# COLUMBIA DEMOCRAT.

ALEM R. TATE, LOCAL EDITOR.

Bloomsburg, November 28 1857

## RELIGIOUS NOTICES.

Divine services will be held in Bloomsburg, to-morrow, (Sunday, Nov. 29th,) at the following Churches:

*Lutheran Church.*—Rev. E A. SHARRETTS. Service at 6 o'clock, P. M.

*German Reformed.*—Service at 10 o'clock A. M, by Rev. W. R. ZEIGER, of Ohio.

*Methodist Church.*—Service at 10 o'clock, A. M., in the Basement of the new Church, on Third Street.

*Presbyterian Church.*—Rev. D. J. WALLER.—Service at 11 o'clock, A. M.

☞ The thermometer, on Wednesday morning last, stood at 5 degrees above zero, in Bloomsburg.

☞ "*Dem Foine,*"—The oysters served up by "mind host" of the Exchange Oyster Saloon. Step in and try a dozen or so of the bivalves.

☞ The Hon. Warren J. Woodward is holding a two week's Court in Wyoming county, including this week and last.

☞ Messrs. McKelvey, Neal & Co., have just received a large and beautiful assortment of Fall and Winter Goods.

☞ Court will commence in this place, on Monday, the 7th of December next, to continue one week.

☞ The Select School, under the control of Messrs Eaton and Wells, commenced a new quarter on last Monday.

☞ We notice that Messrs. Else & Wilson, have a large and well selected assortment of Toys, Candies, &c., on hand at their Confectionary Establishment. The approaching Holidays, we have no doubt, will demolish the pile, considerably.

☞ We have frequently been solicited by persons to notice their business in our local columns, when they never spent a dime for advertising. Men who are too penurious to advertise, should know better than to ask such favors.

☞ According to scientific gentlemen we are likely to have a mild winter this time. The more unseasonable the weather is the more seasonable it will be for the poor. Let us offer up a propitiatory sacrifice to the clerk of the weather.

☞ Will all who read our paper favor us with notices of deaths and marriages, as they occur in their neighborhood? Likewise, accounts of sudden accidents, fires, or whatever may be of local or public interest. This is a standing request.

☞ For some winters past the weather has been severe enough to destroy a great many birds. They are scarce. To have them again plenty, they must be protected. Partridges, and all other kinds of birds, should be free this fall, from the gun of the sportsman.

☞ We notice that many farmers in our county, have commenced butchering their hogs, and sending them to market. Sausage and buckwheat cakes are now quite common with those who *can* afford it.—The obese and unfortunate porkers, protest with loud squeals but without avail, against the cruel appetites of the hungry and insatiate Gentiles.

☞ —"Green *goslings* need training—they *flutter* so when they begin to swim."
*Columbia Co. Republican.*

Well, *Doctor*, we have no doubt, they will be properly cared for under your "training." Should you, however, apprehend any fear for their *moral culture*, you can just call in the assistance of "mother Goose." Shoo, *Geese.*

☞ The wheat fields of Columbia county present a very green and handsome appearance—a vivid contrast between the brown and bare pasture fields. We have seen some fields in which the wheat is already six inches high. There is a great difference in the opinions of farmers upon the question of late and early sowing.—Some say that when it is sown early it is more liable to the attacks of the fly; but should it escape this, that it will grow too rank in the summer. On the other hand, it is said that when sown early it takes a deeper root, and is more able to stand the winter, and even the ravages of the fly, by having a stronger stalk which sustains the fly and supports the growing grain.

*Godey for December.*—This excellent Magazine has already made its appearance for the current month. The contents are; three Steel Plates, one Slipper printed in colors, one colored Fashion Plate, 12 Pages printed in Blue Tint, forty-nine Engravings, one hundred pages and sixty contributions. The two Engravings "The Night before Christmas," and "Christmas Morning," are the best we ever saw published of the same size. Godey's Magazine deserves universal patronage, and we have no doubt, enjoys it, at the hands of every lady reader in the country. Price, $3 per annum, addres, L. A. Godey, Philadelphia.

☞ Justice Woodward, of the Supreme Bench, lately delivered an opinion on the subject of the time of expiration of the official term of Chief Justice Lewis. He decides that Judge Lewis holds his office until the 17th of December next.

