THE CITY OF PETERSBURG

News Notes From the City on the Appomattox.

A Beautiful Marriage Ceremony at Grace Episcopal Church, in Which Miss Katharine Todd Pleasants and Dr. Joseph Gilpin Play an Important Part.

Special Dispatch to the Virginian.

PETERSBURG, Va., June 19.—At Grace Episcopal Church this afternoon at 6:30 o'clock, Miss Katharine Todd Pleasants, daughter of Dr. John M. Pleasants, Chief Deputy in the United States Internal revenue office in this city, and Dr. Joseph Elliott Gilpin, of Baltimore, were united in holy wedlock in the presence of a large and brilliant company. The rector, Rev. John Ridout, officiated, assisted by Rev. S. K. Winn, paster of the Second Presbyterian Church. The chancel was decorated with ferns, palms and daisies, while the bright tapers in several candelabra shed a pretty light upon the marriage altar. When the bridal party arrived they were met at the vestibule by the flower girls and bridesmaids, who entered through the chancel, advanced down the middle aisle to the main entrance, and there joined the bride and her maid of honor. Then the procession marched up the aisle to the altar in the following order, the organist, Miss Anna Stallard, playing the joyous Lohengrin wedding march: The ushers, the bridesmaids, the flower girls, the maid of honor, the bride, leaning upon the arm of her father. The groom and his best man, his brother, Mr. Henry Godwin Gilpin, of Baltimore, came through the church and met the bridal party at the altar. The bride wore a gown of white satin duchess, trimmed with white chiffon. She had the conventional veil fastened with sweet pea, instead of orange blossoms, and she carried a bouquet of bride roses. As the rector, Rev. Mr. Ridout, read the marriage service Miss Stallard played softly and expressively the familiar "Take Thou This Ring," from Somnambula. When the service was concluded and the benediction had been invoked upon the newly wedded pair, the organ pealed out with the Mendelssohn wedding march and the bridal party left the church, their path being literally strewn with roses by the little flower girls, who preceded them, bearing Leghorn hats filled with flowers.

Mr. and Mrs. Gilpin left on the Norfolk and Western train for Virginia Beach and the North. Their bridal tour will extend over a period of several months and they will be "at home" at 341 Dolphin street, Baltimore, after October 1st. The bride received a great many beautiful presents from friends in Petersburg, Baltimore and Richmond. Among those which she prizes most highly is a very handsome parlor lamp and onyx table, the gift of her friends, the choir of the Second Presbyterian Church, of which she was a member. The groom is a son of the late Alfred G. Gilpin, of Baltimore, and is an instructor in chemistry at Johns Hopkins University. He is very highly considered by the faculty, and has a fine career begun here. The bride is a lovely, cultivated Virginia woman.

The bridesmaids were Miss Elizabeth Poe Gilpin, of Baltimore, sister of the groom, and Miss Irene Pleasants, of Richmond, cousin of the bride. They wore white organdie over silk, trimmings, butter lace and pink ribbons, Testout vest bouquets. Miss Mittie Snowden Pleasants, sister of the bride, was maid of honor. She wore pink organdie over silk, trimmings, butter lace and pink ribbons, and carried a bouquet of Testout roses.

Little Dena Lee Townes was the ribbon girl, dressed in pink organdie and pink ribbons. Master John Edward Townes was the ribbon boy. He wore a suit of black velvet. The flower girls were Misses Emily Virginia and Marie Louise Townes, in costumes of white organdie and white ribbons. The ushers were Mr. Pelham Hurt, Mr. Ernest Griffin and Mr. J. Ritchie Smith, of Petersburg; Mr. Henry L. Wiegand, of Baltimore; Mr. Caleb Statler, of Sandy Springs, Md.; Mr. William Summerell, of Edenton, N. C.; Prof. Henry Paul Mellwains, of Hampden-Sydney, and Mr. Robert Moncure Pleasants, of Richmond. They were in full dress and each had a boutonniere of white carnations.

The Executive Committee of the State Central Hospital held a meeting at that institution to-day and opened the bids for making a brick addition to the hospital. The contract was awarded to Mr. J. C. Rowell, of this city, whose bid was $6,320. Among the bidders were several from Richmond.

Mr. R. C. Scott, doing business under the firm name of Geo. V. Scott & Son, and as agent made an assignment to day to Mr. Alexander Hamilton, trustee. His liabilities are about $11,000.

Mr. W. H. Collett is to resign his position as letter carrier at the postoffice in this city.

