THE BELMONT CHRONICLE.

LOCAL INTELLIGENCE.

The Presbytery of St. Clairsville, will meet in the Presbyterian Church in this place, on the 1st Tuesday of January at 11 o'clock, A. M.

A sermon will be preached at the opening by Rev. John Marshall on a Efficient Ministry, and in the evening, a sermon will be preached on an Efficient Eldership by Rev. Samuel Boyd. J. M.

☞To-day (Thursday,) is the last day for paying taxes. Property holders from various parts of the County have been crowding in to pay their *rent*, for the last week or two, for fear their landlord would not allow them to stay another year.

ACCIDENT.—On Wednesday of last week, HENRY WHITACRE, fireman on the locomotive HERO, on the Central Ohio Road, was thrown from his position and run over by the train, which cut him nearly in two. He lived about three hours after the accident. The accident occurred near the water station at Barnesville.

☞E. BUFFINGTON was arraigned before Esquier DAVIS on Friday morning last, upon an information to the effect that he kept a house where intoxicating liquor was sold. He plead guilty and was sentenced to pay a fine of $50 and costs, and to be imprisoned in the county jail 50 days. Opponents of the liquor law cannot say that this case cost the county very much.

☞We invite the attention of our neighbor of the Gaz & Citizen to the story commenced on the first page of to-day's paper. Let him read it and then quit asking to borrow his neighbors' babies.

HOLIDAY PRESENTS:—A. C. Martin has just received a new stock of books suitable for presents the coming Holidays His stock is suited to the old and the young, the grave and the gay, and cannot fail to please all. Give him a call, do not let the old year pass out without making some *particular* friend a present of a nice book.

To the American Party of Bel. Co.

The President of the State Council of Ohio has issued a proclamation ordering a special meeting of the State Council on Thursday the 3d day of January next, stating that delegates whose credentials were filed and accepted at the annual meeting in Cleveland will be entitled to seats in the said Council, and also all other working Councils will each be entitled to one delegate.

Therefore the subordinate Councils of the County are requested to convene at their usual place of meeting and each to appoint a delegate to said Council.

The President of the National Council has likewise issued a proclamation calling upon the subordinate Councils of each Congressional district in the respective States to elect a delegate to the National Convention to be held at Philadelphia on the 18th, & 22d, of Febuary next for the purpose of nominating American candidates for the offices of President and Vice President of the United States,

Therefore I do hereby respectfully solicit the Presidents of each subordinate council of the county to meet in St. Clairsville on Saturday the 12th day of January 1856 to made arrangements relative to the election of the delegate to the said National Convention and other important business to be considered.

Given under my hand at St. Clairsville this 19th, day of December 1855.

OLIVER J. SWANEY,
Pres. of Bel. Co. Organization.
Attest—M. L. HATCHER, Sec.

☞The London Quarterly Review for October is received. The following is the table of contents: Peter Daniel Huet; School Sermons; The Newcomes; The Coldwell papers; The Charities and the poor of London; Latin Dictionaries; Arago and Brougham on men of Science; Pitt & Fox.

It may be of interest to literary readers to state a few facts in reference to this & the other foreign publications which Messrs. Scott & Co. re-publish. The *London Quarterly*, so long edited by Lockhart, is now edited by Rev. Whitwell Elwyn The Edinburg Review is edited by Mr. Reeve. The North British Review is edited by Prof. Fraser. The Westminster Review is edited by John Chapman, the American bookseller, and Blackwoods Magazine is conducted by Prof. Aytoun, Son-in-law of Prof. Wilson. The ablest writers of the British isles contribute to their pages, and as a reflex of English talent they are unexcelled. From time to time such writers as Sydney Smith, Jeffrey, Brougham, Mackintosh, Napier, Macauly, Southey, Scott, Lockhart, Wordsworth, Lord Mahon, Chalmers, Brewster and Bulwer have been regular contributors to their pages. Many of these men are dead, their hands are nerveless, but able pens are still wielded in Britain, and they are wielded for these Reviews.

Supreme Court.

We find the following in the Journal of Thursday: Many of our readers will feel an interest in the case and we publish it.

Jacob Aultfather v. *The State of Ohio.*—Error to the Probate Court of Belmont county.

THURMAN, C. J., delivered the opinion of the Court. *Held*—

1. An information upon the 4th section of the act to provide against the evils resulting from the sale of intoxicating liquors is defective if it does not show that the place where that liquor was sold was a place of public resort. This fact is sufficiently shown, if the place is described as either a tavern, eating house, bazaar, restaurant, grocery, or coffee house, because each of these names is used in the act, and each of them does, *ex vi termini*, import a place of public resort. But it is otherwise if the place is merely called a "room," for although that word is also used in the act, it does not, *ex vi termini*, describe a place of public resort, and that it is so must be averred.

2. An information upon the second section of the act is insufficient if it does not aver that the seller knew the buyer was a minor.

