PROF. WOOD'S

HAIR RESTORATIVE.

WE CALL THE ATTENTION OF ALL [illegible]

PROF. O. F. WOOD: [illegible] Hair Restorative, as being the most valuable article I ever saw. I have used the whole bottle and other preparations of the kind without effect. [illegible] Hair Restorative [illegible] Gray Hair, as I think it will do in all cases where it has a chance to act. [illegible] I shall use it in my family in preference to any other article I know of. [illegible] J. G. KILBY.

North East, Pennsylvania, March 6, 1855.

MR. [illegible] having hair for several years past, [illegible] gray, but perfectly white. I have not it dyed, and [illegible] to make it from view; but some three months since, I was induced to use your Hair Restorative and must in justice say, that its effects were most astonishing. It has kept its gloss as well as any other hair, and is [illegible] as much beautiful than it ever was, when under the influence of the most oil. I therefore, cheerfully recommend it to every lady as decidedly the best preparation for relief we of [illegible] in the world. BETSY SMITH.

PROF. WOOD: Having experienced the [illegible] of your Hair Restorative, I feel [illegible] upon the subject. After two years ago, my hair commenced falling off and turning gray (I was then becoming bald. I tried several things and heard your Restorative, and spoke so highly of its effects, I was induced to try it, although I had not little faith, as I had tried the trial so many other remedies. I commenced using your Restorative in January last. A few applications then restored my hair finally. It began to fill up, grew out as I [illegible] back to its former color (black). Although time is the [illegible] test of any medicine, health and appearance, and I cheerfully recommend its use to all. J. D. BOSS.

Chicago, Ill., May 1, 1854.

New York, Oct. 7, 1854.

PROF. WOOD: After reading the advertisement in one of our New York papers, of your celebrated Hair Restorative, I procured a bottle of it, and on much pleasure find it to be [illegible] in two months and six months, and it has done [illegible] the best preparation for the purpose. It at once removed all dandruff and [illegible] from the scalp and has restored my hair naturally, and I have no doubt permanently.

To have testimonials in order to me, all else [illegible] my desire of imparting to all that is valuable itself. Miss FANNY, 264 Greenwich St.

Ambrotypes UNISON & FAY

WOULD respectfully announce to their friends and the public that they have entered into copartnership for the purpose of taking Ambrotype Likenesses in connection with Daguerreotyping. The Ambrotype is a new and beautiful style of picture taken on glass, and for delicacy of shade, tone and brilliancy are unequaled by any other style of picture yet introduced to the public. Having obtained the Ambrotype process from one of the best practical operators in the United States, they flatter themselves that they can produce these pictures equal to any taken in this country. These castes are not affected by time, and they are indestructible to the action of the atmosphere and cannot be injured by rubbing or washing. Call and examine specimens.

JOHN STAUB & CO.

RESPECTFULLY announce to the public that they are no longer in any way interested in the SHAWHAN HOUSE STABLES, but still carry on the LIVERY BUSINESS at their old stand, where the public, as heretofore, will always find good horses and fine carriages—better and cheaper than at any other stable in Tiffin. PASSENGERS will be taken to any section of the country on short notice, DAY OR NIGHT. Any of Staub's friends can have their horses kept and fed in his stable at all times. Saddle Horses and single buggies—or buggies to let without horses—in fact we can accomodate the public in any shape or form. That is our aim and we are bound to do it, without fear of "friend or foe."

☞ The rumor that STAUB & CO. have SOLD their LIVERY stock is a LIE! WE still have the best stock of horses and buggies in Tiffin, and our prices are lower than ever.

☞ "OLD JOHN" will be on hand at all times at his stable, where he looks "everything over himself.
