# COLUMBIA DEMOCRAT.

ALEM B. TATE, LOCAL EDITOR.

**Saturday Morning, April 18, '57**

☞ We have been requested to announce that the REV. GEORGE WARREN, will preach in the Court House, to-morrow, morning, at 10 o'clock.

☞ NEW GOODS.—We perceive that Messrs. ELSE & WILSON, have again replenished their shelves, with a large assortment of Candies, Fruits, &c., from the Eastern cities, to which we invite the attention of our citizens.

☞ THE GALE.—The heavy gale which prevailed on Wednesday last, resulted in considerable damage in the way of blowing down fences, &c., in various parts of the county.

☞ BEWARE OF ROBBERS.—Hon. L. P. RUPERT's Smoke House, was robbed on Monday night, of a large lot of Hams and shoulders.

Ex-Sheriff BILLMEYER, a few nights since, had a slather of eatables purloined from his Larder, and Dr. RAMSEY's Smoke House was also robbed of a quantity of meat. Such conduct is disgraceful to Bloomsburg, and the miscreants should be ferretted out and severly punished. We want an efficient Police for the purpose of preserving order and protecting the interests of our citizens.

☞ MOVED INTO TOWN.—Since the first of April we notice many new faces in town, of persons who have taken up their residence with the intention of making it permanant. We are quite sure they could not have made investments in a more flourishing or prospering place, or take up their abode in a more admired and beautiful town. We welcome them into our midst and trust they may be highly pleased with their new places of residence.

☞ WILL NOT PASS.—The probabilities are that the bill increasing the pay of Jurors and Witnesses attending Court, will not pass the Legislature this Session.

☞ FRUIT, &c.—The cold weather in the early part of this week did but little injury to the fruit buds. In one or two instances, in exposed situations, we understand that the peach and pear buds were somewhat injured, but not to any serious extent.

☞ WHO ARE THEY?—A young lady, on being asked what she thought of the parody on "Tell me ye winged winds," replied that she knew several gentlemen who would have no difficulty in finding places on *earth* where women are not, whether desirable or not. Who fell at that fire?

[redacted]

☞ SPRING.—How much some people are given to talking, writing and thinking about Spring. Every one, as soon as the first sunny day has warmed his notions of propriety in regard to what ought to be called Spring, throws out something or other about the weather, and then goes on to state a long discourse about spring, leaving out the weather; its a way that editors have of doing things. "Delightful spring," say they, "thou hast come again, indeed, to cheer our half frozen hearts, and to revive our drooping spirits, thou beautiful germ of another summer, gentle as infancy, and no less lovely! With thee all is gladness of heart and fullness of enjoyment, and bright hopes of merrier days and happier times. The light of thy young sun is as dear to our eyes as the summer's smile, and brighter. Thy breath is sweet as the dewy incense of a summer's morn. Thou'rt welcomed back again with the melody of sweetest songsters, the bubbling music of the mountain rill, and the loud triumphant roar of the swelling flood, The humble flower that thought it was forgot, and drooped, again rears its tiny head at thy dear approval, and bids thee welcome in thy young beauty, and lives on again in gladness. Welcome, welcome spring!" This is the strain in which spring is ushered in, which would all be well enough if spring would stay spring, and not freeze us to death as she is wont. While we write, (Wednesday, April 15th,) one of the finest snow storms which we have seen during the past winter, is raging. Every flake is broad, firm and compact, and comes dancing to the earth as if it had a wicked sort of pleasure in scattering to the winds or covering with the white pall of Winter all the poetry and pleasure of Spring. For ourselves we can say that we don't fancy this season of spring.

## EQUALITY TO ALL!

UNIFORMITY OF PRICES!—A New Feature in Business. *Every one his own Salesman!*

JONES & CO.,

Of the Crescent One Price Clothing Store No. 209 Market street, above Sixth, Philadelphia.

In addition to having the largest, most varied and fashionable stock of Clothing in Philadelphia, made expressly for retail sales, have constituted every one his own salesman, by having marked in figures, on each article the very lowest price it can be sold for and they cannot possibly vary—all must buy alike.

The goods are well sponged and prepared, and great pains taken with the making so that all can buy with the full assurance of getting a good article at the very lowest price. Also a large stock of piece goods on hand, of the latest style and best quality, which will be made to order, in the most fashionable and best manner 25 per cent. below credit prices.

