COLUMBIA DEMOCRAT

ALEM B. TATE, LOCAL EDITOR.

Saturday Morning, June 6, 1857.

DROWNED.—On Tuesday morning last, a young man, named THOMAS ALE, residing in Mountpleasant township, Columbia County, was drowned in the Fishingcreek, near the Dam of the Bloomsburg Railroad Iron Company. It appears, that Mr. ALE, in company with two other men, got into a small boat, with the intention of crossing the creek, and after getting near the middle of the stream, and seeing that the boat would go over Dam, the two men jump off and swum out, whilst Mr. Ale, who was unable to swim, clung to the boat, and went over with it. The boat upset with young Ale under it. The people has been engaged in searching for the body since, but up the hour of going to press, (Friday morning,) no clue has been found of the drowned man.

MORE CLOVER.—*A little longer yet.* Mr. OLIVER EVANS, of Locust township in this county, has deposited in the office of the *Columbia Democrat*, a Clover Root, measuring *thirty two* inches in length—Capt. *Samuel Lindy's* was 25 inches long hence, this beats his *seven inches.* We should say it was all right, had not Mr. Evans denominated his stock as a specimen of *Republican Clover*, but we are yet willing to make the issue on political grounds, and now call upon our political friends, to roll out a real specimen of *Democratic Clover.*

HOOPS.—In passing one of our dry goods stores the other day, we saw, what we thought was an inflated balloon ready to waft to the skies. A parcel of dirty boys in the street were reconnoitering its motions as it swayed to and fro in the wind, shouting 'now it goes,' 'no it don't,' and evidently bent on seeing the fun of its sailing along through the skies. Several young ladies happening to pass, we heard one of them whisper to her companions "Hoops!" We left immediately satisfied that the balloon ascension was postponed, and if there would be one, a woman would be in it—not a man.

APPOINTMENTS.—Jacob Klinetob, has been appointed Postmaster at Foundryville

John J. McHenry, has been appointed to fill the vacancy at the Berwick Post Office, caused by the resignation of Rev. I. Bahl.

Mrs. Dewitte, the widow of the late Postmaster at Lightstreet, has been appointed to fill his place.

LIQUOR—In the county of Columbia there are the following establishments engaged in the sale of liquor:

7 tavern's paying	$25 license,		$800 00
3 do.	do.	$50 do.	150 00
6 stores paying	$50	do.	300 00
8 beer-houses,	$25	do.	200 00
2 distilleries	$50	do.	250 00
1 brewery,	$50	do.	50
Total revenue,			$1650 00

SAD NEWS.—We regret to learn that the Rev. Mr. HUTCHINS, formerly pastor of the Episcopal Church in Bloomsburg, but now now residing in Albion, Illinois, recently lost seven out of nine children in ten successive days, from scarlet fever, and at last accounts the other two were ill.

THE WEATHER.—The weather for the week past has been glorious. The warm sun and frequent and copious showers have caused vegetation to spring up wonderfully. The young corn is piercing the ground, and in some cases the farmers have the "cultivator," at work. The birds are said to be very troublesome.

ACCIDENT.—We regret to learn, by a telegraph despatch, of an accident which happened on the Buffalo and Dunkirk rail road on Tuesday morning last, by which JOHN SHARPLESS and WALNER SCOTT, of Cattawissa, were considerably injured.

THE HORSE.—The wonderful secret of taming wild horses, which has caused some excitement in this neighborhood, can be found in full, by refering to the first page of to day's paper.

JULY 4th, 1857.—Less than one hundred years ago, the nation was born. The growth is wonderful. Can we not have here in *Bloomsburg*, a place containing upwards of two thousand inhabitants, some attraction, that may be interesting to all? What say you citizens of the town?

MEETING.—Another meeting of the Columbia County Agricultural Society, will be held in the Court House this afternoon, at 2 o'clock,

THUNDER STORM.—Quite a heavy thunder gust passed over this place on Sunday evening last.

