PROSPECTUS.

DAYTON

Weekly Empire.

In the coming great Presidential contest, Ohio will be selected as the battle ground of the campaign. Our opponents are already marshaling their forces and are limbering for the struggle, and it behooves the Democracy—all who love the Union and revere the Constitution—all who hate sectionalism and despise the traitorous teachings of the Sewards and Chases of the Greeleys and Garrisons—to post themselves fully on all questions which may arise during the campaign. The best way to do this is to subscribe for a good Democratic newspaper. Such an one we shall endeavor to make the MAMMOTH DAYTON WEEKLY EMPIRE. We have entered for the fight, and shall do all within our power to aid in securing a triumph for the good old Democratic party, not only in the county of Montgomery, but also in our whole State. We can conquer if every Democrat and friend of the Union will but do his duty, and aid in securing a perfect, thorough and united organization of our friends. Will you do it?

Aside from the political features of the WEEKLY EMPIRE, it will contain a careful selection of Literary and Miscellaneous reading, adapted for the Home Circle, the Workshop and the Farm. It will also contain the

LATEST NEWS BY MAIL & TELEGRAPH

And the Cincinnati and New York CATTLE and PRODUCE MARKETS, up to 5 o'clock Friday evening of each week.

The Empire is printed on a

Double Sheet,

Containing

Forty-Eight Columns,

And is

Largest Weekly Paper in Ohio

And printed on CLEAR NEW TYPE, manufactured expressly for it, at the celebrated Foundry of L. JOHNSON & CO., Philadelphia. The EMPIRE is worked off and mailed Friday morning—thus enabling it to reach most of Post offices in this section of the State, Saturday afternoon, the day of publication.

PRIVATE DISEASES.

CURED in three days of the Concomitants Lock Gleet, at No. 76 West Third street, between Walnut and Vine, up stairs, by DR. STEVENS. Consultation free.

Dr. Stevens, from the hospitals of London, Paris and Baltimore, is the discoverer of the only certain and reliable remedies for diseases of a private character. By his special experience in this, much neglected branch of medical science, he is enabled to guarantee a cure in the most complicated cases.

Gonorrhea cured in three days without change of diet. Syphilis in primary stages cured in five days, without mercury. Gleet of long standing cured in ten days. Nocturnal Emissions speedily checked by new treatment. Seminal weakness or Impotency of long standing cured in three weeks. Diseases of the throat, nose, and skin speedily cured. Any form or character of disease cured without mercury.

Young Men, suffering from seminal weakness, self-abuse, premature pains in the head, back and limbs, nervous cough, general bodily lassitude, morbid despondency and aversion to society, unable to concentrate the memory and unfitted for Active Exercise, Dyspepsia or Consumption or Liver Complaint, and through the ignorance and empiricism of others, or a false delicacy of their own, drag out a miserable existence by infractions of the most imperative, yet simple laws of their being.

MARRIED MEN,

Or those contemplating marriage, who are suffering under any of these fearful maladies, should not forget the sacred responsibility resting upon them, nor delay to obtain immediate relief.

Diseases peculiar to Females treated.

A CURE GUARANTIED IN ALL CASES.

Persons at a distance failing to get a permanent cure effected elsewhere, may receive prompt treatment by writing a full description of their case, addressed to Dr. Stevens, Lock Box 626, Cincinnati, Ohio.

Office hours from 8 a. m. to 9 p. m. apl6

PURIFY THE BLOOD.

MOFFAT'S Vegetable Life Pills and Phœnix Bitters. The high and envied celebrity which these preeminent Medicines have acquired for their invaluable efficacy in all the Diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them.

In all cases of Asthma, Acute and Chronic Rheumatism, Affections of the Bladder and Kidneys, Bilious Fevers and Liver Complaints in the South and West, where these diseases prevail, they will be found invaluable. Planters, farmers and others, who once use these Medicines, will never afterwards be without them.

Bilious Colic, Serious Looseness, Piles, Costiveness, Colds and Coughs, Chole, Corrupt Humors, and Dropsies.

Dyspepsia—No person with this distressing disease, should delay using these Medicines immediately. Eruptions of the Skin, Erysipelas, and Flatulency, Fever and Ague—for this scourge of the Western country, these Medicines will be found a speedy and certain remedy. The Bitters taken before leaving the country, on their return of the disease, a cure is these medicines is permanent. Try them. Be satisfied and be cured.

Fondness of Complexion, General Debility, Gout, Goldness, Gravel, Headaches, of every kind, Inward Fever, Inflammatory Rheumatism, Impure Blood, Jaundice and Loss of Appetite.

Mercurial Diseases—Never fails to eradicate entirely all the effects of Mercury, infinitely sooner than the most powerful preparation of Sarsaparilla. Night Sweats, Nervous debility, Nervous Complaints of all kinds, and organic affections.

Piles—The original proprietor of these Medicines was cured of Piles of 35 years standing by the use of these Life Medicines alone.

Pains in the head, side, back, limbs, joints and organs. Rheumatism—Those affected with this terrible disease, will be sure of relief by the Life Medicines.

Rush of blood to the head, scurvy, salt rheum, scrofulous, scrofula, or king's evil in its worst forms. Ulcers of every description. Worms of all kinds are effectually expelled by these Medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain. The Life Pills and Phœnix Bitters purify the blood, and thus remove all disease from the system. WE offer the Wheeler and Wilson Sewing machines with important improvements, at a reduction of $25 on former prices, and to meet the demand for a GOOD, low priced Family machine, have introduced a NEW STYLE, working upon the same principle, and making the same stitch though not so highly finished at

The elegance, speed, noiselessness and simplicity of the machine, the beauty and strength of stitch, being ALIKE ON BOTH SIDES, impossible to ravel, and having no chame or ridge on the under side, the economy of thread, and adaptability to the thickest or thinnest fabrics, has rendered this the most successful and popular Sewing machine now made.

At our various offices, we sell at New York prices, and give instructions free of charge, to enable purchasers to sew ordinary seams, hem, fell, quilt, gather, bind and neck, all on the same machine, and warrant it for three years.

☞"A STITCH IN TIME SAVES NINE." ☜

A merchant will happily obtain well-regulated families, it is very desirable to have some cheap and convenient way for repairing Furniture, Toys, Crockery, &c.

SPALDING'S PREPARED GLUE

meets all such emergencies, and no household can afford to be without it. It is always ready and up to the sticking point. There is no longer a necessity for limping chairs, splintered veneers, headless dolls, and broken cradles. Use just the article for cane, shell, and other ornamental work, so popular with ladies of refinement and taste.

This admirable preparation is used cold, being chemically held in solution, and possessing all the valuable qualities of the best cabinet-makers' glue. It may be used in place of ordinary mucilage, being vastly more adhesive.