Remember the Crescent in Market, above Sixth Street, No. 209.

JONES & CO.

## ONE PRICE ONLY!

LIPPINCOTT & CO'S. Cash Clothing Warehouse, South West corner of Fourth and Market streets, Philadelphia. *The only One Price Clothing Store in America.*

Cash purchasers of Men's or Boys Clothing, at wholesale and retail, can here make their selection from an immense stock of fashionably cut and well made clothing, get up with a view to give satisfaction to all, and at the very lowest possible selling price to marked in plain figures on every garment, all buy at the same price, and whether they are judges of goods or not, they cannot be deceived. One uniform low price to ask and to get of everybody, with the same mode of asking two prices, and taking all that can be got, suits wholly, and leaves three-fourths of the trade at a store asks $15, for a coat, and after warm agrees to take $10, and is equally certain, that he would have taken $15, if he could have got it, and thus actually that the purchaser lost five dollars. To remedy this evil and establish confidence in the trade, LIPPINCOTT & CO., have fixed a fair low price on all their goods, (very much below the usual rates,) and will, never vary one cent under any circumstances.

TRUTH IS MIGHTY AND WILL PREVAIL!

*Report of the Committee, appointed to superintend the Burning of the Iron safes, at Reading, February 27, 1857.*

READING March 4, 1857.

The undersigned, members of the committee, do respectfully report, that we saw the two safes, originally agreed upon by Farrels & Herring and Evans & Watson, placed side by side in a furnace, viz. The Safe in use by the paymaster of the Philadelphia and Reading Railroad Company, in his office at Reading, manufactured by Farrels & Herring, and the Safe in use by H. A. Lantz, in his store manufactured by Evans & Watson, and put in books and papers, to closely alike.

The fire was started at 8½ o'clock, A. M., and kept up until four cords of green hickory, two cords of oak and half a cord of pine wood were entirely consumed, the whole under the superintendence of the subscribers members of the Committee. The Safes were then cooled off with water, at 2 which time they were opened and the books and papers taken out by the Committee and sent to H. A. Lantz's store for public examination and marked by the Committee.—The books and papers taken from the Safe manufactured by Farrels & Herrings were in our judgment damaged fully fifteen per cent. more than those taken from Evans & Watson's Safe.

We believe the above to have been a fair and impartial trial of the respective merits of both Safes.

JACOB H. DYSHER,
DANIEL S. HUNTER

Having been absent during the burning, we fully coincide with the above statement of the condition of the papers and books taken out of the respective Safes.

# Holloway's Pills.

A MEDICAL REVOLUTION.

**The World Unanimous!**

THE GREAT COUNTER IRRITANT!!

THE virus of disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, melting under the hand as it is rubbed in, is absorbed through the same channels, and, reaching the seat of inflammation, promptly and invariably subdues it, whether located in the kidneys, the liver, the lungs or any other important organ. It penetrates the surface to the interior, through the countless tubes that communicate with the skin in summer rays passes into the fevered earth, diffusing its cool and regenerating influence.

SKIN DISEASES AND GLANDULAR SWELLINGS.

Every species of exterior irritations quickly reduced by the anti inflammatory action of this Ointment.—Angry Eruptions, such as Salt Rheum, Erysipelas, Tetter, Ringworm, Scald Head, Nettle Rash, Scalds, (or lich) &c., die out, to return no more, under its application. Hospital experience in all parts of the world proves its infallibility in diseases of the skin, the muscles, the joints and the glands.

ULCERS, SORE AND TUMORS

The effect of this unrivalled external remedy upon Scorbuta, and other virulent ulcers and sores is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterward complete are safe as well as permanent.

WOUNDS, BURSES, BURNS, AND SCALDS.

In cases of the fracture of the bones, injuries caused by steam explosions, Bruises, Burns, Scalds, Rheumatism, Stiffness of the joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals of Europe, and no private household should be without it.

UNDENIABLE TESTIMONY.

The medical staff of the French and English armies in the Crimea, have officially signed their approval of Holloway's Ointment, as the most reliable dressing for sabre cuts, stabs, and gun shot wounds. It is also used by the Surgeons of the Allied Navies.

*Both the Ointment and Pills should be used in the following cases:*
