MARKETS BY TELEGRAPH.

New York Money Markets.

NEW YORK, August 17.

Government bonds were dull and steady, state bonds were quiet and steady; railroad bonds quiet and rather heavy. In stocks there was quiet trading in the morning hours during which the market, although exhibiting weak, did not yield to any considerable extent; after noon, however, Union Pacific was broken over 1 per cent and other active stocks a fractional amount. A slight recovery followed on comparatively dull trading, but after 2 o'clock the entire list ended in unison until just before the close when the pressure was removed. The market closed quiet but weak at about the lowest figure reached. Everything is lower on the active list tonight.

Money—On call easier, ranging from 5 to 2 per cent closing at 15 to 2.

Prime Merchantile Paper—4@5 per cent.

Sterling Exchange—Steady and unchanged.

Government Bonds—Dull and steady.

State Bonds—Dull and heavy.

The total sale of stocks today were 267,561 shares.

Chicago Grain and Produce.

CHICAGO, August 17.

The foreign wheat markets were quoted firmer this morning which gave an upward tendency to the local market at the start. The fact that the visible supply report was 4,500,000 but less than had been given out yesterday almost improved the situation and September wheat began at 78⅝@78¾ higher than at the close of yesterdays dealing. The market rose to 78¾ ruled steady for awhile but under moderately free offerings broke off slowly to 77⅞ and closed 77⅞. Corn began at 44½ for Sept. which was the highest figures of the season, from which point the price dropped off slowly to 43½, rallied and closed a shade higher. Provision were irregular, mess pork closed a shade easier than yesterday but lard was again stronger. Flour steady and unchanged. Wheat strong and higher early but closed at yesterdays figs.

Flour steady and unchanged.
