REST FOR POLICEMEN

An Exceedingly Dull Day in Police Justice Burroughs' Court.

A LARGE NUMBER OF DEEDS RECORDED.

They Are of Many Kinds and Cover Many Subjects. A Heavy Suit Against a Prominent Firm—Only One Marriage License Issued—A Record of Court Happenings.

Another very light docket greeted Justice Burroughs as he took his seat on the bench yesterday. It is said that there has not been a less number of offenders before the Police Court for many years than during the last three days of Justice's Burrough's term. This would indicate a good state of affairs. It may, however, prove to be only a temporary rest among the law breakers.

HELD AS A WITNESS.

The Commonwealth's Attorney of Princess Anne county has been actively engaged since the murder of Geo. Hale, near Virginia Beach, in August last, looking up evidence in the case, and yesterday a colored boy, named William Wesley Jordan, was brought before Justice Burroughs and recognized in the sum of $100 to appear before the grand jury of Princess Anne county. His father, W. H. Jordan, entering as his surety.

Jordan is the boy who was arrested a few days ago under a warrant charging him with being a principal in the murder. By consent of counsel the warrant against him was allowed to stand on condition that the boy would not be required to incriminate himself before the grand jury.

RICHARDSON AND THE DOG.

That a man will fight for his dog next after his family, has been demonstrated on more than one occasion, and yesterday in the Police Court the evidence showed that Mr. W. T. White, of No. 37 Brewer street, came very near reaching the fighting point. Last Wednesday evening, when Officer Richardson called there to investigate a compaint made at headquarters that White's dog was a nuisance to the neighbors. White was very abusive to the officer, using profane language and otherwise creating a breach of the peace, for which His Honor yesterday fined him $5 and costs, under a warrant sworn out by the officer.

MINUS $140.

Another victim "enticed and deceived" appeared before Justice Burroughs yesterday, a sadder and a wiser man, to prosecute Elmora Slaytor, a shy maiden, who resides at Annie Owen's, on Smith street, for enticing him into her room on Wednesday night and there fleecing him out of the sum of $140.

Elmora appeared in court to answer to the charge, but being still under the effects of "King Alcohol" to such an extent that she could not testify intelligently, His Honor continued the case and locked the woman up to give her a chance to sober up.

The victim's correct name is Emmerson J. Small, a married man from Gates county, N. C.

MINOR OFFENSES.

Hugh Holland, white, drunk; dismissed.

William Rowey, white, drunk, costs, $1.25.

William Griff, white, drunk; $1 and cost.

Clarance McCleary, white, assault; satisfaction acknowledged, costs paid by Mr. Armistead Garland, complainant.

Mary Elizabeth Smith, colored, fighting; $5 and costs.

Franklin Holland, colored, breach of the peace; $2.50 and costs.

W. T. Blunt, colored, breach of the peace; $1 and costs.

Suits Entered.

Farmers' Manufacturing Company vs. B. P. Sale and L. W. Lambert. In assumpsit. Damages, $7,000. Neely, Seldner & Warrington, p. q.

Margaret E. Rose, an infant, under the age of twenty-one years, by John H. Rose, her next friend, vs. Watt, Bettew & Clay. In case. Damages, $5,000.

Barion Myers vs. Lambert's Point Developing Company. In debt; damages, $1,000.

Deed of Lease.

H. D. Van Wyck to T. T. Spratley. H. S. Spratley and M. S. Spratley, the store and cellar No. 88 Main street, under the Academy of Music, from January, 1898, to January, 1902.

Deed of Bargain and Sale.

E. B. Barclay and J. E. Barclay to Edward Sawyer, lot of land with buildings and improvements in Brambleton Ward on west side of Gibbs avenue, consideration, $1,200.

Deed of Trust.

W. H. Hill and Caroline W., his wife, to Tazewell Taylor, trustee, lot of land situated in the West End, on Hamilton avenue, in trust, to secure certain obligations.

