken. They had a bottle of carbolic acid. It was divided into two parts. Each was to take dose. Rowdoski took his, but Esmarch weakened and went from the saloon, leaving his friend behind. Rowdoski died within an hour. Esmarch was arrested. It is understood an indictment for manslaughter will be found against him.

ABUNDANT HARVEST IN BESSARABIA. A dispatch from Kishineff, Russia, says that the anti Jew agitation has been temporarily forgotten in the excitement attending the greatest bonanza of a harvest in the history of Bessarabia. The railroads are utterly unable to cope with the amount of grain offered for transportation. Forty locomotives only are being employed where 200 are needed. The accumulation of grain is now sufficient to fill 20,000 cars. Most of the grain is piled on the station platforms, which are uncovered. Bad weather, before the accumulation can be cleared, would mean vast losses to the farmers.

The Proper Treatment for a Sprained Ankle.

As a rule a man will feel well satisfied if he can hobble around on crutches two or three weeks after spraining his ankle, and it is usually two or three months before he has fully recovered. This is an unnecessary loss of time, for in many cases in which Chamberlain's Pain Balm has been promptly and freely applied, a complete cure has been effected in less than one week's time, and in some cases within three days. For sale by Richard Gibson, druggist.

Distress After Eating Cured.

Judge W. T. Holland, of Greensburg, La., who is well and favorably known, says: "Two years ago I suffered greatly from indigestion. After eating, great distress would invariably result, lasting for an hour or so and my nights were restless. I concluded to try Kodol Dyspepsia Cure and it cured me entirely. Now my sleep is refreshing and digestion perfect." Sold by all druggists.