*For the Columbia Democrat.*

## Inhumanity.

MR. EDITOR—Last week I saw a little *girl*—a child some 7 or 8 years of age—not five miles west of Bloomsburg, which was the sorriest picture of distress that is any where to be found in Columbia co. This poor orphan child, was some half mile from what is called her home, on a bitter cold, snowy day, bear headed, bear-necked and bare-legged; indeed, she had not *one dollar's worth* of clothing to cover her nakedness, and what was much worse, her face and neck, was literally covered with scratches, cuts and scars—"bruises, wounds and putrifying sores." Will not the citizens in the vicinity of this dreadful outrage upon helpless humanity, report the condition of this poor child to the officers of the Philadelphia Poor House, that she may be returned whence she came, and where she will be a thousand times better off soul and body, than with the miserable "*skin-flint*" whom she now calls her master.

A CITIZEN.

☞ *Bilious Cholic and Cramp in the Stomach* can be relieved in ten minutes, in every case, by using from 5 to 30 drops of DU VALL'S GALVANIC OIL.

Sold by G. M. Hagenbuch, J. R. Mayer and E. P. Lutz, Bloomsburg, and Country Merchants, generally.

☞ *Never Too Late.*—Hundreds just within the grasp of Consumption are saved every year by the faithful use of Dr. Wistar's Balsam of Wild Cherry. Its success in allaying and curing severe protracted coughs is unprecedented.

☞ Mr. Peter Baldy, jr., of Danville, has just received some 3000 bushels of Kentucky wheat from Pittsburg.

## Special Notice.

HELMBOLD'S COMPOUND FLUID EXTRACT SARSAPARILLA is a remedy for Diseases of the Bladder, Kidneys, Gravel, Dropsy, Weaknesses, &c., has no equal. Read the advertisement in another column headed "Helmbold Genuine Preparation."

☞ *The Five Per Cent. Saving Fund* of the National Safety Company, Dilwyn street, southwest corner of Third street, Philadelphia, now has nearly ONE MILLION AND A HALF of Dollars in REAL ESTATE, MORTGAGES, GROUND RENTS, and other first class securities, to the benefit of depositors.

☞ THOMAS W. MATTSON, Receives the Prize Medal at the World's Fair in London, 1851, for TRUNKS, CARPET BAGS, Boots, shoes and Gums.—Great inducements are now offered to purchasers of the above articles. There is much the largest stock of trunks, Carpet Bags, Valises &c., in Philadelphia very cheap, for cash. Manufactories: 130 Market Street, S. W. corner, and 128 Market street, S. E. corner of Fourth.

☞ A COOL REFLECTION.—"For every mile that we leave the surface of our earth, the temperature falls five degrees. At forty five miles' distance from the globe we get beyond the atmosphere, and enter strictly speaking, into the regions of space, whose temperature is 235 degrees below zero, and here cold reigns in all parts." The gentleman who went "beyond the atmosphere," and held the thermometer in the "regions of space," has since his return declared that the most coolest thing is a suit of those light, elegant and graceful summer clothes, which have rendered the fashionable Emporium of Granville Stokes, No. 607, Large 203 Chestnut street, famous on this terrifical orb.

☞ WHITE TEETH, PERFUMED BREATH AND BEAUTIFUL COMPLEXION—can be acquired by using the "*Balm of a Thousand Flowers.*" What lady or gentleman, would remain under the curse of a disagreeable breath, when by using the "BALM OF A THOUSAND FLOWERS" as a dentifrice, would not only render it sweet, but leave the teeth white as alabaster! Many persons do not know their breath is bad, and the subject is so delicate that their friends will never mention it. Beware of counterfeits. Be sure each bottle is signed

PETRIDGE & CO., N. Y.

☞ In this Mammoth worshipping age, it is easy to find a man place his usefulness to the public before his interest. During a late visit to the City of Spindles, we were presented by a professional friend, to the celebrated chemist, Dr. J. C. AYER, whose name is now perhaps more familiar than any other, at the bedside of sickness in this country. Knowing the unprecedented popularity of his medicines and the immense sale of them we had expected to find him a million aire and rolling in wealth. But no we found him in his laboratory, busy with his laborers, among the crucibles, alembics and retorts—giving his best personal care to the compounds, on the virtues of which thousands hung for health. We learned, that notwithstanding his vast business and its prompt returns in cash, the Doctor is not rich. The reason assigned is that the material is costly, and he persists in making his preparations so extensively, that the nett profit is small.—*American Farmer, Phila.*

DYSPEPSIA CURED.