Marriage Licenses.

Richard A. Smith, white, to Kate P. Pannill.

A Slight Fire.

A stable in Martin's lane, a narrow thoroughfare running along side of the Academy of Music, was discovered on fire about 6.30 o'clock last evening. Before much damage was done, however, the employes set to work and extinguished the flames without sending in an alarm.

Populists' National Convention.

Topeka, Kan., October 3.—The leading Populists of Kansas have started an agitation for an early National Convention, and will urge Atlanta, Ga., as the place, and February 21st as the time, so that the nomination can be made February 22d—Washington's birthday. Senator Peffer, Hon. Jerry Simpson, Chairman Breidenthal and others will urge this date and place on the National Committeemen in the several States. This is done to force the free silver fight early, as they say that both of the old parties are advocating a short campaign in order to sidetrack the financial issue.

BUFFALO BILL'S WILD WEST SHOW.—Of this great show, which will exhibit here to-morrow, the Pittsburg Dispatch says:

"Over 40,000 people witnessed Buffalo Bill's wild West exhibition at the old Exposition grounds yesterday, and at the evening performance probably 10,000 were turned away. This, the show people of the town say, is away above high water mark for the attendance at an amusement attraction in Pittsburg for a single day. The receipts, including the reserved seats and concert, amounted to nearly $20,000 for the day. The inclosure will accommodate 20,000 people and every inch of space was occupied at both performances."

MR. KEENE'S ENGAGEMENT.—This distinguished actor is booked to appear at the Academy of Music on next Wednesday, for one night only, when he will be seen as Richard the Third, one of his greatest impersonations. In it he will repeat the success which has prominently marked his triumphant career. It is unnecessary to comment on Mr. Keene's prominence as a stage celebrity. He is one of the best classic stars on the American stage, and brings with him a company of twenty-three persons, many of established reputations, and a perfection of stage details which has made his productions famous.

ALVIN JOSLIN.—Charles L. Davis, with his own company, presented "Alvin Joslin" at the Academy of Music last evening before a delighted audience. This is the eighteenth year of this play before the American public, yet "Uncle Alvin" is still full of interest. Mr. Davis is the same old "Alvin" and will be so to the end, and always be welcome.

AT OCEAN VIEW.—This week ends the performances at the View and last night one would imagine it has just begun, judging by the excellent performance that was given. With De Leon, the electrical wonder, Zwicker Sisters, the juvenile song and dance artists, Little Mac, the contortionist, Baker, the celebrated comedian, and Griffin & Fredo, the musical wonders, it is an excellent performance.

BRAMBLETON.

Mr. O. D. Jackson, whose family recently came from Columbus, O., to Norfolk, to reside, was expected home last night at their residence, on Lovitt avenue. Mr. Jackson is extensively engaged as land agent.

Mrs. N. Moore, of Willoughby avenue, who has been spending some weeks at Creeds, N. C., is at home again.

An oyster supper, under the auspices of the Jackson Light Infantry, will be given at Brambleton Hall on the 10th instant.

Rev. Father McKeefry preached the funeral of Marguerite, infant of Mr. James W. and Mrs. Mary E. Long at their residence, No. 205 Park street, yesterday at 3 p. m. Interment was in the Catholic Cemetery.

"The Mosquito" is the title of a humorous lecture, Mr. Carter's great production to come off in the lecture-room of McKenzie on the night of the 16th instant.

Street sprinklers would do great service when it is so dry and improved streets would allow no mud in wet weather, but far-seeing citizens say the greatest need of Brambleton is some system of sewerage to preserve the health of the people.

Professor Rugby will play and sing, and Dr. Chiles speak at the Park-Avenue Baptist church to-night.

Turkish Grand Vizer.

London, October 3.—A dispatch from Constantinople to the Central News says that Kiamil Pacha will replace Said Pasha as Grand Vizier.

