BELMONT CHRONICLE.

ST. CLAIRSVILLE, OHIO.

THURSDAY. OCT. 5, 1876.

GOLD $1 10½.

SHUT the door!

PLENTY of silver now.

HOUSEKEEPERS are busy messing up catsup.

ONE day dusty—next day muddy.

CADIZ FAIR in full blast—cold.

HOGS are selling at 5½ cts. gross.

BUYERS are scraping the wool pot at 40 cts.

LOOK out for the show.

REV. BEAZELLE has returned from the two C's and resumed his pastoral duties.

IF you want early spring lettuce, sow it now in a protected place.

NATURE is dotting her pet maples all over with scarlet flowers.

THE Cadiz Fair closes on Friday—of course that will be a "big" day.

IF the coal crop is ripe we'll take a little on subscription. What do you say?

THE *Democrat* says, 1876 was Wm. Okey's age at last accounts.

THE newest hats for ladies have sugar-loaf crowns and narrow brims which are bent close to the head. They are known as "Stanley's"

ALF. MITCHELL, Adm'r of Thos. Swaney, Jr., dec'd, sold his goods and chattels at public sale, on Tuesday. Things sold at very low figures.

THE Belmont County Agricultural Society only pays fifty cents on the dollar on its awarded premiums. Funds too short.

OUR tobacco crop is being housed by the growers. The damp weather has not insured good colors.

SOME fine specimens of apples of the Northern Spy variety have been left with us by Eli Piggott.

ANY one who has a powerful telescope could have seen the planet Vulcan, on Tuesday, passing over the face of the sun.

"HELL GATE" is a corruption of the German word "Horl Gatt," which means "whirlpool passage" or "whirlpool strait."

THE LaBelle Glass Company of Bridgeport carried off a medal at the Centennial for moulded glass table ware.

THE mints are now running to their full capacity to supply the demands for subsidiary silver coin. There is an active demand for silver for export to China.

THE potato crop in this region will not be up to the average. They are bringing $1 00 per bushel here and $1 10 in the Wheeling market.

A NUMBER of people went from this locality to the Barnesville Fair last week. They report a good display, but not as large attendance as usual.

IF you can't so arrange your affairs to visit the great Centennial, you can visit Adam Forepaugh's show here on Friday next as a substitute.

WE stand at all times ready to record accidents since the boys and guns began to scour the hills. Scarcely a fall passes by without some boy being blown up. Better go slow.

LAST week a passenger train on the C. & P. road between Bridgeport and Martin's Ferry ran into a herd of cows, injuring four of them so that it was necessary to kill them.

SINCE Hell Gate is blown out, what kind of naturalization papers can we expect to find presented between this and the election. Principally Democratic, we suppose, in politics.

REPUBLICAN tickets for this county are printed and are being distributed to the proper authorities. Committeemen who do not receive them by the latter part of this week should not fail to send for them in time. See that a ticket is in the hands of every Republican and doubtful man.

WE print in full on the outside of this paper the resolutions of the Ohio Legislature in 1863, and Otto Dresel's treasonable resolutions. Now, that a "Solid South" demands the control of the government, these resolutions and their supporters should have a little serious consideration by Republicans.

ON Wednesday of last week an accident occurred at Capt. Aushutz's Coal Works, at the mouth of Pipe Creek, by which a workman named Conrad McCabe lost his life. He was working about a flat boat and had his head caught between the side under which he was running the boat and a check post, and was crushed to death in an instant. A wife and five children are left to mourn his loss.

—Cloaks, a splendid line of cloaks in the newest designs at F. TROLL & SON all of which we are prepared to offer at prices as low as the lowest. 2t.

Richland and Smith Tp. Voters

Will remember that the voting precinct at Glencoe, as established by the County Commissioners, is composed of Sections 22, 23 24, 28, 29, 30, 34, 35, 36, and the south-half of Sections 19, 25 and 31 of Richland Township, and Sections 3, 4, 5, 6, 11, 12 and the east-half of Section 10 of Smith Township. Be careful and go to the proper precinct.