3. A complaint before a Justice of the Peace for a violation of the fourth section *only*, does not authorize an information in the Probate Court upon any other section. *Judgment reversed.*

☞*Holloway's Ointment and Pills* have effected another Wonderful Cure of Sore Legs.—Anthony Harrison Scard, of Martinsburg, Virginia, was a sufferer for twenty-eight years from sore legs, so bad at times, that human nature could scarcely bear it, as they were covered with wounds and proud flesh. His friends had given up all hopes of his ever regaining the use of his limbs, as he was in so pitiable a state, the more especially as the doctor told him it was constitutional. Having heard from several people the good effects Holloway's Pills had produced in cases of this nature, he made up his mind to give them a trial; after using them for a few weeks, he felt much better, and by continuing them for two months and a half, he was pefectly cured, after being 28 years a cripple, and considered beyond human aid.

☞The *Ohio State Journal* says Judge KENNON will probably be the next Democratic nominee for President. We cannot think the Democracy will take up so good a man, at least it has not been their custom.

☞GEO. W. HOGUE, Esq., has been appointed School Examiner to fill the vacancy caused by the resignation of Rev. Alex. Young. A good appointment.

☞The Steamer Union carried out $125,000 in specie on the 15th.

THE BRITISH PERIODICALS.

PREMIUMS TO NEW SUBSCRIBERS!!

L. SCOTT & CO., NEW YORK, continue to publish the following leading British Periodicals, viz:

1. THE LONDON QUARTERLY (Conservative).
2. THE BRITISH REVIEW (Whig).
3. THE NORTH BRITISH REVIEW (Free Church).
4. THE WESTMINISTER REVIEW (Liberal)
5. BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The great and important events—Religious, Political and Military—now agitating the nations of the Old World, give to these Publications an interest and value they never before possessed. They occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the newspaper, and the ponderous Tome of the historian, written long after the living facts he records shall have passed away. The progress of the War in the East occupies a large space in their pages. Every movement is closely Watched, whether of friend or of foe, and all short-comings fearlessly pointed out. The letters from the CRIMEA and from the BALTIC in Blackwood's Magazine, from two of its most popular contributors, give a more intelligible and reliable account of the movements of the great belligerents than can elsewhere be found.

The Periodicals ably represent the three great political parties of Great Britain—Whig, Tory, and Radical—but politics forms only one feature of their character. As Organs of the most profound writers on Science, Literature, Morality, and Religion, they stand, as they ever have stood, unrivalled in the world of letters, being considered indispensable to the scholar and the professional man, while to the intelligent reader of every class they furnish a more correct and satisfactory record of the current literature of the day, throughout the world, than can be possibly obtained from any other source.

HOLLOWAY'S PILLS.

WHY ARE WE SICK!

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK the NERVOUS, the DELICATE, and the INFIRM, of all climes, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines in the United States, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA & LIVER COMPLAINTS.

Nearly half the human race have taken these Pills—It has been proved in all parts of the world, that nothing has been found equal to them in the cure of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to those organs, however much deranged, and when all other means have failed

GENERAL DEBILITY. ILL HEALTH.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties fail to afford relief.

FEMALE COMPLAINTS.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no family should be without it.

HELMBOLD'S GENUINE PREPARATIONS.

Helmbold's Highly Concentrated Compound Extract Fluid Buchu,

For Diseases of the Bladder and Kidneys, Obstructions of the Urine, Chronic Gonorrhœa, Strictures, Gleets, Weaknesses, and all Diseases of the Sexual Organs,

Whether in Male or Female,

from whatever cause they may have originated and no matter of how long standing.

If you have contracted the terrible disease which, when once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods too well calculated to deceive the young and those not acquainted with their tricks.—You cannot be too careful in the selection of a remedy in these cases.

THE FLUID EXTRACT BUCHU has been pronounced by eminent physicians the GREATEST REMEDY EVER KNOWN. It is a medicine perfectly pleasant in its taste and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virtue of this dreadful disease; and, unlike other remedies, it does not dry up the disease in blood.

Constitutional Debility,

brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the bright hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this Infallible Remedy. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found, acting both as a Cure and Preventive.

Helmbold's Highly Concentrated Compound Fluid Extract SARSAPARILLA,

For Purifying the Blood, removing all diseases, arising from Excess of Mercury, exposure and imprudence in life, chronic constitutional disease, arising from an impure state of the Blood, and the only reliable & effectual known remedy for the Cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Tetter, Pimples on the Face, and all Scaly Eruptions of the Skin.

This article is now prescribed by some of the most distinguished Physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous diseases have entirely recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the giants were destroyed and the bones already affected.

NOTICE.—Letters from responsible Physicians and Professors of several Medical Colleges, and certificates of cures from patients will be found accompanying both Preparations.

Prices, Fluid Extract of Buchu, $1 per bottle, or 6 bottles for $5.

Prices, Fluid Extract of Sarsaparilla, $1 per bottle, or 6 bottles for $5, equal in strength to one gallon Sytup of Sarsaparilla.