TO OPEN THE CANVASS

Senator Daniel Will Perform that important Task at Rocky Mount Next Monday.

WALKER WILL SUCCEED GEN. MAHONE.

The State Librarian Denies That Valuable Public Documents Were Sold at Auction—The Conviction of Young Cardwell—The Old Liberty Bell—The Jefferson Davis Mansion.

Richmond, Va., Oct. 3.—(Special.)—Ex-Congressman Waddill is here to-day, having run down from Washington to attend the funeral of Mrs. J. Alexander Wingfield. The Judge will return to-morrow to stay with General Mahone. He says there is little, if any, hope of the General's recovery, and that he may not live a week. Judge Waddill has long been intimately associated with Mahone, and is very much distressed over his condition.

It is pretty well conceded by all the Republican leaders here that General James A. Walker will succeed to the party leadership. Mr. Yost has little, if any, followers in Richmond. All agree that Walker is the man. It is believed that he is the choice of General Mahone for the chairmanship.

Hon. J. Taylor Ellyson, chairman of the State Democratic Committee, next week will begin a tour of the State. He hopes to be able to visit every district. Mr. Ellyson has been in correspondence with the county and precinct chairmen, but he states that a man can get a better insight into political conditions by meeting the people face to face and talking with them. Upon the whole the reports sent to the Chairman are of an encouraging character. In several counties the Democrats are fighting among themselves but this is not unusual. It happens always when members of the Legislature are to be chosen. One or two of the contests may be referred to the State Executive Committee for settlement. Senator Daniel is going to open the canvass at Rocky Mount, in Franklin county, next Monday, and great preparations are being made to receive him.

Mr. W. W. Scott, the State Librarian, thinks it was political spite that prompted ex-Librarian Charles Poindexter to charge that rare and valuable publications were sold, among those twenty tons of old documents disposed of at public auction last week. Mr. Scott claims that there is not a book in the office of any service that is not duplicated in the Library. It was reported today that Mr. Poindexter would sue out an injunction to prevent the delivery of the books to Mr. J. C. Smith, but the report could not be verified. Mr. Smith denies that he has had an offer for the literature, which consists chiefly of annual reports of Virginia officers and other States reports.

The conviction of Richard W. Cardwell for making false entries in the books of the State Bank and allowing Samuel B. Nelson to overdraw his account, is the last chapter in a very sad case. Cardwell is a young man who stood high as bank book-keeper. He was a leading light in the Broad-Street Methodist Church. He gave up all on aid to reimburse the bank, and his mother surrendered her property. When the grand jury indicted him he was out of the city, but as soon as he heard the news he came home and gave himself up. To-day he pleaded guilty and was given two years in the penitentiary. Cardwell declares, and Nelson bears him out, that he did not get one cent of the money. A pardon will be asked for.

The old Liberty Bell will receive a big reception here to-morrow night. A committee will go up the road to meet it and Company A, of the Blues Battalion will act as a guard of honor while it is here. Governor O'Ferrall and staff will receive the committee of Philadelphians escorting the bell at the Executive Mansion at 7.30 p. m.

Lawyer F. L. Davidson, who is just back from Europe, says it is estimated that 100,000 Americans passed through London from June to September and that they spent $20,000,000 there.

The Jefferson Davis mansion, which is being fitted up for a museum of Confederate relics, is nearly completed and will be turned over to the committee early in November.

A charter was granted today in the Law and Equity Court here to the Lumley Cigarette Machine Company. The capital stock is to be not less than $5,000 nor more than $1,000,000, to be divided into shares of $100 each. The principal office is to be in Richmond and the following officers are named for the first year: Charles E. Wingo, president; W. P. De Saussure, vice-president; W. A. Loving, secretary and treasurer. The directors are: H. H. Campbell, of New York; John Mahony, S. J. Dudley, W. P. De Saussure and Charles E. Wingo.

There will be a meeting of the owners of base-ball franchises here on October 11th, to reorganize the league for next year.