ERASMUS WILSON, formerly of this county, and at one time a valued "itemizer" for this paper, more recently connected prominently with the press of Pittsburgh, has just returned from an extended Southern tour. We learn that he expects to settle permanently in Texas. "Ras" is much of a gentleman and will be a valuable accession to any community.

STRAWS.—One of our friends who is on a centennial tour, sends us the results of three ballots, which was taken on three separate days on different trains. They are as follows:

September 20—Hayes 104, Tilden 75, Doubtful 2.

September 21—Hayes 105, Tilden 42, Cooper 3.

September 22—Hayes 135, Tilden 56, Cooper 4.

Train from New York to Philadelphia, Hayes 136, Tilden 56.

CENTENNIAL PREMIUMS.—The following awards have been made by the Centennial Commission to people in this country:

LaBelle Glass Company, Bridgeport, Ohio, glass and table wares moulded; W. Jamison, Cadiz, Ohio, merino wool; Walter Craig, Ohio, wool; J. B. Jamison, Cadiz, Ohio, wool; J. H. Holmes, Short Creek, Ohio, merino wool; H. Boyles, Cadiz, Ohio, merino wool; S. L. Campbell, Cadiz, Ohio, wool; Andrew Jamison, Short Creek, Ohio, wool; Isaac Thomas, Short Creek, Ohio, wool; W. O. Harrah, Cadiz, Ohio, merino wool, Albert Quigley, Cadiz, Ohio, merino wool.

Several thousand awards have yet to be made.

—Popular Goods. We have just opened a large line of fine colored and black Cashmeres, every piece is regular throughout and in weight and finish superior to all other makes on which the prices are as satisfactory as the goods are desirable. F. TROLL & SON. 2t.

FOREPAUGH'S show on Friday.

DR. A. J. HOGUE, of Morristown, is among the Centennial visitors from this county.

COL. C. L. POORMAN is to speak for the Republicans at Cadiz to-night.

JACKSON FROST is becoming a frequent visitor to this neighborhood.

EVERY MAN who is in favor of putting the Southern Confederacy on top of the Union will vote for Wm. Bell.

REV. DR. HUNTER, formerly Editor of the *Christian Advocate*, has been appointed to the pastorate of the M. E. Church, Cadiz.

WE hope our friends in each township will make arrangements to bring in the returns early. The entire State is looking anxiously to the vote of Belmont.

EVERY Republican voter should be at home on the 10th of October—the day of the State and Congressional elections, and should vote a straight, clean Republican ticket.

REV. F. S. DEHASS, Consul to Jerusalem, the first pastor of the North Street M. E. Church, Wheeling, preached at its re-opening on Sunday.

THOS. HAVELIN, of Barnesville, who is working at the Portable Saw-mill of the Bundy Bros., on Wm. Hoge's place, east of town, was caught last Friday evening in the mill-gearing, and had his right leg broken.

DR. I. G. COPE, of Colerain, who is visiting the Big Show sends us the result of a vote taken on the East-bound train between Pittsburgh and Philadelphia on the evening of the 26th ult—Hayes 92, Tilden 51. Ladies' vote—Hayes 78, Tilden 18.

A DEMOCRATIC "Reformer" ran up behind a member of the Bridgeport Hayes Club the other night in Steubenville and stabbed him. Reform is necessary.

THE "Reformers" hurrahed for 'Jeff Davis, in the Democratic procession, in Wheeling, last week.

Remember,

It is your vote next Tuesday that tells.

"THE BOYS IN BLUE WILL SEE IT THROUGH," is the title of a new Campaign Song from the pen of Danks, the Song Writer of America. The words and music together make one of those ringing rousing songs that creates immense enthusiasm. "HAYES GRAND MARCH," by R. Goerdler, is a spirited composition, and we are assured that our republican lady friends will want copies of both compositions. They will be sent by mail for 35 cents each, by S. T. Gordon & Son, New York, or can be had of any music seller.

MINISTERIAL APPOINTMENTS.—The East Ohio Methodist Conference has closed its session at Steubenville and filled the pulpits of the various churches in our neighborhood as follows:

A VOTE

Against BARNES is a vote for the "Solid South," and all it implies.