BOSTON, December 6,

DR. GEO. B. GREEN,—*Dear Sir.* In reply to your question in regard to the action of the *Oxygenated Bitters*, I feel much pleasure in stating that from its prompt and decisive effect in alleviating and overcoming a severe and chronic case of Indigestion and Dyspepsia in my own family, and from a knowledge of its wonderful results in curing several attacks quite as severe in other families of my acquaintance, I consider sovereign and infallible remedy in that distressing complaint, and would cordially and earnestly recommend it to all who may be thus afflicted.

Respectfully yours,

ISAAC DANFORTH,

☞ A CARD TO THE LADIES.—DR. DERON CO'S GOLDEN FRENCH PILLS *are infallible in removing stoppages or irregularities of the menses.*

These Pills are nothing new, but have been used by the Doctor for many years, both in France and America, with unparalleled success in every case; and he is urged by many thousand ladies who have used them, to make the Pills public, for the alleviation of those suffering from any irregularities whatever, as well as a preventive to those ladies whose health will not permit an increase of family.

Pregnant females, or those supposing themselves so are cautioned against using these Pills, as the proprietor assumes no responsibility after the above admonition, although their mildness would prevent any injury to health; otherwise, these Pills are recommended.

Directions accompany each box. Price $1. Sold wholesale and retail, by

GEORGE M. HAGENBUCH,

He will supply the trade at the proprietor's prices, and send the Pills to ladies (*confidentially*) by mail on receipt of $1 through Bloomsburg Post Office.

ONE PRICE ONLY!

LIPPINCOTT & HUNTER'S Clothing Warehouse, South West corner of Fourth and Market streets, Philadelphia. *The only One Price Clothing Store in America.*

Cash purchasers of Men's or boy's Clothing, at wholesale and retail, can here, make their selection from an immense stock of fashionably cut and well made clothing, got up with a view to give satisfaction to all, and at the very lowest possible selling price s marked in plain figures on every garment, all buy at the same price, and whether they are judges of goods or not, they cannot be deceived. One uniform low price to ask and take, suits everybody, with the usual mode of asking two prices, and taking all that can be got, suits nobody, and cheats three-fourths; for instance a man asks $15 for a coat, and after warts agrees to take $10, and it is equally certain, that he would have taken $15, if he could have got it, and thus actually that he purchaser out of five dollars. To remedy this evil and establish confidence in the trade, LIPPINCOT & CO., fix a uniform below price on all their goods, (very much below the usual rates,) and will never vary one cent under any circumstances.

WHOLE TICKETS $10; HALVES $5; QUARTERS $2!

*Plan of the Lottery.*

The Numbers from 1 to 50,000, corresponding with those Numbers on the Tickets printed on separate slips of paper, are encircled with small tin tubes and placed in one wheel.

The first 492 Prizes, similarly printed and encircled, are placed in another wheel.

The wheels are then revolved, and a number is drawn from the wheel of Numbers, and at the same time a Prize is drawn from the other wheel. The Number and Prize drawn out are opened and exhibited to the audience, and registered by the Commissioners; the Prize being placed against the Number drawn. This operation is repeated until all the Prizes are drawn out.

*Approximation Prize*—The two preceding and the two succeeding Numbers to those drawing the first 7 Prizes will be entitled to the 7 Approximation Prizes. For example: if Ticket No. 1250 draws the $60,000 Prize, those Tickets numbered 1,248, 1,249, 1,251, 1,252, will each be entitled to $100. If Ticket No. 350 draws the $25,000 Prize, those Tickets numbered 348, 349, 351, 352, will each be entitled to $250, and so on according to the above scheme.

The 5000 Prizes of $20 will be determined by the last figure of the Number that draws the $60,000 Prize. For example, if the Number drawing the $60,000 Prize ends with No. 1, then all the Tickets where the Number ends in 1 will be entitled to $20. If the Number ends with No 2 then all the Tickets where the Number ends in 2 will be entitled to $20, and so on to 0.

Certificates of Packages will be sold at the following rates, which is the risk:
