AUDITOR'S OFFICE, SENECA COUNTY,
City of Tiffin, December 5th, A. D. 1856.

Agreeably to the provisions of an act, entitled "an act to amend an act prescribing the duties of County Auditors," passed February 24, 1844, I hereby give notice that the several tracts of land, town lots and parts of lots, contained in the foregoing list, or so much thereof as will pay the taxes, interest and penalty charged thereon, will be sold at the Court House in the City of Tiffin, on the second Monday in January, A. D. 1857, (being the 12th day of said month,) unless such taxes, interest and penalty be paid before that time.

JAMES M. STEVENS, Auditor.

INDIAN MURDER AND DEPREDATIONS.—Hardly a day passes, says the San Antonia Times, but horses are taken away by Indians in the counties around us, and many have been seen recently within twenty miles of San Antonio. The same paper says, intelligence has been received that six men were killed, and scalped by Indians in Kerr county, some forty miles north of San Antonio, on Sunday night last. It seems that seven persons had encamped for the night and the Indians came upon them while asleep, killed and scalped four, and left two mortally wounded; only one can survive of the seven.

A country girl writing to her friends, says of the polka, that "the dansin' does not amount to much, but the huggin' is heavenly."

Brown says he has seen a *rop walk*; Jones thinks he has seen a rail *fence* and Robinson says that's nothing—has seen a hat *box*

—An old maid who hates the male sex most venomously, cut a female acquaintance yesterday, because she complimented her upon the buoyancy of her spirits.

—Dicks told his wife when he saw her out walking in her new silk dress, that he never before realized the truth of the novelist's remark of his heroine—'that she swept gracefully along.'

—In Greenup County, Kentucky, the vote for President was:

Fillmore	866
Buchanan	865
Fremont	

The Athens Messenger thinks the Fremont party hold the balance of power in old Greenup.

Winchester D. Scott, Plf. agst David Decker defendant. } Before a Justice of the Peace of Township, Seneca county, Ohio.

THE defendant will take notice that on the day of December, A. D. 1856, the said justice, issued an order of attachment in the above action, for the sum of sixteen and 47 100 dollars and interest since the 14th day of February 1848, and for the sum of nine and 92 100 dollars and interest since the 14th day of Feb. '28. J. C. LEE,

TO THE SICK.

JANUARY APPOINTMENTS.

DR. H. TUBBS,

A NANYTIC PHYSICIAN, will be in attendance at TIFFIN, at the Shawhan House, Friday and Saturday until 11 o'clock a. m. 20 and 21 Jan.

FREMONT, Kessler's American, Thursday, 22 Jan.

For consultation upon all diseases of the Throat, Lungs, Heart, Liver, Stomach, Bowels, Kidneys and Spleen; also, Dropsy, Gravel, Rheumatism, Nervousness, Debility, Dropsies, Female Diseases, Ague and Fever, Fits, Impurities of the Blood, Eruptions, Cancers, Ulcers, and whatever varieties of long-standing complaints, both external and internal.

For some years Dr. T. has devoted his entire time to chronic diseases, treating thousands annually, many of whom had exhausted every other resource within reach. In no case are minerals or other poisons employed, nor does he make sick to make well, nor tear down to build up. The medicines can be taken with safety by the most delicate, and patients may remain at home and continue with pleasure their ordinary dress and exercise. Many have recovered under the treatment after friends and physicians had given up all hope, the indisputable evidence of which can always be produced. Invalids, however reduced and disparaging, are invited to call, and may be assured that no encouragement will be given, or expense incurred, without a corresponding prospect of recovery.

Fits.—Their Curability.

BRACEVILLE, Trumbull county, O. July 1856.

DR. TUBBS, Sir—two years ago last April, I called with my son to have him treated for fits. He had had them every four weeks for a year and a half before. After you prescribed he had but one and has had none since then.

Various other medicines had been given without benefit and our physician said he never could be cured.

Yours truly SOLOMON HUBER.

ADMINISTRATOR'S NOTICE.

THE undersigned has been duly appointed and qualified, as Administrator of the estate of Mathew Clark, deceased, late of the County of Seneca, and State of Ohio.

INSANITY.

To continue the usual variety, we give this month a case combining mental with physical disease:

CUYAHOGA FALLS July, 1856.

DR. TURBS:—Dear Sir: Seven years ago this month my son had been exposed to wet, and came home ill and delirious. We supposed it the effect of a cold, and took means to break it. For the subsequent eighteen months however, he remained in this condition, excepting lucid intervals of an hour or two occasionally. For the last six months before consulting you, he was constantly insane. His general health had also suffered greatly. He was weak, emaciated and sallow.—We had employed the best skill at home, and finally took him to Cleveland, where he was examined by the Faculty of the Medical College and prescribed for. Their prescription (stichnia) seemed too harsh or powerful for him and he became worse while using it. We then came to you. I had little faith in his recovery, as the most noted physicians in this part of the State had failed.

Under your treatment he soon became perfectly sane and regained his health. This took place five years ago, and up to the present time he enjoys good health and sound mind.

Yours, Respectfully,
JAMES L. GRENELL.