THE Show which is to visit St. Clairsville on Friday, is of colossal dimensions, and it will be a long time before another so deserving of public patronage will come among us. The Philadelphia, Pittsburgh and Cleveland papers have extolled this exhibition as the largest and best that was ever organized, on the continent. The menagerie is spoken of as beyond all question larger than any three ever exhibited, and contains many rare specimens that no other show ever possessed. The only horse-antelope ever captured, the towering giraffe, the ponderous double horned black rhinoceros, the huge and fierce sea-lions, the large herd of nine elephants and dromedaries, the drove of sacred cattle, the wonderful five performing elephants, the $50,000 hippopotamus, the forty-eight full cages of extraordinary wild beasts make up an exhibition that is really startling in its dimensions. Everybody ought to come and see it.

—Boots & Shoes, at F. TROLL & SON, from the most popular manufacturers in America & respectfully solicit an examination of their stock. 2t.

J. Wilkes Booth Hambleton. Robert E. Lee Davis.

THE Democratic demonstration at Martin's Ferry, on Tuesday night, was a first-class fizzle. For more than a week the unterrified of that locality had been puffing and blowing, to raise a monster crowd, that would eclipse in point of numbers all previous political gatherings; the results of their drumming and search was not gratifying to them when it was found that with all their exertion, not over 500 torch-bearers—one-third of them boys—and about 100 horsemen could be found in Wheeling, Bellaire, Steubenville, Mt. Pleasant, and all the region round about, to cheer the hearts of the few scattering Democrats in Martin's Ferry. The large guns did not put in an appearance, and the bedrabbled and wet (not dry) gang, was regaled by the smooth-bore, Ross Alexander, and the U-be-joyful, Geo. O. Davenport, of Wheeling. The Republicans of Martin's Ferry extend a cordial invitation to the Democratic friends to come often, provided they improve just a little, and keep duly sober.

Beware of Democrats

Offering to trade votes. All sorts of tricks will be devised to impair the effect of a Republican victory in October. Vote then just as you mean in November. The safe way is to stand squarely by your own ticket, throughout. It is a good one all over, and cannot be improved by the substitution of any Democratic candidate. Remember how much depends on the October battle in Ohio, and vote accordingly.

THE following marriage licenses have been issued by the Probate Court since our last report:

Clinton K. Wright and Mary L. Davis.
Stephen Cummings and Mary N. Lynn.
Geo. R. McConnell and Norma O. Taylor.
John B. McMechen and Rose Frazier.
Wesley Lewis and Eliz. V. Scott.
Wm. A. Roush and Hannah E. Lewis.
Wm. Smylie and Ella M. Sweeney.
August M. Hardenstein and Eliz. Blackburn.
Thos. K. Hyatt and Alice M. Green.

Every Republican Voter

You find away from home, send him back in time to vote for BARNES next Tuesday.

OHIO will make a splendid cap-stone for the Republican pyramid.

OWING to the illness of Mr. Dunbar all of his meetings are withdrawn.

GO TO Bellaire on Monday—there will be the largest demonstration ever held in Belmont county.

MRS. RUTH EATON, of Leavenworth, Kansas, is visiting her sister Mrs. Judge Kennon of this place.

IT is suggested that Bill Bell take the stump as the lightning calculator.

LET every Republican in the county consider himself a special committee to get out a full vote on Tuesday next.

SMITH HIRST and wife returned from the Centennial, on Tuesday, highly pleased with their visit.

DISGUISE the fact as the Democracy may attempt to do—the question of the hour is, shall the men who saved this country or deep-dyed rebels who sought its destruction control or govern it.

LET the Republicans mass in Martin's Ferry, on Thursday night, and Bellaire on Monday night. These will be glorious rallies.

COL. J. M. BUSHFIELD, of Cambridge, addressed the largest meeting that has been held in Barnesville during the campaign, on Saturday evening last, and gave an excellent speech, which resulted in good.

THE Republican Committee received a dispatch from Hon. J. Dunbar, on Wednesday, stating that he was ill in Bellaire, whence he had come en route to fill his appointments in this county. This necessitates the withdrawal of his meetings.

DR. HENRY WEST, Rev. J. B. Johnston, and H. C. Welday, are the foremost temperance men of St. Clairsville. Not one of them will support Chambers.

JUDGE CHAMBERS sided with the Whisky Ring, as against Mayor West in his efforts to suppress saloons in St. Clairsville. The saloons were sustained by Judge Chambers.

THERE are surplus apples enough in this county to pay a year's taxes on all the property in the county. In size and flavor they have not been excelled for many years.—[*Woodsfield Spirit.*

N. H. JEPSON, Esq., wife and two children, of Washington, Ind., are visiting his parents in this place. Mr. Jepson lives in "Blue Jeans Williams" district. He appears conversant with political affairs in the State, and feels sanguine that the Republicans will elect their gallant Harrison.

HAYES, WHEELER & BARNES.

Grand Torchlight Parade.

BELLAIRE, Monday Evening, October, 9th, 1876.

Steubenville, Wheeling, Martin's Ferry, Ætnaville, Bridgeport and West Wheeling Clubs to be in line.

A GRAND PAGEANT.

GEN. GEO. H. SHERIDAN, HON. L. DANFORD, and other distinguished Speakers are to be present.

Friends, 'once more unto the breach.

Watch the Polls on election day and challenge every voter unless you know he has a legal right to vote.

Republican Pyramid.

VERMONT,
MAINE,
COLORADO,
CONNECTICUT.

A NORTHERN MAN can vote for the payment of rebel claims just as well by voting for Lawrence, as a Southern man can by voting for Riddle, who introduced the infamous Southern Claims Bill in the last Congress.

INSIST upon your Republican neighbor attending the polls next Tuesday.

BRIDGEPORT.

Capt. Ob. Davis is off on a Northern tour.

Centennial arrivals, at Bridgeport, have greatly fallen off during the past week.

Rev. Thos. McCleary, of the M. E. Church, has gone to his new field of labor, Ashtabula. His successor, Rev. Gledhill, preached his salutatory, on Sabbath, and made a most favorable impression.

Misses May Alexander, Minnie Junkins and Ida Todd are off for Shady Side, Penn., Female College.

Let it be the religious duty of every Republican to be at home on next Tuesday, and work to get out a full Republican vote which means victory.

Wm. Goudy, who was assailed and stabbed, in Steubenville, last Saturday night, by some cowardly Tildenite—who sneaked (still hunt) up behind Bill—and without the least provocation plunged a knife in his breast in the name of Tilden and reform, has arrived at home, and will be well enough to vote for Col. Barnes and the gallant Hayes. Bill speaks in the heartiest terms of the kindness shown him by friends in Steubenville.

A sad accident resulting in the death of T. J. Taylor, brother of Prof. John Taylor of this place, occurred at Rochester, on Friday night last. Mr. Taylor resided with a widowed mother at Rochester, Pa., and was in the act of crossing the railroad track for a bucket of water, when, it is alleged, three men were seen scuffling on the track with an approaching train, whistling vigorously, and about the time it neared the group two of the men jumped from before the engine, which, however, unfortunately, struck Mr. Taylor in the head and side, who soon thereafter died—being unconscious from the first. He had, when he started from his house a considerable sum of money with him, and when found he had none. The presumption is he was robbed—and the scuffle meant that—and that from injuries he received from his assailants he was unable to escape the fatal lick from the engine. A Coroner's Jury was empaneled, which is awaiting the return from Chicago of the engineer, before it renders its judgment. Mr. Taylor was a brave, true soldier during all the war—serving in the 87th Pa. Vols., Col. Hayes. He was buried from the residence of his brother in this place, at the cemetery on the hill, on Monday, at 11 A. M.

It is of the highest importance that every Republican vote in Belmont Co. should be in the ballot box when the Polls close on Tuesday.

The Handwriting on the Wall!

COLORADO SENDS CHEERING NEWS TO THE OHIO BOYS

DENVER, COLORADO, October 3.—The reports from the principal points at 3 P. M., indicate heavy Republican gains everywhere over the election of 1874. The Chairman of the Republican State Committee, claims the State by 2,000 majority, and the Legislature by a majority of 40 on the joint ballot.