Quartermaster J. T. Edmond, of the Petersburg Greys, having served his term of enlistment as a member of the company has applied to Capt. T. F. Heath for his discharge. His application will be fowarded to Col. Nalle, of Culpeper county. Private Harry Beasley has been appointed to succeed Mr. Edmonds.

Judge Epes, of Dinwiddie county, to day appointed Mr. John Y. Harris, the present Commonwealth's Attorney of the county, Treasurer to succeed the late Col. Wm. Field. Mr. Arthur Powell has been appointed by Judge Epes Commonwealth's Attorney to succeed Mr. Harris. These two gentlemen will qualify on next Saturday.

RUNAWAY COLLISION.—There was a runaway on East Washington street extended yesterday afternoon, which resulted in the serious injury of a street car mule and the partial demolishment of a vehicle. The horse, which was hitched to a cart filled with barrels, became frightened at a train on the Suffolk and Carolina road and ran rapidly till near Rawles' store, where it collided with the street car. The barrels were thrown in various directions and the shaft of the cart struck the car mule in the side cutting an ugly wound.

SERIOUS BICYCLE ACCIDENT.—Mr. Robert J. Norfleet, a member of the hardware firm, Norfleet & Bro., was last afternoon the victiom of a painful and perhaps serious bicycle accident, near Driver's station, on the Norfolk and Carolina road. He, with a party of friends, was speeding along to Portsmouth when a sudden lurch of the wheel caused it to strike one of the cross ties. The wheel was stopped at once and the rider's momentum carried him about ten feet, where he was thrown heavily on the steel rail, the hip striking first. He was immediately picked up and sent to Suffolk on the train which was about due. The extent of the injuries is not known as yet. He is fearfully bruised and cannot walk. Dr. L. A. Stith is in attendance.

The graves were generally decorated and the graves of the veterans each had a shield with his name, company and regiment placed at its head. There was a good attendance of citizens, but owing to an unfortunate split in the camp no attempt at display was made. The other faction will have their exercises to day, when Rev. Robert Gatewood will deliver the oration and the following military organizations will participate: Norfolk Light Artillery Blues, City Guard and Lee Rifles, of Norfolk; Old Dominion Guard and Portsmouth Rifles, of Portsmouth.

TARBORO, N. C.

The Board of Trade of this place met Monday night for the purpose of considering matters relative to the development of industrial enterprises in this community. The meeting was largely attended and very harmonious.

The acreage in tobacco has been increased in this county and the prospect for the establishment of a good market here is very flattering.

A special term of the Superior Court is being held here now, with Judge Meiver presiding. It is only for the trial of civil cases.

With increased banking facilities by the recent establishment of the Bank of Tarboro and the opening of the tobacco market this fall, there is no reason why business should not increase in a very marked degree.

Miss Fanny, of Richmond, is visiting Mrs. P. B. Cox.

Mr. Paul Jones, one of our young attorneys, is visiting relatives in Franklin county.

A Most Magnificent Heirloom

Is health. No gem in tiara or coronet is so precious. Per contra, a constantly tendency to disease, often proves a fatal legacy, since the most trifling causes may fertilize the latent germs of ill health and render the heritage deadly. An inherent transmitted weakness of the physical constitution is more successfully opposed and counteracted by Hostetter's Stomach Bitters than by any other safeguard. Digestion and assimilation promoted, the biliary secretion, action of the kidneys and bowels insured and so many germs of permanent health and there are the consequences, among others, of like importance of a resort to the bitters. This medicine also prevents and remedies malarious complaints, nervousness, chronic insomnia, the rheumatism and neuralgia. Such warnings as loss of appetite and sleep, too, should not be disregarded. The Bitters will restore both without fail.

Blotches And Pimples

indicate inactivity of the skin. They show that the pores are clogged and that poisonous refuse matter has been denied an egress. The accumulation of this matter under the skin shows in red lumps, blotches and possibly in pimples.

softens the impeding matter, penetrates the pores and draws the poison out. All the time it is soothing the inflammation caused by the congested state, and finally leaves the skin smooth, clear, active and healthy. It is absolutely the best and most efficacious skin medicine in the world. Its action on the skin is perfectly in accord with science, but its curative effect is almost miraculous in its quickness and thoroughness.

It has cured innumerable stubborn cases of pimples, blotches, ring worm, tetter, eczema, dandruff, itch and salt rheum. It will cure the worst kind of itching piles.
