Linimentum.

WORTHY of the NINETEENTH CENTURY.
DR. E. CONWAY'S
LINIMENTUM
For the speedy and effectual cure of
RHEUMATISM
In presenting the "Linimentum" to the public as one of the best and most curative medicines of the day, I do not wish to be understood as claiming for it the power of performing miracles, but I do claim that for all the purposes of a PAIN LINIMENT, it has no equal. The "Linimentum has
Never been Known to Fail
In any case of rheumatism, no matter of how long standing, where the directions were carefully followed, nor, in fact, in the case of any disease for which it is recommended.
In cases of sore throat, pains in the back, side and chest, crampings in the stomach, spasms, spinal complaints and weakness, chronic sores, burns, scalds, frosted feet and hands, toothache, headache, &c., it is invaluable.
The "Linimentum" is the result of many years persevering experiments, and combines among its rare properties the great and distinct virtues of
AN EXTRAORDINARY PENETRATIVE POWER,
Which no other Liniment possesses, and which is the secret of the unparalleled success which follows the "Linimentum" wherever it is used.
TRY IT ONCE, AND YOU WILL NEVER BE WITHOUT IT.
It is put up in 25 cent, 50 cent, and $1 bottles, with full directions for use, and manufactured only by

Last Night's Dispatches.

Gold.
NEW YORK, May 28.—The following are the closing quotations at Gallaher's evening stock exchange: Gold 139½.

Heavy Robbery.
CINCINNATI, May 29.—Dahme & Co., Jewelers, were robbed yesterday of seven thousand dollars worth of diamonds.

Lee's Army in Retreat.
NEW YORK, May 29.—The Times' Washington special says a Colonel who has just arrived from the front, where he left yesterday (Friday) morning, informs me that during Thursday night and Friday morning Lee evacuated his strong position on the North Anna, and with his whole army is in full retreat toward Richmond. Our troops are following him closely. We took a few prisoners. They state the damage done by Sheridan has been repaired, and that Beauregard's army, or the main body of it, was within the intrenchments of Richmond on Wednesday.

Condition of Our Finances.
WASHINGTON, May 28.—The Secretary of the Treasury has directed the Assistant Treasurers at New York, Philadelphia, and Boston to receive five per cent legal tenders with unclipped coupons at the full amount of their face, and June coupons in payment of ten forties.
The subscription for this popular loan continue to flow in at the rate of a million a day, and if the new international revenue and tariff act were in full operation, the revenue from the sources would, it is thought, pay the entire expenses of the Government.
To provide in the meantime for the pay of the army, and for the expenses of the great military movements now in progress, bonds of 1881—to the amount of 50,000,000 or 75,000,000—will probably be offered through the Assistant Treasury and National Banks, to the highest bidders.

A Reconnoissance on Butler's line.
NEW YORK, May 29.—Times' letter from Bermuda Hundred, May 27th, reports that a reconnoissance of the rebel position was made on the previous day on the line of Blakehouse Creek by General Martindale, with Leven's brigade of his division. The enemy were found in rifle pits and intrenchments, after their skirmishers had been driven back, and our forces withdrew. We had three killed a dozen wounded. Among the latter is Colonel Dutton, of the 21st Connecticut, dangerously.

Another Broken-Headed Senator.
Charles Sumner has a competitor for the Senatorial honor of getting whipped. Senator Chandler, one of the most foul-mouthed and abusive Abolition blowers in the country, insulted D. W. Voorhees at the public table of the National Hotel in Washington the other day by calling him "traitor" and "copperhead," and Voorhees knocked him down. Chandler then pitched into Hanagan, another Indianian, who again floored the inebriated Chandler. Great indignation among the "loyal!"

The Ashland Union thus announces service in one of the churches of that town:
ANNOUNCEMENT—GRATIS—There will be an Abolition lecture at the Presbyterian Church, at the usual hour of public worship, on Sunday next, by the Abolitio politician that succeeded with his pot house slang, in breaking up the Presbyterian Church at Mansfield, some time since. Turn out, all ye *infernals*, and hear him.

Mr. John Brough treated the National Guard of the "loyal" county of Clarke in an outrageous manner. The "Clarke county regiment" left Springfield in a "gay" exuberance of spirits, "amid the huzzas of the populace," and in about a week's time "a life long Democrat" had it divided in three parts, each part being assigned to "this, that and the other" regiment. The Springfield News, half in sorrow, half in anger, says: "We have he (Brough) is done with his fantastic tricks." Is this "loyalty?"

Wanted.

WANTED—Carriage Woodworkmen, Blacksmiths and Painters wanted immediately. The best wages given. Apply to

WANTED—A situation as Footman or a situation by singing, by a young man lately from Canada, has had five years experience in the profession (going to the country). An early engagement is an object. Please address H. M., Box of this paper, stating where an interview may be had.

GAS NOTICE—Persons desirous of the advantage of gas, in order that all materials that enter into the manufacture of it, the Gas Company are compelled to advance the price of it to the rate of 1000 feet from the first day of May, until further notice.
[illegible] D. T. EVANS, Secretary.

ATTACHMENT NOTICE
Perry Weaver, Plaintiff, against Nat. H. Boys, Defendant. Before John Burnett, Justice of the Peace of Jefferson Township, Montgomery County, Ohio.
ON the 25th day of March, 1864, an Justice issued an order of attachment in the above action for the sum of sixteen dollars and ninety five cents. Trial on the 16th day of May, at one o'clock p. m.
PERRY WEAVER.

LEGAL NOTICE
ON the 21st day of March, A. D. 1864, a petition was filed in the office of the Clerk of the Court of Common Pleas of the county of Montgomery and the state of Ohio, by Joseph Pollock, Elizabeth Wolcott, Daniel W. Young, and Augustus Crosby, which petition is now pending in said Court, the object and prayer of which is to create an alley six feet wide, running between lots No. 179 and 170, also between lots No. 182 and 184, in the town of Miamisburg, in said County, running from Main towards the southeast direction, intersecting an alley running north and south, and from there east to Canal street, at the northern of the said Court, unless so to vacate said alley accordingly.

May 19, 1864-dlwawt Attorney for Petitioner.