The reports received from different points indicate a peaceable election. The vote will be the largest ever cast in Colorado.

THE REPUBLICAN MAJORITIES.

The comparisons will be made with the vote of 1874, when Patterson, Democrat, for Congress, was elected by 2,613 majority.

Araphoe county has elected the entire Republican ticket by a majority of 300. Republican gain 648.

Jefferson county, Republican maj. 75. Republican gain 213.

Gilpan county, Republican maj. 200. Republican gain 256.

Boulder county, Republican majority estimated at 200. Republican gain 234.

Park county, Republican maj. estimated at 75. Republican gain 230.

Bent county, Democratic majority 100. Democratic loss 53.

The Republicans have undoubtedly carried Colorado by a decided majority and elected the entire State ticket, Congressmen, and secured the Legislature by a majority in both branches. This Legislature elects two United States Senators and three Presidential Electors.

A Grand Republican DEMONSTRATION

WILL COME OFF AT

Martin's Ferry,

This (Thursday) eve., Oct. 5th.

Hons. Lorenzo Danford William D. Kelly,

and Perhaps the matchless BOB. INGERSOLL may be present.

Come on horseback,
Come on footback,
Come in wagons,
Come any way,
Come any how,
Come everybody.

Turn out, Republicans, from the country, and witness one of the grandest pageants of the season.

Come and see, and join in the grand parade.

One more Grand Rally, and the day is *ours*.

THE Democracy are pursuing their sneak game and hope by it to succeed. It is Tilden's "still hunt" they are pursuing in this Co., and boast that by this means they expect to effect a change of two votes in each Township, and thus carry the State. Forewarned, forearmed, let every man in the Republican party see to it that every voter is out and that he votes right. Allow no apathy or indifference on your part to defeat the ticket. Work, work, till the Election opens; then work, work, work industriously till it closes and victory is assured.

TILDEN knows he cannot carry New York if Ohio goes Republican in October. Hence his extraordinary efforts to elect Bell. A vote for Barnes is a vote that Hayes and Wheeler shall have New York's thirty-five electoral votes in November. A vote for Bell is a vote that Tilden shall have them.—*O. S. Journal.*

Special Notices.

Castoria is a perfect substitute for Castor Oil, without any of its objections, for it is pleasant to take, and does not nauseate or gripe. For costiveness at any age, but especially for Sour Stomach, Wind Colic, Worms and the Disordered Bowels of children, it is the most effective remedy in existence. It is harmless, it is reliable, and it is cheap.

There is no need of pain where Centaur Liniment is used. Burns and Scalds are healed without a scar. Rheumatism, Sprains, and most flesh, bone and muscle ailments can be absolutely cured. There are two kinds. The White Centaur Liniment is for family use, the Yellow for horses and animals. One trial will convince the incredulous.

THINK FOR YOURSELF.

Thousands lead miserable lives, suffering from dyspepsia, a disordered stomach and liver, producing biliousness, heartburn, costiveness, weakness, irregular appetite, low spirits, raising food after eating, and often ending in fatal attacks of fever. *They know they are sick*, yet get little sympathy. The unfailing remedy, which is yearly restoring thousands, is DeCosta's Radical Cure, sold by HOGE, the Druggist, opposite the St. Clair Hotel.

A 25c bottle will convince you of its merits. Don't delay another hour after reading this, but go and get a bottle, and your relief is as certain as you live. Will you do it, or will you continue to suffer? Think for yourself!

Prof. Parker's Pleasant Worm Syrup is perfectly safe and extremely palatable. No physic required. Costs 25 cents. Try it. jel'76

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping-Cough, Bronchitis, Asthma, and Consumption.

Among the great discoveries of modern science, few are of more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that CHERRY PECTORAL will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of **Consumption**, cured by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy, it is adequate, on which the public may rely for full protection. By curing **Coughs**, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of childhood, CHERRY PECTORAL is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centred on them. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome **Influenza** and painful **Bronchitis**, when they know how easily they can be cured.

Originally the product of long, laborious, and successful chemical investigation, no cost or toil is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as memorable as the greatest it has ever effected.