EARLY.—Radishes, Onions and Rhubarb have made their appearance in our market. Green Peas will come next.

THE CEMETERY.—A more beautiful reposing spot for the dead than our cemetery is seldom met with.

ORNAMENTAL.—To have the sidewalks filled up with boxes, barrels, wheelbarrows, &c,

PURIFY YOUR BLOOD.—If afflicted with Scrofula, Chronic Rheumatism, Dyspepsia, or any disease arising from an unhealthy or impure condition of the blood, use Hurley's Sarsaparilla. For sal e by every extensive Druggist.

☞ We are gratified to announce to our readers a Cathartic Pill, (of which see advertisement in our columns,) from that justly celebrated Physician and Chemist, Dr. J. C. AYER. His Cherry Pectoral, every where known as the best remedy ever offered to the public for Coughs, &c., has prepared them to expect that anything from his laboratory would be worthy of attention. As no one medicine is more universally taken than a Physical Pill, the public will be glad to know of one from such a trustworthy source. We happen to know and can assure them that this article has intrinsic merits, fully equal to any compound that has ever issued from his Crucibles, and consequently is well worth a trial wherever such a medicine becomes necessary.—*Ramns Com. Adv.*

The Bitters all they are represented to be.—DEAR SIR—I have used your German Bitters, and find them all they are represented to be, and cheerfully commend them to the public as an excellent medicine.

Respectfully, yours. W. P. FAULKNER.

ONE PRICE ONLY!

LIPPINCOTT & HUNTER'S Clothing Warehouse, South West corner of Fourth and Market streets, Philadelphia. *The only One Price Clothing Store in America*

Cash purchasers of Clothing or boys Clothing, a wholesale and retail, can here make their selection from an immense stock of fashionably cut and well made clothing, got up with a view to give satisfaction to all, and at the very lowest possible selling price marked in plain figures on every garment, all buy at the same price, and whether they are judges of goods or not, they cannot be deceived. One uniform low price to all and take, and see everybody, with the usual mode of asking two prices, and taking all that can be got, suits nobody, and creates three parties; for instance a man asks $15 for a coat, and after warming and persuading to take $10, and it is equally certain, that he could have taken $13, if he could have got it, and that actually cheat he purchaser out of five dollars. To remedy this evil and establish confidence in the trade, LIPPINCOT & CO., have uniform low prices on all their goods, (very much below the usual rates,) and will not vary one cent under any circumstances.

THE LARGEST ASSORTMENT in the United States.—Warranted to be equal to any now made, and will be sold on as good terms, as can be obtained from any other house in the country, at

EVANS & WATSON'S,

TRUTH IS MIGHTY AND WILL PREVAIL!

Report of the Committee, appointed to examine the Burning of the Iron Safes, at Reading, February 27, 1857.

READING, March 4, 1857.

The undersigned, members of the committee, respectfully report, that we saw the safes, originally agreed upon by Farrels & Herring and Evans & Watson, placed side by side in a room, viz: The Safe in use by the paymaster of the Philadelphia and Reading Railroad Company, in his office at Reading, was manufactured by Farrels & Herring and the Safe in use by H. A. Lantz, in his store, manufactured by Evans & Watson, and put in books and papers, precisely alike.

The fire was started at 8½ o'clock, A. M., and kept up until four cords of green hickory, two cords oak and half chestnut top wood were entirely consumed, the whole under the superintendence of the subscribers, members of the Committee. The Safes were then cooled off with water, after which they were opened and the books and papers taken out by the Committee and sent to H. A. Lantz's store to public examination, and washed by the Committee.—The books and papers taken from the Safe manufactured by Farrels & Herrings were, in our judgment, damaged fully fifteen per cent. more than those taken from Evans & Watson's Safe.

We believe the above to have been a fair and impartial trial of the respective qualities of both Safes.

JACOB H. DYSHER,
DANIEL S. HUNTER.

Having been absent during the burning, we fully concide with the above statement of the condition of the papers and books taken out of the respective Safes.