The Old Liberty Bell Enroute.

Philadelphia, Pa., October 3.—The old cracked Liberty Bell, which will be exhibited at the Atlanta Exposition, was this afternoon removed from Independence Hall to the Pennsylvania railroad for the station, where it will remain under guard until to-morrow when the journey will be begun. A parade was given this afternoon when the bell was removed. Mayor Warwick and the different municipal departments reviewing the procession from the city house. The bell will be accompanied southward by Mayor Warwick and a councilmanic committee and Atlanta will be reached on Tuesday, a number of stops being made en route.

A Wife Murderer Hanged.

Jersey City, N. J., Oct. 3.—John Czech, alias "Fish John," was hanged in Hudson county jail this morning for the murder of his wife Mary. The condemned man spent a restless night and refused to eat. He expressed regret for his crime, and said he felt very sorry for his daughter. Czech was attended by Rev. Fathers Smith and Haas several times during the night and to them said he was ready to die.

It is said that the reason why the Valkyrie is to spend the winter on this side of the Sea is that Lord Dunraven is anxious to make another trial for the cup against the Defender after the new challenger has been disposed of.

TO ENFORCE NEUTRALITY LAWS.

The News by Cable Concerning the Trouble Between Cuba and Spain.

Havana, Sept. 2, via Tampa, Fla., October 3.—Cable advices from Madrid state that the British Government has issued imperative orders to captains on armed war in the West Indies to be constantly on the alert and to rigidly enforce the neutrality laws.

The Minister of War in Madrid has issued orders to facilitate the voluntary enrollment of men for the army.

Senor Forget has been appointed civil governor of Matanzas, Cuba.

Col. Henry De Alboyna has been made a general of brigade. Admiral Pereiro, Minister of the Navy, has telegraphed Count De La Mortera, thanking him on behalf of the nation for his gift of a gun boat to the navy of Spain.

Some members of the cabinet have had a meeting in Madrid. The legal advisers of the crown state that time will be devoted solely to prominent questions of administration. The cabinet approved the purchase of preserved meat for the army of Cuba. By order of the council, ammunition for the Mauser rifles will be made in Havana at the military repair shop.

During the second half of November, in the dry season, the embarkation will commence of 25,000 men. Their duty on arrival will consist of protecting sugar estates and other valuable property and in preventing incendiarism.

The Premier Senor Canovas Del Castillo states that the Government of Spain will protect the riches of Cuba with men and ships.

Col. Canella today telegraphed from Jaruco that on the 25th instant he had an engagement with the enemy. His force consisted of 190 men of the Simancas regiment and twenty troopers of the civil guard. He surprised the rebel encampment of Gil, and Perpon Perez, in the hills of Boyamesa. There was a sharp engagement for fifty minutes, when the enemy retreated, leaving five dead and abandoning horses, ammunition and supplies.

The daily press teems with notices of more skirmishes.

AN ULTIMATUM TO ENGLAND.

Uncle Sam Threatens Her With an Enforcement of the Monroe Doctrine.

London, Oct. 3.—The Westminster Gazette, in an article under the caption "Turn About is Fair Play," says: "The other day Lord Salisbury sent an ultimatum to China, and now, according to dispatches received from Washington, Ambassador Bayard has been instructed to notify Great Britain that unless the Venezuelan question is submitted to arbitration within ninety days, the United States Government will enforce the Monroe doctrine. It is to be hoped that if the settlement of the question can be hurried up Lord Salisbury will do it, but surely President Cleveland cannot wish to rush us out of our just claims."

The St. James Gazette says: "Isn't it awful, but it might be still more awful if we only knew exactly what the blessed Monroe doctrine was, or what on earth the United States Government has got to do with a quarrel between Great Britain and another independent State."

In order to avoid confusion concerning the Ohio campaign it should be remembered that there are two "Coxie Old Boys" in the fight.
